### **WORLD DIABETES DAY REPORT**

December 8, 2018

World Diabetes Day is an annual event celebrated on November 14 to raise awareness of diabetes and its impact on people's lives. The day is also used to advocate for better diabetes care and prevention.

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya is a leading pharmacy college in Hyderabad, India. The college is committed to providing quality education and training to its students. In recognition of World Diabetes Day, the college organized a series of events to raise awareness of the disease.

The college also held a blood sugar screening camp. The camp was open to the public. The camp provided free blood sugar screenings and counselling to people who may be at risk for diabetes.

The college also organized a poster competition on the topic of diabetes. The competition was open to students from all years. The winners of the competition received prizes.

The events organized by Sarojini Naidu Vanita Pharmacy Maha Vidyalaya were a success. The events helped to raise awareness of diabetes and its impact on people's lives. The college is committed to continuing to raise awareness of diabetes and to providing quality education and training to its students on the disease.

#### **Recommendations**

The college recommends that the following steps be taken to further raise awareness of diabetes:

- The college should continue to organize lectures and workshops on diabetes.
- The college should partner with local community organizations to raise awareness of diabetes.
- The college should develop a diabetes education program for its students.

The college is confident that these steps will help to reduce the burden of diabetes in the community.

### **Report on World AIDS Day**

Date: December 8, 2018

Location: Lalaper ground and near by area, Hyderabad, India

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya celebrated World AIDS Day on December 8 th with a series of events and activities aimed at raising awareness about HIV/AIDS and promoting prevention and treatment. The events were organized by the National Service Scheme (NSS) unit of the college.

The day began with a rally organized by the NSS unit. The rally started from the college campus and passed through the main streets of the city. The participants carried placards and banners with messages of awareness and prevention.

In the afternoon, a seminar was organized on the topic of HIV/AIDS. The seminar was attended by students, faculty members, and community members. Chairman Dr.B.Prabha Shankar gave presentations on the history of HIV/AIDS, the modes of transmission, the symptoms and diagnosis, the prevention and treatment, and the stigma associated with the disease.

A poster competition was also organized on the topic of HIV/AIDS. The competition was open to all students of the college. The winners of the competition were awarded prizes.

The World AIDS Day celebrations at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya were a success. The events helped to raise awareness about HIV/AIDS and promote prevention and treatment. The college is committed to continuing to raise awareness about this important issue.

The college can continue to raise awareness about HIV/AIDS by organizing similar events in the future. The college can also partner with local organizations to provide educational and support services to people living with HIV/AIDS.

#### **Specific Recommendations**

- The college can organize a blood donation camp to raise awareness about the importance of blood donation for people living with HIV/AIDS.

- The college can collaborate with a local HIV/AIDS clinic to provide free HIV testing and counseling services to students and community members.
- The college can develop an HIV/AIDS awareness curriculum for its students.

The college is committed to taking the necessary steps to raise awareness about HIV/AIDS and promote prevention and treatment.

### **International Women's Day**

On March 8, 2018, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya celebrated International Women's Day with a series of events and activities. The day began with a lighting the lamp at 10:00 am, followed by a prayer service.

At 9:00 am, a lecture was delivered by Dr. S. Anuradha Bai, Associate Professor of Pharmacy at the college. Dr. Anuradha spoke about the importance of women's empowerment and equality. She encouraged the students to be strong and independent women who make a difference in the world.

After the lecture, a cultural program was held. The students performed dances, songs, and skits that celebrated women's strength and resilience. The program was well-received by the audience, which included students, faculty, and staff.

In the afternoon, a panel discussion was held on the topic of "Women in Pharmacy." The panelists included Mrs. V. Jyothi & Dr. T. Saritha Jyostna. The panelists discussed the challenges and opportunities facing women in the pharmacy profession.

The day concluded with a cake cutting ceremony. The students celebrated the achievements of women and pledged to continue working towards gender equality.

Overall, the International Women's Day celebrations at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya were a success. The events and activities provided an opportunity for the students to learn about the importance of women's empowerment and equality. The students were inspired by the speakers and panelists, and they are committed to making a difference in the world.

#### **Specific Achievements**

- The lecture by Dr. S. Anuradha Bai was well-received by the students and faculty. Dr. S. Anuradha's message of women's empowerment was inspiring and motivating.
- The cultural program was a great success. The students' performances were well-received by the audience, and they helped to celebrate the strength and resilience of women.

### **World Cancer Day Report**

February 4, 2018

World Cancer Day is an annual global event that is held on February 4th to raise awareness about cancer and to encourage people to take action to prevent the disease. The theme for World Cancer Day 2018 is "Close the Care Gap". This theme focuses on the need to improve access to cancer care for everyone, regardless of their ability to pay.

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya is a women's pharmacy college in Hyderabad, India. The college has a total enrolment of 200 students. In recognition of World Cancer Day, the college held a series of events to raise awareness about cancer and to encourage students to take action to prevent the disease.

The college held a lecture on the causes, symptoms, and treatment of cancer. The lecture was delivered by Mrs.V.Jyothi Principal of SNVPMV. The lecture was attended by all students and faculty members.

The college also held a poster competition on cancer awareness. The competition was open to all students. The winning posters were displayed on the college campus.

The college also held a blood donation camp. The camp was organized in collaboration with a local blood bank. Students and faculty members donated blood at the camp.

#### **Conclusion**

The events held by Sarojini Naidu Vanita Pharmacy Maha Vidyalaya were a success. The events helped to raise awareness about cancer and to encourage students to take action to prevent the disease.

#### **Recommendations**

The college plans to continue to hold events to raise awareness about cancer in the future.

The college also plans to develop a curriculum on cancer prevention for students.

The college also recommends that the government take steps to improve access to cancer care for everyone in India. This could include providing financial assistance for cancer treatment, training more cancer care providers, and building more cancer treatment facilities.

### **WORLD KIDNEY DAY**

December 8, 2018

On December 8<sup>th</sup> 2018, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPM) celebrated World Kidney Day with a series of events and activities. The day began with a flag hoisting ceremony by the Principal Mrs.V.Jyothi.

The main event of the day was a lecture on the importance of kidney health. The lecture was delivered by Dr. K. Ravindra, a nephrologist at the Krishna Institute of Medical Sciences. Dr. Ravindra discussed the anatomy and function of the kidneys, the causes of kidney disease, and the signs and symptoms of kidney problems. He also emphasized the importance of early detection and treatment of kidney disease.

In addition to the lecture, SNVPMV also held a blood pressure screening camp. The camp was conducted by a team of doctors and nurses from the Krishna Institute of Medical Sciences. Students and staff of SNVPMV were able to get their blood pressure checked for free.

The day concluded with a quiz on kidney health. The quiz was open to all students and staff of SNVPMV. The winners of the quiz received prizes donated by the Krishna Institute of Medical Sciences.

The World Kidney Day celebration at SNVPMV was a success. The events and activities helped to raise awareness of the importance of kidney health.

- Over 150 students and staff of SNVPMV attended the lecture on kidney health.
- Over 50 students and staff of SNVPMV had their blood pressure checked at the blood pressure screening camp.

- Over 20 students of SNVPMV participated in the quiz on kidney health.

The World Kidney Day celebration at SNVPMV was a valuable opportunity to educate students and staff about the importance of kidney health. The events and activities helped to raise awareness of the risks of kidney disease and the importance of early detection and treatment.
