Summary

On 14th July 2023 MSN LABS PVT. LTD. Conducted Walk-in Drive at their corporate office at Sanathnagar.

Initially the whole process started off with a call to Mr.Rama Mohan (HR) along with Email on 29/05/2023 who agreed to conduct Campus placement drive for our BPharm 8th Semester Students.

Finally Mr.Rama Mohan expressed his inability to conduct Campus Drive due to some Management and Audit related issues within their company.

22 Students (Annexure attached) registered themselves for the Walk-in Drive and 21 of them attended the Walk-in.

Under the able leadership of our Director Dr.N.Srinivas Sir and our Principal Dr.T.Saritha Madam the college not only encouraged our students to attend the Walk-in but also provided transport and lunch to the students.

The interview process started with the students registering through a QR code of the company, followed by the filling of an interview assessment form.

All the 21 students faced the technical interview with the MSN Senior technical team.

As per Mr.Rama Mohan all the students fared well in the interview.

To conclude only 2 students were selected as per the requirements of MSN:

1. Vadla Sai Pranavi
2. Dolly Parnani

But as Dolly Parnani expressed her inability to join the company, U.bhargavi was selected in her place.

One more student was also selected, whose name was not revealed by the HR and she is kept on hold.

Overall the students had a firsthand experience of how an interview would be in the pharma industry. Many of the students were happy to face the interview as this was their first time facing an interview for a Pharma Company.

The following are the details of the Job Role :
