

### **7.1.4 Measures taken to create Inclusive Environment**

The institution is highly committed to promote a cultural harmony in the students, faculty, and staff.

Demonstrating unwavering commitment, the institution prioritizes the promotion of cultural harmony among students, faculty, and staff. Engaging in a range of initiatives and activities, the institute consistently works towards fostering an inclusive environment for cultural events, irrespective of diversity and beliefs.

The academic year at our institution commences with orientation sessions designed to acquaint all students and faculty members with the diverse cultural backgrounds they represent.

The institute proudly embraces diversity, exemplified by the festive celebration of Bathukamma, the state festival of Telangana. The campus takes on a vibrant atmosphere during events such as the 'Bathukamma' and 'Rangoli' competitions, showcasing the enthusiasm and teamwork of our faculty members.

Throughout the academic year, various events like Annual Day, Traditional Day, Sports Week, Fresher's Day, and Farewell Day are organized, with distinguished academic experts invited to address students, inspiring them to appreciate the significance of culture, human values, and ethics.

Elegance and inclusivity characterize these events, where students from different communities, religions, cultures, regions, and languages actively participate, fostering a familial atmosphere within the pharmacy campus.

The National Pharmacy Week is a highlight, marked by activities such as Essay Writing, Elocution, Debate competitions, 2k run rally, and blood donation camps. Our commitment to inclusivity extends to creating a healthy and eco-friendly environment, emphasizing communal and socio-economic responsibility.

Tolerance and harmony are actively promoted through major events like Dussehra, Lakshmi pooja on Diwali, Sankranti, Bathukamma Festival, Dandiya Festival, Scientific Fest, and Cultural Fest at the institute level. Additionally, celebrations for Christmas and New Year bring joy and togetherness, featuring fun-filled games and special foods.

The institution commemorates various National/International Days, Health Care Events, and Festivals, including International Yoga Day, World Pharmacist Day, and International Women's Day.

This comprehensive approach contributes to a rich and diverse cultural tapestry within the campus, fostering understanding and appreciation among students and faculty alike.
