Event Report

Seminar on Basic Concepts of Research and its Methodology

- Date: 19/12/2020
- Title: Seminar on Basic Concepts of Research and its Methodology
- Speaker: Dr. A. Rajanna, Scientist-D, Cell Biology, NIN, Hyderabad
- Venue: SNVPMV
- Coordinator: Dr. C. Krishnaveni
- Principal: Dr. Saritha Jyotsna
- Vice-Principal: Dr. T. Mamatha
- Director: Dr. N. Srinivas
- Participants: 200

The seminar on Basic Concepts of Research and its Methodology was held on 19/12/2020 at SNVPMV. The seminar was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Dr. C. Krishnaveni. The keynote speaker was Dr. A. Rajanna, Scientist-D, Cell Biology, NIN, Hyderabad. Dr. Rajanna gave a presentation on the basic concepts of research, such as the research question, the hypothesis, the research design, and the data analysis. He also discussed the different methods of research, such as experimental research, observational research, and survey research.

The seminar was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of research in the pharmaceutical industry. He also stressed the need for pharmaceutical scientists to be familiar with the basic concepts of research.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of continuing education and training for pharmaceutical scientists.

The seminar was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the seminar would help to improve the research skills of the participants.

The seminar was well-attended by students, faculty, and professionals from the pharmaceutical industry. The participants found the seminar to be informative and helpful. They appreciated the opportunity to learn from an expert in the field of research methodology.

The seminar was a valuable resource for the participants. It helped them to gain a better understanding of the basic concepts of research and its methodology. It also highlighted the importance of research in the pharmaceutical industry.

Event Report

Seminar on IPR-an over view

- Date: 12/3/2021
- Title: Seminar on IPR-an over view
- Speakers: Prof. A. Raghuram Rao, Former Director NIPER, S.A.S. Nagar, Mohali, Punjab
- Venue: SNVPMV Auditorium.
- Coordinator: Dr. K. Shantha Kumari
- Participants: 200
- Principal: Dr. Saritha Jyotsna
- Vice-Principal: Dr. T. Mamatha
- Director: Dr. N. Srinivas

The seminar on IPR-an over view was held on 12/3/2021 at SNVPMV. The seminar was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Dr. K. Shantha Kumari. The keynote speaker was Prof. A. Raghuram Rao, Former Director NIPER, S.A.S. Nagar, Mohali, Punjab. Prof. Rao gave a comprehensive overview of intellectual property rights (IPR), including patents, copyrights, trademarks, and trade secrets. He also discussed the importance of IPR for businesses and individuals.

The seminar was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of IPR for innovation and economic development. He also stressed the need for businesses and individuals to be aware of their IPR rights and how to protect them.

The seminar was well-attended by students, faculty, and entrepreneurs from the city. The participants found the seminar to be informative and helpful. They appreciated the opportunity to learn more about IPR and how it can protect their ideas and creations.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of IPR education and awareness.

The seminar was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the seminar would help to raise awareness about IPR and its importance.

The seminar was a valuable resource for the participants. It provided an opportunity to learn about the different types of IPR, how to protect it, and the importance of IPR management. I would recommend that SNVPMV continue to organize seminars on these topics in the future.

Event Report

Seminar on Foundation of Ethical Decision Making

- Date: 20/4/2021
- Title: Seminar on Foundation of Ethical Decision Making
- Speaker: Dr. Jayant Hole, Veterinarian In-Charge, Animal House Facility (Scientist D), National Institute of Animal Biotechnology (NIAB), Gachibowli, Hyderabad
- Venue: SNVPMV
- Coordinator: Dr. T. Venu
- Participants: 250

The seminar on Foundation of Ethical Decision Making was held on 20/4/2021 at SNVPMV. The seminar was organized by the Department of Pharmaceutical Sciences and was co-ordinated by Dr. T. Venu. The keynote speaker was Dr. Jayant Hole, Veterinarian In-Charge, Animal House Facility (Scientist D), National Institute of Animal Biotechnology (NIAB), Gachibowli, Hyderabad. Dr. Hole gave a presentation on the foundation of ethical decision making, which is a set of principles that can be used to make ethical decisions. He also discussed the importance of ethical decision making in the pharmaceutical industry and how pharmacists can make ethical decisions in their professional practice.

The seminar was presided over by Dr. N. Srinivas, Director, SNVPMV. He welcomed the participants and highlighted the importance of ethical decision making in the pharmaceutical industry. He also stressed the need for pharmacists to be aware of the foundation of ethical decision making and to apply it in their work.

The event began with a welcome note by the Principal, Dr. Saritha Jyotsna. She thanked the speakers and participants for their presence. She also highlighted the importance of ethics education and awareness in the pharmaceutical industry.

The seminar was followed by a vote of thanks by the Vice-Principal, Dr. T. Mamatha. She thanked the speakers, participants, and organizers for their efforts. She also expressed her hope that the seminar would help to raise awareness about the foundation of ethical decision making and its importance.

Report on Drug Development Process and Role of IPR in R&D Industry

Date: 17th June 2021, Venue: Auditorium, SNVPMV

Number of Participants: 50

Keynote Speaker: Dr. A. Ramkishan, Deputy Drugs Controller (India), CDSCO, Hyderabad.

Topic: Drug Development Process and Role of IPR in R&D Industry

SNVPMV successfully hosted a captivating seminar titled "Drug Development Process and Role of IPR in R&D Industry" on June 17th, 2021, in the college auditorium. The seminar, meticulously organized by the Department of Pharmaceutics under the guidance of Dr. N. Srinivas, aimed to shed light on the intricate stages of drug development and the crucial role of intellectual property rights (IPR) in protecting innovation within the pharmaceutical industry.

Dr. A. Ramkishan, a distinguished professional with the Central Drugs Standard Control Organization (CDSCO), graced the occasion as the keynote speaker. In his insightful presentation, Dr. Ramkishan provided a comprehensive overview of the drug development process, traversing from pre-clinical research through clinical trials and regulatory approvals to market launch and post-marketing surveillance. He delved into:

- The various stages of drug development, including target identification, drug discovery, pre-clinical testing, clinical trials (Phases I-IV), and regulatory procedures.
- The intricate interplay between scientific research, regulatory requirements, and commercial considerations throughout the drug development journey.
- The essential role of IPR in protecting the intellectual property of pharmaceutical companies, including patents, trademarks, and copyrights.
- The impact of IPR on encouraging research and development, attracting investments, and ensuring fair competition in the pharmaceutical market.

Dr. Ramkishan's presentation was enriched with real-world examples and case studies, providing participants with a nuanced understanding of the challenges and complexities faced in bringing a new drug to market. He emphasized the importance of ethical considerations, patient safety, and regulatory compliance throughout the drug development process. Following the presentation, an engaging Q&A session allowed participants to delve deeper into specific aspects of drug development and IPR. Dr. N. Srinivas, the coordinator, expressed his gratitude to all participants and speakers for their valuable contributions to the seminar's success.
