REPORT ON SEMINAR "THE CANCER"

Topic of the Event– Soft skill required for hospital pharmacist and seminar on cancer

Date &Time of Event –November 25th, 2021, 11.30am

Hosted by - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyderabad.

Venue- SNVPMV Auditorium

On 26th April 2023, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women, (Sponsored by The Exhibition Society) organized a Seminar on the topic "**THE CANCER**". The Guest Speaker for this Seminar was Dr. Vinod Maddi Reddy, DNB (FRCR) and team Sr. Consultant Radiation Oncologist, Director of Radiation Oncology, Medicover Hospital, HiTech City, Hyderabad.

The no. of participants who registered and attended the seminar was 100. The program started at 11.30am by inviting the dignitaries on Dias. Floral greeting to the speaker was given by B. Saharsha Reddy. Prayer song by Shivani and group at 11.45am, the welcome address given by Principal Dr. T. Saritha Jyostna at 12pm and followed by introduction of guest speaker, Dr. Vinod Maddi Reddy by Divya of PharmD 5th year

In the Session, which started at 12.05pm Sir discussed about the introduction of THE CANCER which included the Cancer definition, Hallmarks of the Cancer and what happens in Cancer for eg. Growth promotion, Cell death suppression, Angiogenesis, Telomere dysfunction and Replicative immortality, Invasion and Metastasis like metabolic rewriting, Immune evasion and Immuno therapy drugs. He activated the students by interacting with them throughout the session.

The Seminar concluded with the question and answer session and the participants clarified their doubts regarding the topic. Overall, the session was very informative and interactive among Dr. Vinod, faculty and students. Felicitation to the guest was done by the Principal Dr. T. Saritha Jyostna and HOD Dr.T. Venu

Finally, vote of thanks was given by Dr.T. Venu, HOD of Pharm D thanked the guest speaker, management and all the participants for making this Seminar successful.

Session was closed at 1.45Pm by Shivani and group with National Anthem.

REPORT ON TASK/ MSN LABORATORIES PVT LTD CAMPUS PLACEMENT

Event - Campus Selection

Hiring Organisation Name- Msn Laboratories Pvt Ltd

Place of Interview – Snvpmv

Way of Selection - 2 Rounds of Interview.

As a part of campus placement drive Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka has taken another step in structuring student's career and has invited MSN Laboratories, Hyderabad in association with Telangana Academy of Skill and Knowledge (TASK) for campus selection which has conducted campus interview for the students of B.Pharmacy IV Yr. On 1st June 2022 at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya for the vacancies of Production Department.

MSN Laboratories is a globally leading and reputed healthcare services provider with its branches all over world and India. TASK is created by government of Telangana for bringing synergy among institutions of government, industry and academia with an objective of offering quality human resources and services to the industry. As a part of its recruitment process, the team has conducted pool campus drive at SNVPMV.

Prior to the interview session the team has introduced themselves to the students and gave a brief information about the production, job's description, its necessity and importance in health sector, growth in the job, number of vacancies, interview process as well as displayed few supportive modules to the students. It continued to say that after the students get recruited, they will undergo the production training weekly 6 days for 30 days after which they are placed into production department job which will pay them 1,50,000/annum as a starting salary.

The interview process included 2 rounds:

- 1st round- Technical round
- 2nd round- Direct HR round

The interview has begun immediately after the pre-placement talk in SNVPMV board room at 1:00 pm.

REPORT ON WORKSHOP ON COMMUNICATION SKILLS & INTERVIEW SKILLS

Topic of the Event – Communication skills & Interview Skills

Date –3rd, 4th and 6th December 2021

Hosted by - Sarojini Naidu Vanita Pharmacy MahaVidyalaya, Tarnaka, Hyd.

Sarojini Naidu Vanita Pharmacy MahaVidyalaya, College for Women, (Sponsored by The Exhibition Society) in association with TASK, Telangana State branch has organized a workshop on the topic “Interview Skills” on 3rd, 4th and 6th December 2022. The Guest Speaker for the workshop was Mr. Marc, TASK Telangana.

These classes are titled 21st century transferable skills which were conducted by TELANGANA ACADEMY FOR SKILLS AND KNOWLEDGE where they taught about the intrapersonal, interpersonal skills of a person.

The first day of class has started with the game of counting numbers from 1-50 in two different batches where we were said to count 1-50 and which team count the fast with clarity of numbers are announced to be winners, where in this game we got to know about communication skills. Communication skills play a vital role in daily communication. We got to know that communication is never a one-way process, it is always a two-way process which means when information is passed the sender encodes it and the receiver decodes it.

For effective communication one should always listen effectively. There can be barriers to effective communication like noise, lack of eye contact, any kind of physical barrier, language barrier, etc.

Later on we gathered at the entrance of campus for an outdoor activity where we were said to count from 1-5 from the start to end of line, which lead us to divide into 5 teams like all ones in a group and all twos in a group and so on and later in each team were 5 players were selected and 4 players were blindfolded and 4 articles were placed at different places and one person in middle has to guide them to collect the articles and handover these to the person in the middle. The team which takes less time to complete the task has been announced as the winners.

In this activity we got to know what the difference between listening and hearing. Hearing means for example we hear sounds like telephone ringing, birds chirping, horns of vehicles etc., but we don't actively pay our attention to these sounds, even though we hear these. It's just our conscious attention, where listening is something done consciously that involves the analysis and understanding of sounds you hear which utilize energy. On forward of the session, we were said to witness a TED Talk show of Kiran Bedi where she verbalized how she remade one of India's toughest prisons of over 10,000 of prisoners into a community support without the government financial support. We continued with learning about how one should appear for an interview. How should one maintain their posture during the interview? How the attire should be for an interview?

We conclude day one with a task for the very next day of giving a presentation using a chart paper.

On the very next day (second day) we started the day with the chart presentation in groups and later we were taught about intra personal skills like expressions, emotions, change, etc., which says about internal ability of a person to know and discover him/herself. They made us understand how to handle your emotions, frustration, excitement, how to behave under stress etc. where sympathy means acknowledging that the other person is going through an emotional or physical struggle, supporting them and giving them comfort. Whereas for empathy is understanding what other people are feeling because you've had a similar experience yourself or you're able to put yourself in that situation. Later that day we were again called to the entrance of campus for another activity named land mines which are played against 2 different groups. In this game one team is supposed to walk through a set of numbers which were drawn on ground and the other team has to place mines in some order without the other team knowing so when team 1 steps on an number where they place a mine they gets eliminated and likewise which team members passes out the box with less eliminated players are announced winners. From this activity we got to know about critical thinking, how one should understand other feelings, how we should not step on others feelings or get them hurt knowingly or unknowingly.

We watched a video saying 'who stole my cheese' where we got to know that we should change according to the situations and surroundings if not the life get back with a powerful strike. For this to understand clearly, we were shown a picture of picnic items to carry from that we were supposed to note down 10 selected items. Later from that we were said to take of 4 items from list and then we were again placed in a group and told us to note down only 6 items which can further carry forward and all the items selected should be accepted by all the members and so on so that we have understood that if we don't change ourself if required along with us our surrounding people will also get affected in a bad way.

The third and the day started with an oral presentation on 2nd day topics eventually the instructor has said us to take a piece of paper and to sketch our dream car and write down the 3 unique qualities of the car.

List of the students attended

REPORT ON INTERACTIVE SESSION ON COMMUNICATION SKILLS AND RESEARCH

ACTIVITIES

Date & Time of Event –30th march 2022, 2:00 pm

Hosted by - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyd.

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women, (Sponsored by The Exhibition Society), has organized an interaction session with **Dr. Y. Madhusudhan Rao**, Director, Vaagdevi Group of institutions on 30th march 2022, 2:00 pm. Dr. T. Mamatha introduced Dr. Y. Madhusudhan Rao to the faculty, explained in brief about the facilities available in the college, new courses introduced in the college and to be introduced by the college in the coming year. She then started the interaction session by handing over the mic to Y.M Rao sir.

Dr. Y. Madhusudhan Rao Explained the importance of communication skills in research and carrier. He motivated students and staff to develop their communication skills for carrier growth.

Dr. Praneetha asked regarding phytosomes of Barbaloin and stability requirement in formulating a dosage form. Sir mentioned formulating it into novel drug delivery system. If Barbaloin has to be formulated into Transdermal patches, we have to know the criteria for drug selection and its limitations. Do a thorough literature survey before selection.

Mrs. Bhargavi asked about the type of dosage form to which the microspheres are to be converted. Whether it is capsule filling or tablet compression. Sir replied to convert into either tablet or capsule. It depends on the polymer and concentration selected.

Dr. Lavanya then asked sir about optimization techniques to be used in preparation of fast dissolving films, how to proceed in a stepwise manner. Dr. Y M Rao sir replied by choosing Box Behken method and in this 3x3 or 3x4 model.

Dr.Hyma also asked about the names of new polymers available now and being used in research and development. Sir answered to use Ikea gum, which gives rate-controlled drug release.

Dr. Mamatha mam asked sir whether patent can be filed if it is from national origin. Sir replied that any work can be patented if it's novel.

Mrs. Swetha asked sir how to standardize plant material. Dr. Prashanthi asked whether nanoparticles are advantageous over microspheres. Sir said that nanoparticles are advantageous over microspheres. Dr. Hyma asked about the name of a high-speed homogenizer to be procured. Sir told to buy Ultra Torrent.

Dr. Harika asked about the type of animals to be used for animal studies. Sir replied to use mice, rats, guinea pigs. He also mentioned to be careful when administering doses to animals. Use ingredients which are suitable to animals and doses sufficient to them. In animal experiments test with 1/100th of the dose. Sir told not to use Triton X- 100 as it is toxic to animals.

Dr. AshaJyothi asked how to write a project proposal for funding. Sir told to initially do thorough literature survey, patent search and then finalize the topic of project.

Dr. Mamatha asked the range of particle size and zeta potential optimum range for dosage forms. Madam also asked about the equipment for measuring adhesive strength and name of dissolution equipment. Madam asked about the type of advanced viscometer and stability chamber to be procured. Sir answered that zetapotential of 35mv is good and particle size depends on the dosage forms. Sir recommended using Mac Machine for adhesive studies and Lab India/Electrolab for dissolution equipment. Sir also mentioned to get Plate and Cone viscometer as it can be used for a wide range of viscosities and stability chamber of Electrolab Company.

Dr. Mamatha mam thanked Dr. Y.M Rao sir for patiently listening to all the queries and answering them. The interaction session ended at 4.30 PM.

REPORT ON 2K RUN

61st NATIONAL PHARMACY WEEK CELEBRATIONS - 2021 "Pharmacy of the world - India"

20th November, 2021 National Pharmacy Week Celebrations, 2021 were organized by the Indian Pharmaceutical Association, Telangana State branch in coordination with the Pharmacy Educational Institutions of Hyderabad. Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Organized 2K run on 20th Nov 2021 at Exhibition Grounds, Nampally. Event was started at 10:30 am in which students and faculty from various colleges have participated actively. Participants list is shown in the below table

The 2K run was flagged off by Dr. B. Prabha Shankar, President, IPA, Telangana State branch, Chairman SNVPMV, in which around 443 Students 40 Faculty have participated bringing all the pharmacy colleges on one platform making the event a grand success.

The 2K Run was conducted for the Boys, Girls, and Faculty separately, and for the faculty 1K Run was conducted.

Event was conducted in Two Rounds. From Preliminary round 12 students were selected for the second round. The winners of the competitions were given first, second, third and consolation prizes, whereas all the participants were given participation certificates to encourage them.

Anchors Lisa, Vaishnavi from B pharmacy and Hana Mariam, Brighty, Sidra, Neha, Nomita, Malavya, Seirah from Pharm D Invited the guests on to the dais, followed by floral greetings to the invited guests. Welcome address was given by Dr. B. Prabha Shankar, President – IPA Telangana state branch & Chairman –SNVPMV. Guest of Honour Sri Ashvin Margam, Vice President of Exhibition Society addressed the gathering. Key Note Address was given by Chief Guest ACP Mr. Venkat Reddy. Finally prizes for the 2K Run Winners was distributed by the chief guest Mr. Venkat Reddy. List of winners are enclosed in the below table.

From Boys the Winners are:

Prizes	Name of the Winners (Male)	Name of the College
1 st Prize	Mamidi Uday	Scient Institute of Pharmacy
2 nd Prize	Pagidipally Rajesh	Nalla Narsimha Reddy Educational Society's Group of Institutions

3 rd Prize	V.Yadagiri	KVK College of Pharmacy
4 th Prize	Nenta Sravan	Scient Institute of Pharmacy

From Girls the Winners are:

Prizes	S.No	Name of the Winners (Female)	Name of the College
1 st Prize	1.	Nandini	KVK College of Pharmacy
2 nd Prize	2.	Manisha	Scient Institute of Pharmacy
3 rd Prize	3.	Deepika	Malla Reddy Institute of Pharmaceutical Sciences
4 th Prize	4.	Madhavi	Siddhartha College of Pharmacy

From Male faculty the Winners are:

Prizes	Name of the Winners	Name of the College
1 st Prize	Mr. Swaraj	Exhibition Society
2 nd Prize	Mr. Raghu	Exhibition Society
3 rd Prize	Mr. Naveen	G.Pulla Reddy College of Pharmacy

From Female faculty the Winners are:

Prizes	Name of the Winners	Name of the College
1 st Prize	Mrs. S. Navneetha	Sarojini Naidu Vanita Pharmacy Maha Vidyalaya
2 nd Prize	Mrs. J. Swathi	Sarojini Naidu Vanita Pharmacy Maha Vidyalaya

Prize distribution was followed by Felicitation to the chief guest and other Dignitaries by Dr.B .Prabha Shankar and felicitation to the guest of honour by Shri Ram Prasad Reddy Secretary IPA ,Telangana State Branch followed by vote of thanks by Shri Sainath Dayaker Shastri Honorary Secretary, SNVPMV.

REPORT ON "THINK! TALK! TREAT MIGRAINE

DATE & TIME OF EVENT—13th April, 2022 at 3:00PM

HOSTED BY- Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyd.

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, College for Women, (Sponsored by The Exhibition Society) has organized a seminar on the topic "THINK! TALK! TREAT MIGRAINE" on 13th April, 2022 at 3:00 PM. The Guest Speaker for the seminar was Dr. VIKRAM KISHORE REDDY. P, DNB (Paediatric), DNB (Neurology), Consultant Neurologist, Medicover Hospital, Hi-tech City, Hyderabad.

The number of participants attended was about 200 in auditorium. The programme started at 3:00 PM. Ms. Shruti started the program and invited all the dignitaries onto the dais. Floral Greetings to the Guest were offered by Harsha. Prayer song was sung by Shivani and Rakshitha.

Principal Dr. T. Saritha Jyostna., SNVPMV, addressed the session by giving a note on Migraine and cordially welcomed the speaker of the seminar, Dr. VIKRAM KISHORE REDDY P.

Dr. T. Venu, HOD of Pharm D addressed the gathering.

Migraine is a type of headache. It may occur with symptoms such as nausea, vomiting, or sensitivity to light and sound. In most people, a throbbing pain is felt only on one side of the head.

A migraine headache is caused by abnormal brain activity. This activity can be triggered by many things. But the exact chain of events remains unclear. Most medical experts believe the attack begins in the brain and involves nerve pathways and chemicals.

The changes affect blood flow in the brain and surrounding tissues.

Dr. Vikram Kishore Reddy P addressed the gathering by primarily throwing light on the root causes of headache. Its types like primary headache and secondary headache and identifying red flags for secondary headache. Sir also discussed about how Migraine gets triggered, its most common symptoms and its impact on day to day life. Sir briefly discussed about the treatment regimens and preventive therapies.
