1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Response: In order to integrate the cross-cutting issues relevant to gender, environmental sustainability, human values and professional ethics, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya has imbibed different types of courses in the curriculum, some enhance professional competencies while others aim to inculcate general human values and environmental sustainability etc., thereby leading to the holistic development of students. The courses related to Ethics, Human Values and Environmental Studies are embedded in the curriculum of UG programs. The admission criteria in PG itself ensure that the students have been underwent the similar type of courses during their UG degree. Apart from this our IPA-SF & NSS unit not only inculcates but also practices human & ethical values, as well as gender related values.

Gender Issues: Enables the students to be sensitized to the gender issues being faced globally as gender touches the sphere of every student's life, both personal and professional. The institution's committees (Women Empowerment cell, Women protection cell), IPASF and NSS Units organize various programmes to sensitize the inmates and as well as the outsiders. Awareness on the issues pertaining to the social, economic, and political aspects of gender and the inequalities observed on the basis of gender in the society can be sensitized through discussions, debates, facts drawn from everyday experiences, literature and films.

Human Values and Professional Ethics (HV & PE): Instilling the human values to be ethical and professional in one's domain can contribute to harmony at all levels, contribute to the students' finesse in dealing with different kinds of people in their profession. The curriculum incorporates courses like Dispensing Pharmacy & Ethics, Pharmaceutical Jurisprudence, Medicinal Biochemistry, Community Pharmacy, Pathophysiology, Pharmacotherapeutics, I, II and III, Hospital Pharmacy, Clinical Pharmacy, Clinical Research, Pharmacoepidemiology and Pharmacoconomics, Therapeutic Drug Monitoring which explain the legislations and working procedures related to human health. Oath of Pharmacist and Code of Conduct focus to nurture student discipline, work ethics and social responsibility. Community service activities are organized by the institution where students are made participatory in health camps to create health awareness among the rural men and women.

Gender Equity: Courses in UG and PG programmes like Human Anatomy & Physiology, Pathophysiology, Community Pharmacy, Pharmacotherapeutics-I, II and III Clinical Pharmacy,
