Report on HARITHA HARAM

Haritha haram was organized by the students of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) that promotes environmental awareness and sustainability on 28.1.2021. The mission of Haritha haram is to create a more sustainable and eco-friendly campus. About 100 members participated in this program.

This program has been started by Dr. V. Jyothi, Principal, SNVPMV by giving a valuable information regarding tree plantation and its importance to the environment. On this occasion staff, students and other neighbouring institution students have actively involved in planting new plants in and around the campus.

Haritha haram has had a positive impact on SNVPMV. The organization has helped to reduce waste, conserve energy and water, and increase environmental awareness among students. Haritha haram is a valuable asset to SNVPMV. The organization is making a positive difference in the environment and is helping to educate students about the importance of sustainability.

Report on

Awareness on zero waste production on the occasion of World Environment Day

Date: Friday, 5.6.2021 Time: 9:00 AM, Location: Murtuzaguda Village in Moinabad

On the occasion of World Environment Day, this year, our focus is on raising awareness about zero waste production—a critical component in modifying environmental degradation and fostering a healthier planet. The event began with a brief address by Dr. B. Prabha Shankar, Chairman, SNVPMV stating that Zero waste production emphasizes the principles of reducing, reusing, and recycling materials to minimize environmental impact. The adoption of zero waste practices not only conserves natural resources but also reduces pollution and greenhouse gas emissions.

Public awareness plays a crucial role in driving the adoption of zero waste practices. Through educational campaigns, workshops, and community engagement activities, individuals are empowered to make sustainable choices in their daily lives.

Overall, the World Environment Day event was a positive and productive event. It raised awareness about the importance of zero waste production.

REPORT ON “Training program & Practise of Yoga on International Day of Yoga”

Date: 21 June 2021, Time: 8:00 AM

Venue: Parade grounds, Secunderabad.

The program began with a welcome address by Dr. V. Jyothi, principal of the college. She spoke about the importance of yoga and its benefits for physical and mental health. She also stressed the need to promote yoga among young people.

The program then featured a demonstration of yoga poses by a certified yoga instructor. The instructor demonstrated a variety of poses, including sun salutations, standing poses, and seated poses. She also explained the benefits of each pose.

After the demonstration, the students were invited to participate in a yoga session. The session was led by the yoga instructor and lasted for about 30 minutes. The students enjoyed the session and found it to be a great way to start their day.

The program was a great success and was well-received by the students and faculty. The college plans to continue celebrating International Day of Yoga in the future.
