

MOU

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (MOU) is entered into on this date 2nd June, 2022

BETWEEN

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, 12-5-31/32, Vijayapuri Colony, Tarnaka, Secunderabad – 500017, Telangana, the First Party represented herein by its representative Dr. B.Prabha Shankar, **Chairman**, (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Jie Du Center for Innovation and Excellence for Drug Development, University of the Pacific, 3601 Pacific Ave, Stockton, CA 95211, United States of America (USA), the Second Party, and represented herein by **Bhaskara Jasti, Executive Director**, (hereinafter referred to as "Second Party", the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

WHEREAS:

- A) First Party is a Higher Educational Institution named: **Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Secunderabad**, is a premier institution in the field of pharmacy, affiliated to Osmania University, Hyderabad. It is sponsored and managed by The Exhibition Society, Hyderabad. An institution of excellence for pharmaceutical education, it endeavors to provide a leading knowledge and networking platform for young women aspirants to make change as accountable healthcare professionals- pharmacists, pharmaceutical scientists, who are engaged in health promotion, disease prevention, assessment, monitoring, initiation and modification of usage of medication to assure safe and effective drug therapy regimens.

- B) **Jie Du Center for Innovation and Excellence for Drug Development, University of the Pacific** specializes in promoting innovation in drug development through education, training and mentorship, while fostering collaboration with industrial leaders. The institute offers the programs wherein, the students and scientists will gain skills in pharmaceutical regulation, entrepreneurship and business to prepare them for navigating the challenges associated with new ventures in drug development
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- D) The Parties intent to cooperate and focus their efforts on cooperation within area of skill-based training, education, research, International faculty & student exchange programs, without involving any financial implications on either side.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MEMORANDUM OF UNDERSTANDING (MOU), THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of definitive documents shall be mutually decided between the Parties.

CLAUSE 2: SCOPE OF THE MOU

- 2.1 This MoU facilitates a collaborative working relationship between both the institutes in the matters of research projects, student internships, conduct of seminars, conferences & symposia in the fields of drug development.
- 2.2 This will involve exchange of students and faculty for the purpose of advanced education, pharmaceutical research and outreach. Students will be exposed to different perspectives; traditions and it is a chance to step out of the comfort zone and gain experience through unfamiliar situations
- 2.3 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.4 There is no financial commitment on the part of either parties to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4: EFFECTIVE DATE & VALIDITY

- 4.1 This Agreement shall be effective from the date of its approval by competent authorities at both ends
- 4.2 This Agreement shall be valid until it is expressly terminated by either Party on mutually agreed terms.
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties will discharge their obligations.

CLAUSE 5: AMENDMENTS

- 5.1 Any amendment and/or addenda to any clause of this Agreement shall be in writing and signed by the PARTIES hereto and shall only after such execution be

deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

CLAUSE 6 : RESOLUTION OF DISPUTES

6.1 This agreement shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the courts at Hyderabad.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

REPORT ON GUEST LECTURE

Topic of the Event – Emerging Research Areas For R & D Projects in USA

Date & Time of Event – 10th June 2022, 11:00 am

Hosted by - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyd.

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Sponsored by The Exhibition Society) organized a guest lecture on the topic “**Emerging Research Areas for R & D Projects in USA**” on 10th June 2022, at 11:00 AM. The Guest Speaker for the guest lecture was **Dr. Bhaskara Jasti**, Professor, Associate Dean of Graduate Education and Research Executive Director, Jie Du Centre for Innovation and Excellence for Drug Development, University of the Pacific, California, USA.

For this webinar No. of participants Registered is 300 and attended the webinar were 230.

The programme started at 11:00 am with the prayer song by Ms. Jaya and Ms. Shivani from PharmD. Later, Dr. N. Srinivas, Director, SNVPMV, addressed the session by cordially welcoming the guest speaker, **Dr. Bhaskara Jasti**, followed by a talk by Dr. T. Saritha Jyostna, Principal, SNVPMV. Ms. Shaistha Zaheer of B.Pharm 4thyr introduced the guest speaker to the participants, which was followed by the session.

During the session, Sir interacted with the students and said about the importance of textbook reading which will help them to imbibe basic concepts of the subject. He emphasized that ‘Failures are stepping stones for success’ by sharing his own experiences. The participants were enthusiastic and were listening with extreme intrigue as the session was informative and thought provoking.

With supreme knowledge and experience, Sir gave a brief introduction on the skills required to do Masters programme (teamwork) and a PhD programme (analytical and problem dissecting ability). Sir, went on to explain about various ways to improve the skills, grab the opportunities, working out by managing the conflicts and convincing the officials by their work.

Sir gave an insight on the Drug development- Areas of research and industrial perspective, illustrating on the higher studies opportunities for B Pharm and Pharm. D students in the areas of Preclinical, Clinical and NDA review. He stated that B. Pharm students can opt for Toxicology, Early Pharmacology, Masters program in safety whereas Pharm. D students can choose Regular Regulatory affairs, Clinical Regulatory affairs, epidemiology, MBA for their higher studies in USA which was extremely helpful especially for students who look forward to do their higher studies in other countries.

Further, Sir emphasized on the huge opportunities in the area of Diagnostics and manufacturing of diagnostic devices, development of biomarkers etc whose career ladder is 3 times faster than the R&D. Sir also motivated the students by explaining various concepts like Self-Confidence, Passion, Dedication and Deligence, Empathy, Help, Feministic and Masculinist, Overconfidence, Bossing, and Shortcutting which will help the students in building up dedication, passion and leadership qualities in their life.

At the end of the session, Sir encouraged the students to put out all their queries regarding higher studies, scope of the subject, and any other questions. Students were very ardent and asked various questions about the courses to be performed to enter into the areas of diagnostics and also other queries to perform higher studies, R&D in USA etc. All the questions were patiently answered by sir, making the session, both informative and interactive. It was overall, extremely helpful and interesting to all the attendees.

The vote of thanks was delivered by Prof. T. Mamatha, Vice Principal, SNVPMV, by expressing gratitude to the guest speaker for his excellent speech on the topic and thanked all the participants for making the session successful.

REPORT ON WEBINAR

Topic of the Event - Choosing a Higher education Specialization in USA-Advise for Indian Students

Date & Time of Event – Feb 15th, 2023, 5.30PM

Hosted by - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka,
Hyderabad

Summary

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women, (Sponsored by The Exhibition Society) organized a webinar on the topic “**Choosing a Higher education Specialization in USA-Advise for Indian Students**” on Feb 15th, at 5.30 PM. The Guest Speaker for the webinar is **Bhaskara Jasti**, Professor, Associate Dean of Graduate Education and Research Executive Director, Jie Du Centre for Innovation and Excellence for Drug Development, University of the Pacific, California, USA.

For this webinar No. of participants Registered is 467 and attended the webinar were 237.

The programme started at 5.30 pm with the prayer song by Ms Apurva. Director N. Srinivas sir addressed the session by cordially welcoming the guest speaker Dr. Bhaskara Jasti, followed by a talk by Principal T. Saritha Jyostna madam. Student Ms. Richa Diggikar of B. pharmacy III year took the lead to introduce the guest speaker to the participants which was followed by the session.

During the session Dr. Bhaskara Jasti sir discussed how to choose higher education specialization in USA. The participants were enthusiastic as the session was informative and fascinating, where students came to know the wide options as a career in pharmacy profession.

With a great educational experience sir clarified the need of graduate degree in student’s life. In his talk he explained various traditional and alternate careers available for pharmacy graduates from researcher in academia to industrial researcher, regulatory agencies to patent office, Health care management in USA, Medical sciences liaison.

Sir has motivated the participants in how to choose a career by considering strengths of an individual, identifying proper career and programme and role of communication skills in building career and also addressed students the need to carry out the research works in lab in association with faculty, paper publication.
