Affiliated to Osmania University, Approved by AICTE & PCI

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

6.1. Institutional Vision and Leadership

6.1.1 The Governance of the Institution is Reflective of and in Tune with the Vision and Mission of the Institution

RESPONSE:

Vision

Our institution envisions excellent pharma education, research, and innovation in core and frontier areas of pharmacy, to develop competitive, professional, and socially responsible women and provide adequate human resources for local, National and International needs complying with statutory and regulatory norms.

Mission

1. To impart quality education, training, and skills in the field of pharmacy for providing trained manpower to the industry and healthcare sector in tune with the statutory and regulatory requirements.
2. To engage in innovative research and collaborative partnerships with industry, healthcare providers, and regulatory agencies in addressing current challenges and advances in pharmaceutical science and practice.
3. To provide quality pharmacy education and inculcate timeless values of caliber, competence, confidence, and conscience among graduating students.
4. To develop managerial and entrepreneurship skills among the students in drug discoveries, drug delivery systems, retail pharmacy, and support healthcare systems.
5. To promote synergy with the pharma industry, community pharmacy, academic and research institutions of National importance, and healthcare industry to meet the expectations of various stakeholders.
6. To progress towards an egalitarian society through the emancipation of women with the acquisition of knowledge and empowerment.

Nature of Governance

The sponsoring body – the Exhibition Society has constituted the Governing Body for the institution as per the guidelines and norms of PCI and OU. The Governing Body offers a strategic direction and works in tune with the vision and mission of the institution. The college has set up various Institutional Committees that prepare and implement a comprehensive growth plan in administrative, academic, and infrastructural services, which makes it a premier pharmacy institution in the region.

The policies designed by the Governing Body are implemented through the Principal with assistance from various Institutional Committees, and the HODs play a vital role in coordination. Teaching staff act as coordinators and have representation in various decision-making bodies. The college administration holds the respective committee meetings and implements the decisions taken with the consent of the other members and the Chairperson of the committee.

The Quality Framework of the Institution

1. Curricular Aspects – Besides quality academic delivery as per the prescribed curriculum, SNVPMV offers value-added/Certificate/add-on courses throughout the academic year to the students and organizes National/International Seminars and Conferences on the pioneering aspects of core pharmaceuticals and frontier areas such as clinical research, clinical data management and pharmacovigilance.

2. Teaching-Learning Evaluation – SNVPMV imparts quality pharma education and comprehensively evaluates the same to take corrective and preventive actions are taken up. SNVPMV has procedures in place for the identification of fast learners and academically weak students. We provide additional training for advanced learners through peer tutoring sessions in GRE, PGECET, GPAT, NIPER, NAPLEX, etc. for higher education abroad or in any other HEI of academic eminence. We provide additional training in specified time slots to academically weak students and divert more resources in preference for tutoring with more personal attention.

3. Research & Extension: SNVPMV has collaborated with pharmaceutical industries, hospitals, and academic institutions for research works to develop competitive, professional, and socially responsible women. We have effected several meaningful MOUs with prominent industries, published several scientific articles in peer-reviewed journals and applied for several research funds. These research and extension activities address current challenges and advances in pharmaceuticals and pharmacy practice.

4. Infrastructure and Learning Resources: SNVPMV has state-of-the-art infrastructure in all the twenty modular laboratories, ICT/Internet facilities in smart classrooms, central air-conditioning facilities in the seminar hall, auditorium, virtual pharmacy room, central instrument room, and library.

5. Student Support and Progression: SNVPMV provides institutional scholarships to encourage meritorious students and those who belong to the low-income group. We organize Seminars/Conferences/Workshops, to learn about the latest trends in the industry and offer training to students in personality development, campus recruitment, SAS, and pharmacovigilance to create better employment opportunities for women empowerment providing adequate human resources for National and International needs.

6. Institutional Excellence: All the stakeholders directly or indirectly affect the policy-making of the institution through various committees initiated for the development of students. The said initiatives are internalized and institutionalized and play a major role in the continuous improvement of the quality framework to develop managerial and entrepreneurship skills among the students.
