AM. The Guest Speaker for the webinar is **Dr. Rahul Mishra**, Pharmacy coordinator at addiction Pharmacy ARx Pharmacy and Homecare, Edmonton, Alberta.

For this webinar No. of participants Registered is 418 and attended the webinar were 275

The programme started at 10.00 am with the prayer song by Ms Apurva, later the guest speaker was heartily welcomed by our Director Prof. N. Srinivas, next message by Principal V. Jyothi then Student Ms. Richa Diggikar introduced guest speaker to the participants which was followed by the session.

In the today's Session Dr. Rahul Mishra sir discussed about Career Opportunities for Pharm D Students & Skills Required. It was a very informative and interactive session where students came to know about the career choices and participated enthusiastically.

Sir explained different career opportunities in Pharmaceutical Industries like their Roll in the industry, no of departments to work in and the skills required for the students. Later he explained about clinical data management (SAS programing, biostatistics) clinical data managers are responsible for collecting data from a variety of medical research projects, such as clinical and pharmaceutical trials. They work collaboratively to make sure data is collected, managed and reported clearly, accurately and securely.

In his talk he emphasized that to become a clinical pharmacist the students must be approved as community pharmacists. On completion of Pharm D, students can opt for further studies like MBA, can go abroad by writing FPGEE examination (held at 3 levels).

The speaker stressed that the students must have a strong knowledge in technical skills, communication skills, a keen practice on the job, continuous gaining of knowledge and comprehension.

He also informed the students about the various career opportunities for sales representative, clinical, community pharmacist, medical advisor, academician etc.

After delivering his lecture sir encouraged students to clear their doubts and clarified many doubts

about Career Opportunities in foreign countries and in India.

The vote of thanks was given by Prof.T. Saritha Jyostna, who thanked the guest speaker and all the participants for making this webinar successful.
