Event Report

Seminar on Patent Copy Rights and Trade Marks

- Date: 6/7/2019.
- Title: Seminar on Patent Copy Rights and Trade Marks.
- Speakers: Dr. Y. Shravan Kumar, Associate Professor & Head, Department of Pharmaceutics, Vaagdevi College of Pharmacy, Warangal, Telangana.
- Venue: SNVPMV Auditorium.
- Coordinator: Dr. K. Neelima.
- Participants: 200.
- Principal: Dr. V. Jyothi.

The seminar on Patent Copy Rights and Trade Marks was held on 6/7/2019 at SNVPMV. The seminar was organized by the Department of Pharmacy and was co-ordinated by Dr. K. Neelima. The keynote speaker was Dr. Y. Shravan Kumar, Associate Professor & Head, Department of Pharmaceutics, Vaagdevi College of Pharmacy, Warangal, Telangana. Dr. Kumar gave a comprehensive overview of patent law, copyright law, and trademark law. He also discussed the importance of intellectual property protection for businesses and individuals.

The seminar was well-attended by students, faculty, and staff from SNVPMV. The participants found the seminar to be informative and helpful. They appreciated the opportunity to learn more about intellectual property law and how it can protect their ideas and creations.

In addition to the keynote address, the seminar also included a panel discussion with experts from the fields of law, business, and technology. The panelists discussed the challenges and opportunities of intellectual property protection in the 21st century.

The seminar was a valuable resource for the participants. It provided an opportunity to learn about the different types of intellectual property, how to protect it, and the importance of intellectual property management. I would recommend that SNVPMV continue to organize seminars on these topics in the future.

Report

National Conference on Intellectual Property Rights of Pharmaceuticals

Date: 2-08-2019, Venue: Auditorium, Organized by: Department of Analysis

Number of Participants: 50

The National Conference on Intellectual Property Rights of Pharmaceuticals, held on August 2nd, 2019, at SNVPMV, brought together two renowned experts to shed light on crucial aspects of IPR in the pharmaceutical industry.

- Dr. V. Prabhakar Reddy, Head, University College of Pharmaceutical Sciences, Palamuru University, Mahabubnagar, Telangana:
 - Title of Talk: IPR & its importance in the present era

Dr. Reddy delivered a thought-provoking keynote address, emphasizing the vital role of Intellectual Property Rights (IPR) in fostering innovation and protecting the intellectual capital of pharmaceutical companies. He explored the evolution of IPR laws and their impact on the global pharmaceutical landscape, highlighting the challenges and opportunities presented in the current era.

- Dr. T. Saritha Jyostna, Professor & HOD, Department of Pharmaceutical Chemistry, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad:
 - Title of Talk: Process patents for small molecules

Dr. Jyostna provided a comprehensive overview of process patents, a critical aspect of protecting pharmaceutical inventions. She delved into the intricacies of drafting and securing process patents, offering valuable insights for researchers and developers working with small molecules.

Following the presentations, an engaging Q&A session allowed participants to seek clarification and discuss specific aspects of IPR relevant to their fields.

The National Conference on Intellectual Property Rights of Pharmaceuticals concluded with a vote of thanks by Dr. B. Harika, who appreciated the active participation and contributions of all speakers and attendees.

Report: Seminar on Biostatistics and Research Methodology

Date: 27th August 2019

Venue: Auditorium, SNVPMV

Number of Participants: 50

SNVPMV successfully conducted a seminar titled "Seminar on Biostatistics and Research Methodology" on August 27th, 2019, in the college auditorium. The seminar, organized by the Department of Chemistry under the guidance of Dr. S. Hemalatha, aimed to equip students and researchers with the essential tools and knowledge in biostatistics and research methodology, two fundamental pillars of scientific inquiry.

Dr. B. Sateesh, a renowned expert from Sanofi India Limited, graced the occasion as the keynote speaker. In his insightful presentation, Dr. Sateesh demystified the often-daunting concepts of biostatistics and research methodology, making them accessible for a diverse audience. He provided a comprehensive overview of:

- Basic statistical concepts and data analysis techniques
- Designing and conducting effective research studies
- Analyzing and interpreting research data
- Communicating research findings through scientific writing

Dr. Sateesh's presentation was engaging and interactive, peppered with real-world examples from his own experience in clinical research. He shared practical tips and best practices, emphasizing the importance of statistical rigor and methodological soundness in conducting meaningful research.

Following the presentation, an interactive Q&A session provided participants with the opportunity to clarify their doubts and seek further guidance on specific aspects of biostatistics and research methodology. Principal Smt. V.Jyothi delivered the opening speech, emphasizing the crucial role of biostatistics and research methodology in scientific research and its applications across various fields. Dr. S. Hemalatha, the coordinator, expressed her gratitude to all participants and speakers for their valuable contributions to the seminar's success.

Workshop on Research Ethics

- Date: 5/7/2019
- Title: Workshop on Research Ethics
- Speaker: Prof. V. Malla Reddy, Retired Professor of Pharmacy, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, Telangana, INDIA
- Venue: SNVPMV
- Coordinator: Mrs. R.V.S. Latha Sree
- Participants: 250

The workshop on Research Ethics was held on 5/7/2019 at SNVPMV. The workshop was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Mrs. R.V.S. Latha Sree. The keynote speaker was Prof. V. Malla Reddy, Retired Professor of Pharmacy, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, Telangana, INDIA. Prof. Reddy gave a presentation on the importance of research ethics in the pharmaceutical industry. He also discussed the different ethical principles that should be followed in research, such as informed consent, confidentiality, and conflict of interest.

The workshop was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of research ethics in ensuring the quality and integrity of research. He also stressed the need for researchers to be aware of the ethical principles that should be followed in their work.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of research ethics education and awareness.

The workshop was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the workshop would help to raise awareness about research ethics and its importance.

Seminar on IPR in Pharma Industry

Date: 12-09-2019 ,Venue: Auditorium

Organized by: Department of Pharmaceutics

Number of Participants: 50

Opening Speech by: Principal Smt. V. Jyothi

Vote of Thanks by: Dr. B. Harika

Keynote Speaker:

- Dr. V. Rajesh, Associate Director, API Plus CPS Formulations, Dr. Reddy's Laboratories Ltd, Bachupally, Hyderabad

SNVPMV successfully organized a seminar titled "IPR in Pharma Industry" on September 12th, 2019, in the college auditorium. The seminar, spearheaded by the Department of Pharmaceutics, aimed to equip students, faculty, and industry professionals with comprehensive knowledge of IPR and its significance in the pharmaceutical sector.

Dr. V. Rajesh, a renowned expert from Dr. Reddy's Laboratories, graced the occasion as the keynote speaker. His insightful presentation explored the multifaceted aspects of IPR within the pharmaceutical industry. He delved into the legal framework surrounding patents, trademarks, and copyrights, emphasizing their role in protecting intellectual property and fostering innovation. Dr. Rajesh provided practical insights into the challenges and opportunities associated with IPR management in the dynamic world of pharmaceuticals.

Following the keynote address, an interactive Q&A session allowed participants to engage with Dr. Rajesh and seek clarification on specific aspects of IPR relevant to their fields. The lively discussion fostered a deeper understanding of the complexities and nuances of IPR, enriching the learning experience for all attendees. Principal Smt. V. Jyothi delivered the opening speech, highlighting the crucial role of IPR in safeguarding the research and development efforts of pharmaceutical companies. She commended the Department of Pharmaceutics for organizing such a timely and informative seminar. Dr. B. Harika, the coordinator, expressed her gratitude to all participants and speakers for their valuable contributions to the seminar's success.

Programme Report

Seminar on Innovating for Success: Navigating the Future of Pharmaceutical Entrepreneurship

Date: 7-10-2019, Venue: Auditorium

Organized by: Department of Chemistry

Number of Participants: 50

SNVPMV successfully hosted a seminar titled "Seminar on Innovating for Success: Navigating the Future of Pharmaceutical Entrepreneurship" on October 7th, 2019, in the college auditorium. The seminar, organized by the Department of Chemistry, aimed to inspire and equip students and aspiring entrepreneurs with the knowledge and skills required to thrive in the dynamic and innovative landscape of pharmaceutical entrepreneurship.

Dr. M. Sunitha Reddy, a renowned expert from JNTU-H, graced the occasion as the keynote speaker. In her inspiring presentation, Dr. Reddy delved into the exciting world of pharmaceutical entrepreneurship, highlighting its immense potential for generating innovative solutions and contributing to healthcare advancement. She provided a roadmap for success, encompassing:

- Identifying unmet medical needs and market opportunities
- Developing novel pharmaceutical products and technologies
- Building a strong entrepreneurial team and securing funding
- Navigating regulatory hurdles and intellectual property challenges

Dr. Reddy's presentation was rich with practical insights and real-world examples, drawing from her own experience in academia and the pharmaceutical industry. The audience, comprising students, faculty, and potential entrepreneurs, was captivated by her enthusiasm and the practical advice she offered.

Following the keynote address, an interactive Q&A session allowed participants to seek further guidance and engage in discussions about specific challenges and opportunities within the realm of pharmaceutical entrepreneurship. Principal Smt. V. Jyothi delivered the opening speech, emphasizing the importance of nurturing entrepreneurial spirit and innovation among students. Dr. S. Hemalatha, the coordinator, expressed her gratitude to all participants and speakers for their valuable contributions to the seminar's success.

Report: National Conference on The Future of Pharma Entrepreneurship: Trends, Opportunities and Challenges.

Number of Participants: 50

SNVPMV successfully hosted a thought-provoking National Conference titled "The Future of Pharma Entrepreneurship: Trends, Opportunities and Challenges" on October 30th, 2019, in the college auditorium. The conference, meticulously organized by the Department of Analysis and coordinated by Dr. B. Harika and Dr. S. Hemalatha, gathered prominent experts to explore the dynamic landscape of Pharma Entrepreneurship, inspiring and equipping aspiring entrepreneurs with valuable insights.

- Prof. Y. Madhusudhan Rao, Professor of Pharmacy, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, Telangana:
 - Title of Talk: Current Scenario of Pharma Entrepreneurship

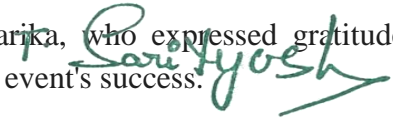

Prof. Rao shed light on the current state of Pharma Entrepreneurship in India, providing a comprehensive overview of existing players, market trends, and regulatory frameworks. He analyzed the challenges faced by aspiring entrepreneurs, such as resource constraints, stiff competition, and navigating complex regulations.

- Dr. B. Madhava Reddy, Principal & Professor, G.Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad:
 - Title of Talk: Think, Plan & Start-up!!

Dr. Reddy delivered an inspirational presentation, urging participants to embrace the entrepreneurial spirit. He provided a practical roadmap for aspiring entrepreneurs, guiding them through the steps of conceptualizing, planning, and launching their own pharmaceutical ventures. He emphasized the importance of identifying viable market gaps, building strong teams, and securing funding to achieve success.

Following each presentation, engaging Q&A sessions allowed participants to delve deeper into specific aspects of Pharma Entrepreneurship and seek clarification from the esteemed speakers.

The conference concluded with a vote of thanks by Dr. B. Harika, who expressed gratitude to all participants, speakers, and organizers for their contributions to the event's success.

Event Report

Research Paper Writing

- Date: 21/11/2019
- Title: Workshop on Research Paper Writing
- Speaker: Prof. G. Achaiah, Professor of Pharmacy, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, Telangana, INDIA
- Venue: SNVPMV
- Coordinator: Dr. S. Anuradha
- Principal: Dr. Saritha Jyotsna
- Vice-Principal: Dr. T. Mamatha
- Director: Dr. N. Srinivas
- Participants: 200

The workshop on Research Paper Writing was held on 21/11/2019 at SNVPMV. The workshop was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Dr. S. Anuradha. The keynote speaker was Prof. G. Achaiah, Professor of Pharmacy, University College of Pharmaceutical Sciences, Kakatiya University, Warangal, Telangana, INDIA. Prof. Achaiah gave a presentation on the different aspects of research paper writing, such as the research question, the literature review, the methodology, the results, and the discussion. He also discussed the importance of writing a clear and concise research paper.

The workshop was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of research paper writing in the pharmaceutical industry. He also stressed the need for pharmaceutical scientists to be able to write clear and concise research papers.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of continuing education and training for pharmaceutical scientists.

The workshop was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the workshop would help to improve the research paper writing skills of the participants.

The workshop was well-attended by students, faculty, and professionals from the pharmaceutical industry. The participants found the workshop to be informative and helpful. They appreciated the opportunity to learn from an expert in the field of research paper writing.

The workshop was a valuable resource for the participants. It helped them to gain a better understanding of the different aspects of research paper writing. It also highlighted the importance of writing a clear and concise research paper.

Report: National Conference on Pharma Industry-Pharmaceutical Research & Innovations

Date: 18th December 2019, Venue: Auditorium, SNVPMV

Number of Participants: 50

SNVPMV hosted a successful National Conference titled "Pharma Industry-Pharmaceutical Research & Innovations" on 18th December 2019, bringing together distinguished researchers and industry experts to explore crucial aspects of pharmaceutical research and development.

- Dr. N. Prasad, Associate Professor, University College of Pharmaceutical Sciences, Kakatiya University:
 - Title of Talk: Innovations to Industry-The Challenges Encountered!

Dr. Prasad's presentation delved into the intricate relationship between innovative pharmaceutical research and the realities of the industry. He shed light on the challenges faced in bridging the gap between groundbreaking discoveries and their successful translation into marketable products. The presentation sparked an engaging discussion on overcoming regulatory hurdles, optimizing research and development processes, and fostering effective collaboration between academia and industry.

- Dr. R.G. Kulkarni, Associate Professor, Bharati Vidyapeeth (Deemed to be University), Poona College of Pharmacy, Pune:
 - Title of Talk: Recent Trends & Developments in Indian Pharma Industry

Dr. Kulkarni provided a comprehensive overview of the current landscape of the Indian pharmaceutical industry, highlighting its significant contributions to global healthcare and its potential for future growth. He shed light on emerging trends such as biopharmaceuticals, personalized medicine, and artificial intelligence, emphasizing their impact on shaping the future of pharmaceutical research and development in India.

Following each presentation, interactive Q&A sessions allowed participants to engage with the speakers, clarifying doubts and seeking further insights into specific areas of interest.

The conference concluded with a vote of thanks by Mrs. R.V. S. Lathasree, who expressed gratitude to all participants, speakers, and organizers for their contributions to the event's success.

- Participants: 200

The seminar on Code of Pharmaceutical Ethics was held on 3/1/2020 at SNVPMV. The seminar was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Mrs. M. Rajeshwari. The keynote speaker was Prof. G. Krishna Mohan, Professor of Pharmacy, Institute of Science and Technology (IST), JNTU-H, Kukatpally, Hyderabad. Prof. Mohan gave a presentation on the Code of Pharmaceutical Ethics, which is a set of guidelines for pharmacists to follow in their professional practice. He also discussed the importance of ethics in the pharmaceutical industry and how pharmacists can uphold the highest ethical standards.

The seminar was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of ethics in the pharmaceutical industry. He also stressed the need for pharmacists to be aware of the Code of Pharmaceutical Ethics and to follow its guidelines.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of ethics education and awareness in the pharmaceutical industry.

The seminar was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the seminar would help to raise awareness about the Code of Pharmaceutical Ethics and its importance.

Report on Ethical Considerations in Pharmaceutical Research and Development

Date: 20th January 2020

Venue: Auditorium, SNVPMV

Number of Participants: 50

Keynote Speaker:

- Dr. A. Rajanna, Scientist-D, National Institute of Nutrition-ICMR , Tarnaka, Secunderabad.

SNVPMV successfully conducted a thought-provoking seminar titled "Seminar on Ethical Considerations in Pharmaceutical Research and Development" on January 20th, 2020, in the college auditorium. The seminar, spearheaded by the Department of Pharmaceutics and coordinated by Dr. B. Harika, aimed to equip students, researchers, and faculty with a strong understanding of the ethical principles and practical considerations guiding pharmaceutical research and development.

Dr. A. Rajanna, a renowned scientist from the National Institute of Nutrition-ICMR, graced the occasion as the keynote speaker. In his insightful presentation, Dr. Rajanna delved into the complex landscape of ethical considerations within pharmaceutical research.

Dr. Rajanna's presentation was enriched with real-world examples and case studies, prompting critical reflection on the ethical challenges faced in the pharmaceutical industry. He emphasized the importance of adhering to ethical guidelines and regulations to ensure research is conducted responsibly and safeguards the rights and well-being of all participants.

Following the presentation, an engaging Q&A session allowed participants to delve deeper into specific ethical concerns, such as placebo use in clinical trials, data manipulation, and conflicts of interest. Principal Smt. V.Jyothi delivered the opening speech, highlighting the ethical imperative of upholding the highest standards in pharmaceutical research and development. Dr. B. Harika, the coordinator, expressed her gratitude to all participants and speakers for their valuable contributions to the seminar's success.

Event Report

Seminar on IPR & IP management for start-up

- Date: 7/2/2020
- Title: Seminar on IPR & IP management for start-up
- Speakers: Dr. M. Sunitha Reddy, Associate Professor & HOD, CPS, Institute of Science and Technology (IST), JNTU-H, Kukatpally, Hyderabad
- Venue: SNVPMV Auditorium.
- Coordinator: Dr. B. Harika
- Participants: 180
- Principal: Dr.V. Jyothi

The seminar on IPR & IP management for start-up was held on 7/2/2020 at SNVPMV. The seminar was organized by the Department of Management Studies and was co-ordinated by Dr. B. Harika. The keynote speaker was Dr. M. Sunitha Reddy, Associate Professor & HOD, CPS, Institute of Science and Technology (IST), JNTU-H, Kukatpally, Hyderabad. Dr. Reddy gave a presentation on the importance of intellectual property protection for start-ups. She also discussed the different types of intellectual property protection available and how to obtain it.

The seminar was presided over by Dr. V. Jyothi, Principal, SNVPMV. Mam welcomed the participants and highlighted the importance of intellectual property protection for start-ups. She also stressed the need for start-ups to have a strong IP management system in place.

The seminar was well-attended by students, faculty, and entrepreneurs from the city. The participants found the seminar to be informative and helpful. They appreciated the opportunity to learn more about intellectual property protection and how it can help start-ups succeed.

In addition to the keynote address, the seminar also included a panel discussion with experts from the fields of law, business, and technology. The panelists discussed the challenges and opportunities of intellectual property protection for start-ups.

The seminar was a valuable resource for the participants. It provided an opportunity to learn about the different types of intellectual property, how to protect it, and the importance of intellectual property management. I would recommend that SNVPMV continue to organize seminars on these topics in the future.

Report on From Bench to Business: Strategies for Translating Pharmaceutical Research into Profitable Ventures

Date: 17th February 2020, Venue: Auditorium, SNVPMV

Number of Participants: 50

Keynote Speaker:

- Dr. V. Venkateshwarlu, Managing Director, Neuheit Pharma Technologies Pvt. Ltd., Kukatpally, Hyderabad.

SNVPMV successfully hosted a thought-provoking seminar titled "From Bench to Business: Strategies for Translating Pharmaceutical Research into Profitable Ventures" on February 17th, 2020, in the college auditorium. The seminar, meticulously organized by the Department of Chemistry under the guidance of Dr. T. Saritha Jyostna, aimed to bridge the gap between scientific research and the realities of the pharmaceutical industry.

Dr. V. Venkateshwarlu, a seasoned entrepreneur and Managing Director of Neuheit Pharma Technologies, graced the occasion as the keynote speaker. In his insightful presentation, Dr. Venkateshwarlu drew upon his extensive experience to demystify the journey from promising research discoveries to commercially successful pharmaceutical ventures. He covered:

- Identifying and validating drug candidates with market potential.
- Navigating the complex regulatory landscape and securing funding for drug development.
- Building and managing a strong team with expertise in pharmaceutical development and commercialization.
- Developing effective marketing and distribution strategies to reach the target market.

Dr. Venkateshwarlu's presentation was rich with practical advice and real-world examples, drawing from his own successes and challenges in taking innovative pharmaceuticals to market. He emphasized the importance of combining scientific rigor with a keen understanding of business principles and market dynamics.

Following the presentation, an interactive Q&A session provided participants with the opportunity to seek further guidance on specific aspects of translating research into profitable ventures. Dr. T. Saritha Jyostna,

Report on Intellectual Property – A Key Factor for National Growth

Number of Participants: 50

Keynote Speaker: Dr. B. Shireesha, Associate Professor, Department of Pharmaceutical Chemistry, Telangana University, Nizamabad.

SNVPMV successfully hosted a thought-provoking seminar titled " Intellectual Property – A Key Factor for National Growth" on March 3rd, 2020, in the college auditorium. The seminar, meticulously organized by the Department of Pharmacognosy under the guidance of Dr. P. Praneetha, aimed to shed light on the crucial role of intellectual property (IP) in fostering innovation and driving national economic progress.

Dr. B. Shireesha, a renowned expert from Telangana University, graced the occasion as the keynote speaker. In her insightful presentation, Dr. Shireesha delved into the multifaceted world of IP, exploring its different aspects and highlighting its vital contribution to national growth. She covered:

- Understanding the core concepts of intellectual property protection, including patents, trademarks, copyrights, and trade secrets.
- Analyzing the impact of a robust IP regime on promoting innovation, attracting foreign investment, and creating high-skilled jobs.
- Examining the challenges and opportunities India faces in strengthening its IP infrastructure and effectively utilizing its potential for national development.
- Discussing case studies of successful IP-driven innovation across various sectors, including pharmaceuticals, biotechnology, and information technology.

Dr. Shireesha's presentation was engaging and interactive, captivating the audience with real-world examples and encouraging critical thinking about the importance of IP protection. She emphasized the need for a balanced approach to IP, ensuring appropriate regulations that nurture innovation while safeguarding public welfare.

Following the presentation, a lively Q&A session allowed participants to clarify their doubts and seek further insights into specific aspects of IP, such as patent filing procedures, IP litigation, and the ethical considerations surrounding IP protection. Principal Smt. V.Jyothi delivered the opening speech, emphasizing the significance of IP awareness and education in promoting a culture of innovation within the nation. Dr. P. Praneetha, the coordinator, expressed her gratitude to all participants and speakers for their valuable contributions to the seminar's success.
