Awareness program on the occasion of Pink Ribbon day

Date: 6-10-22

Venue: Nacharam School

Awareness program on the occasion of Pink Ribbon day was conducted to IX class students in a government school in Nacharam in association with IPA-SF, SNVPMV. This occasion serves as a powerful reminder of the importance of early detection, research, and support for those affected by breast cancer. It helps the students to understand the breast cancer and we instructed the students to educate the people. Students

The pink ribbon, a simple yet impactful symbol, represents hope, courage, and solidarity in the fight against breast cancer. It signifies the millions of individuals who have been diagnosed with this disease, the countless survivors who continue to inspire, and the unwavering commitment to finding a cure.

Cardiopulmonary Resuscitation (CPR) Awareness and Training

VENUE: Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya

Date:29/09/22

Introduction:

On September 29, 2022, Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya organized a CPR (Cardiopulmonary Resuscitation) awareness and training event aimed at equipping students with life-saving skills. The event was conducted in collaboration with local medical professionals to educate students about CPR techniques and empower them to respond effectively in emergency situations.

Event Details:

The event commenced with an introductory session outlining the importance of CPR in saving lives during cardiac emergencies. Emphasizing the significance of prompt intervention, the trainers highlighted the role of CPR in maintaining vital organ perfusion until professional medical assistance arrives.

Following the introduction, expert doctors provided comprehensive training on CPR techniques, including chest compressions and artificial ventilation. Through interactive demonstrations and hands-on practice sessions, students were guided on proper hand placement, compression depth, and rhythm to ensure effective CPR administration.

The training sessions were tailored to suit the diverse backgrounds and learning styles of the participants, fostering an inclusive and engaging learning environment. Students were encouraged to ask questions and seek clarification, promoting active participation and understanding of CPR principles.

RASHTRIYA EKTHA DIWAS

31-10-2022

Venue: From SNVPMV to Osmania University

Rally was conducted by NSS unit of SNVPMV on the occasion of Rashtriya Ektha diwas from college to Osmania University with 110 students.

Every year on October 31st, India celebrates Ektha Diwas, or National Unity Day. This day commemorates Patel, who played a key role in the political unification of India after Independence. Sardar Patel: The Iron Man of India. Sardar Patel was born in 1875 in Nadiad, Gujarat. He was a lawyer by profession, but he is best known for his political achievements. He was a strong advocate for Indian independence, and he played a key role in the Quit India Movement of 1942.

After India gained independence in 1947, Patel was appointed the first Home Minister of the country. He was responsible for the task of integrating the princely states into the Indian Union. He was successful in achieving this goal, and he is often referred to as the "Iron Man of India" for his determination and perseverance.

Awareness program about road safety on the occasion of NATIONAL ROAD SAFETY WEEK-2023

Date: 03-01-2023

NSS Unit, SNVPMV conducted awareness program about road safety on the occasion of “NATIONAL ROAD SAFETY WEEK” on 03/01/2023

National Road Safety Week, observed from January 11th to 17th, serves as a critical reminder of the importance of safe driving practices and creating a responsible road environment. This week-long campaign, spearheaded by the Ministry of Road Transport and Highways (MoRTH), aims to generate awareness and promote initiatives that can significantly reduce road accidents and fatalities.

India faces a stark reality on its roads. Despite consistent efforts, the country still grapples with a high number of road accidents, often claiming countless lives. According to MoRTH statistics, close to 1.5 lakh people perished in road accidents in 2021 alone. These alarming figures underscore the urgency of promoting responsible behavior on the road.

NATIONAL SCIENCE DAY-2023

“Global Science for Global Wellbeing”

28th February, 2023

Time: 11.00 AM

The National Science Day 2023 was celebrated on 28th February with the current year's theme – “Global Science for Global Wellbeing” organized by **NSS UNIT, SNVPMV** with the gathering of 220 people.

The program commenced sharp at 11:00 am. Ms. Akanksha of Pharm D 4th year invited the guest speaker, Dr. Lingaiah, Scientist, IICT, Hyderabad onto the Dais, and requested to deliver his note on the eve of National Science Day.

At 11.10 am Dr. Lingaiah, started the session by greeting the students and all the gathering. Sir mentioned the importance of ‘The National Science Day’ which is celebrated in honour of Indian physicist, Sir Chandrasekhara Venkata Raman, and his Nobel Prize-winning discovery of the Raman Effect. He also described the Rs.7 Noble Laureate story on Prof. Subramanyan Chandrashekar, Noble Laureate-1983, Astrophysicist who discovered that massive stars can collapse under their own gravity to reach enormous or even infinite densities which are called as Neutron stars and black holes. Sir gave a deep insight on the contributions made by his institution, CSIR-IICT, CCMB on various research activities and projected few research findings like development of KUDOS CM9, 1st world ayurvedic anticancer drug, obtaining various US patents for Anti-cancer, Antibiotic, Anti-infection medicines from pregnant cow urine. Sir appreciated the role of IICT for helping the Bharat Biotech in developing the potent vaccine, Covaxin. The students were so enthusiastic and ardent in listening to him.

Sir then gave a brief insight on his research interests on the development of anti-cancer and anti-tubercular drugs which are in clinical trials now. He also gave the statistics on the number of people suffering from the cancer and tuberculosis worldwide and emphasized that he along with his team members are striving to develop new drug molecules for the treatment of cancer and tuberculosis at an affordable prize.

A REPORT ON FREE DENTAL CHECK-UP CAMP

On dated 06/03/2023, Sparkles Dental Hospital, Lalapet, Secunderabad” has conducted free dental checkup camp on the occasion of International Women's Day-2023.

Place: - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women campus

Time: - 10 am – 4.30 pm

Guest: - Dr. Prathibha MDS & Team

Prosthodontist & Implantologist

"A genuine smile comes from the heart, but a healthy smile needs good dental care." Sparkles Dental Hospital, organized a free dental checkup and awareness camp in the Sarojini Naidu Vanita Pharmacy Maha Vidyalaya College for Women campus premises. where Dr. Prathiba MDS with her team has addressed about good oral hygiene and suggested them ways to maintain it. She explained goals of dental checkup and conducted free dental check-up in Virtual Pharmacy of our college.

At the dental check-up the dentist examined the gums and teeth. If there are any cavities that are being formed the dentist were given the advice for cavity removal. Later, checks for tartar or plaque that is formed on the teeth and gave advice for removal.

Approximately 400 students, from all the branches came for the Dental Checkup and faculty also involved. Doctors advised them brush twice a day; visit the dentist twice a year. Because only a dentist will see and understand the oral and dental issues that have formed in your mouth. The dentist’s well-examination will identify any types of decays that are present. And those won’t be visible until they become severe and cause pain till it reaches an advanced stage. For the well-treatment of oral health issues, the sooner the problem is found the better it can be managed. 07-03-2023 07-03-2023

**“HEALTH AWARENESS PROGRAM AT MURTUZAGUDA & AMDAPURVILLAGE-
MOINABAD”**

Date: 26th June 2023 to 27th June 2023

Introduction: The IPA-SF SNVPMV STUDENT CHAPTER organized a Health Camp at Murtuzaguda and Amdapur Village in Moinabad. The camp aimed to provide healthcare services, raise awareness about various health issues, and educate the villagers, especially students, about the importance of health and hygiene. The camp was held over two days, and a total of 68 students and 10 faculty members (Dr. T Mamatha, Dr. S. Hemalatha, Dr.T.Venu, Mrs. G.Srilalitha, Mrs. A. Shailaja, Mrs. P. Kavitha, Dr. M Shivarama Krishna, Dr. Jitender, Mr.Suresh, Mr. Sreekanth) participated in the event.

Preparations at SNVPMV campus on 24th of June: All necessary materials for the camp were purchased, including distribution supplies like bananas, first aid kit, and sanitary pads. One day before the camp, pamphlets were strategically distributed throughout the village to create awareness about the forthcoming health camp. A meeting was held among the council members, mentors to discuss the pertinent topics and plan the camp. Eye-catching Banners and posters were printed to effectively promote the event and raise awareness.

Journey to Murtuzguda Village from SNVPMV campus on 25th June : First day the journey to Royal Leesha Convention - Murtuzguda village, where the entire team was going to be accommodated, started at 1:30 PM from the college on 25 th june. The trip was filled with music and dance, and it created many memorable moments and the reached MURTUZGUDA Village Royal Leesha convention at 3:30 PM.

At Royal Leesha Convention, the students were delighted with the facilities provided to them like a swimming pool, camp-fire, delicious food and various sports. The facilities provided by our beloved Chairman sir were impeccable.

DAY 1 OF HEALTH AWARENESS PROGRAM

On the second day, the students and faculty reached Murtuzaguda Village by 10:00 AM. The students divided themselves into groups based on the topics that were assigned to them. They actively engaged with the villagers, creating awareness about the health and its overarching objectives.

The health camp commenced with comprehensive health check-ups, encompassing vital measurements such as blood pressure and sugar levels. Each villager was provided with a well-equipped first aid kit, and personalized medical counselling sessions were conducted by various student groups. Prominent members including the President of IPA Telangana State Branch, Dr. B. Prabha Shankar, the Secretary of SNVPMV, V. Sainath Dayaker Shastri, and the Treasurer of SNVPMV, Sri. V. Jairaj actively participated in the health camp and encouraged the villagers. Additionally, Mr.K. Siddaiah, the Sarpanch of Murtuzaguda Village, actively contributed to the camp.

DAY 2 OF HEALTH AWARENESS PROGRAM

Educational school visit, on the third day, the students and faculty reached Zilla Parishad School in the village premises by 9:00 AM. The students were divided into 17 groups, each consisting of four students. These groups visited different classrooms and delivered detailed explanations about the importance of health, hygiene, physical fitness, and cleanliness to the students. The students also provided information on careers in pharmacy, such as B Pharmacy and Pharm D, including their duration and future prospects. The faculty members interacted with the principal and teachers of the school.

The IPA-SF SNVPMV STUDENT CHAPTER Health Awareness Program at Murtuzgauda Village in Moinabad was a successful event that provided essential healthcare services to the villagers. The camp also focused on educating students about health and hygiene, as well as creating awareness about career opportunities in the field of pharmacy. The active participation of faculty members, Chairman sir and local authorities added to the success of the health camp. The efforts of the IPA-SF and its members are commendable for organizing such a meaningful and impactful event.
