This activity emphasized the importance of the maintenance of public health from solid and liquid waste management and to keep the village neat.

3.Haritha haaram on 21-06-2022 : The program promotes the principles of sustainable development by emphasizing the importance of environmental conservation alongside economic and social progress. By planting trees, Haritha Haram seeks to conserve natural resources such as soil, water, and biodiversity. Trees help prevent soil erosion, recharge groundwater, and provide habitats for various plant and animal species.

4.Seminar on waste management 13th April 2023:An awareness session has been conducted by the staff of snvpmv on solid and waste management to implement at college how to handle the Hazardous waste, including chemicals, electronic waste (e-waste), and medical waste, which requires special handling and disposal due to its potential environmental and health risks. Seminar focused on reducing, reusing, and recycling waste, as well as strategies for proper disposal.

5.Seminar on rain water harvesting and water resource management on 5/9/2023 :Students and staff of SNVPMV have attended the seminar on rain water harvesting and water resource management conducted at Exhibition Grounds, by the management of SNVPMV in association with Exhibition Society.

6.Seminar about Awareness on sustainable developmenton 26.06.2023 : A seminar was conducted explaining the ways to achieve economic growth while preserving natural resources and ecosystems for future generations

7..Awareness on pollution control by IPA-SF SNVPMV STUDENT CHAPTER: The student chapter organized a **Awareness on pollution** control in Murtuzaguda and Amdapur Village, reaching out to the community on 26june2023 and 27tjune2023 focusing on empowering local communities to take action on environmental issues through grassroots initiatives and collective efforts.. A total of 68 students and 10 faculty members actively participated in the two-day event.

8.Out reach program: As part of an outreach program to educate students and raise awareness about environmental issues such as waste management, water conservation, and reducing plastic usage students along with faculty have visited the Government school,Lalapet.13/09/2023. Each student has activiely participated and involved in the activity and gained satisfaction for being able to convey the importance of environment protection for the young children.

9.Workshop on environment education on 16-09-2023: Workshop has been conducted on environmental education by involving students to prepare Lord Ganesha Idols using natural clay wthout colours on the occasion of Ganesh Chaturdhi. Many students participated enthusiastically in the workshop and enjoyed the process of making ganesha idols. Faculty and students were engaged collectively and made it a grand success.

10.Seminar on "Trash to Treasure, Ecopreneurship Endeavour" – 7th November: Ar, Nahida Abdulla from Greenvio Solutions was the guest speaker at a seminar focusing on sustainable practices. The event aimed to inspire students with ecopreneurial ideas. The college welcomed around 100 participants for this enlightening session.

11. Training cum Workshop on GPDP and LSDG'S for

Unnath Bharath Abhiyan Regional Coordinating Institutions ON 8-01-2024 & 09-01-2024:

The Unnath Bharath Abhiyan (UBA) is a flagship initiative of the Government of India aimed at empowering rural communities and promoting sustainable development in Gram Panchayats (GPs)

The staff of SNVPMV attended the training cum workshop. The training covered the objectives and eligibility criteria of the SGP, a Government of India program that provides financial assistance to Gram Panchayats for implementing sustainable development projects. Participants learned about the various types of projects that can be funded under the SGP, such as rainwater harvesting, renewable energy, and waste management

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya's diverse engagement initiatives reflect a steadfast commitment to community service, health awareness, and holistic education. Through a range of events and programs, the institution not only nurtures the development of its students but also actively promotes the well-being of the larger community, embodying its ethos of social responsibility.
