Summary

On 25th August 2023 Aizant Drug Research Solutions Pvt. Ltd, Conducted Walk-in Drive at their Plant at Dullapally, Hyderabad.

Initially the whole process started off with information shared by Dr. T. Venu (HOD, Pharmacology, SNVPMV)

13 Students registered themselves for the Walk-in Drive and 7 of them attended the Walk-in.

Under the able leadership of our Director Dr.N.Srinivas Sir and our Principal Dr.T.Saritha Madam the college not only encouraged our students to attend the Walk-in but also provided transport and lunch to the students.

The interview process started with the students registering through a QR code of the company, followed by the filling of an interview assessment form.

The following 7 Students attended the Walk-in:

1. Nikitha (MPharm Ceutics)
2. Rupali (MPharm Ceutics)
3. D.Supriya (MPharm Ceutics)
4. S.Supriya (MPharm Ceutics)
5. M.Akanksha (MPharm Analysis)
6. B.Soumya (MPharm Analysis)
7. 7.Hrithika (MPharm QA)

All the 7 Students wrote the technical written examination and out of 7, only 3 were shortlisted for further technical and HR round.

The following are the 3 Shortlisted Students for the Technical and HR Round:

1. Nikitha (MPharm Ceutics)
2. S.Supriya (MPharm Ceutics)
3. Hrithika (MPharm QA)

In the written examination questions were varying from Basics of Pharmacy, Ceutics and Chromatography

Also in the technical round they were asked similar questions related to the above.

HR finally said that the selected Students would be informed within a week about further rounds of selection.

Overall the Students had a real time experience of an industry interview process.
