REPORT ON GUEST LECTURE

Topic of the Event: "Prevention and Treatment of Tuberculosis"

Date & Time of Event: 5-1-2023

Hosted By: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyderabad.

Summary

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women, (Sponsored by The Exhibition Society) organized a guest lecture on the topic "Prevention and Treatment of Tuberculosis" by distinguished representatives from Dr Iravatham's Clinical Hospital on 5-1-2023. The aim of the lecture was to educate students about the strategies for preventing the spread of communicable diseases and the latest advancements in their treatment.

The guest lecture was delivered by expert from Dr Chitra from Dr. Iravatham's Clinical Hospital, including infectious disease specialists, epidemiologists, and healthcare professionals with extensive experience in managing Tuberculosis diseases. Their expertise and insights greatly enriched the learning experience for the audience.

Key Topics Covered:

Understanding Tuberculosis Diseases: The lecture commenced with an overview of Tuberculosis diseases, including their causes, modes of transmission, and common examples. Emphasis was placed on the importance of awareness and vigilance in preventing their spread.

Preventive Measures: The guest speakers elucidated various preventive measures aimed at reducing the incidence and transmission of Tuberculosis diseases. Topics covered included vaccination, personal hygiene practices, sanitation, and public health interventions.

Role of Pharmacists in Disease Prevention: The lecture highlighted the crucial role of pharmacists in promoting disease prevention and control. Students were briefed on their responsibilities in educating the public about vaccination, antimicrobial stewardship, and adherence to treatment protocols

Treatment Strategies: Comprehensive insights were provided into the treatment strategies for different communicable diseases, including antimicrobial therapy, antiviral medications, and supportive care measures. The importance of timely diagnosis and appropriate management was underscored.

Interactive Session: Following the lecture, an interactive session facilitated lively discussions and exchanges between the guest speakers and the audience. Students had the opportunity to seek clarification on complex topics, share their perspectives, and engage in dialogue about the practical implications of disease prevention and treatment.
