About Indo-US Summit:

Welcome to the Indo-US Summit 2024 : Innovations in International Pharma Education, R&D, Regulatory, Marketing & Pharmacy Practice. This prestigious three - day International level Conference is set to gather renowned Pharma experts & leading Scientists from US, Physician, Psychologist and Marketing Professionals across India. Our summit promises to deliver cutting-edge talks on the latest advances, technologies and developments spanning the entire pharmaceutical spectrum. From groundbreaking transformations in pharmaceutical education to the revolutionary impact of 3D printing technology, navigating from regulatory changes to understanding the intricacies of the FDA approval process and the latest trends in Regulatory, Marketing & Pharmacy Practice. Our agenda covers a wide array of critical topics. Attendees can expect enlightening sessions on new drug discovery, generic product development, product quality assurance, and the latest global trends in Pharmaceutical & Biotech Education, R&D, Practice and Marketing. Furthermore, our sessions will delve into Pharmacoepidemiology, Pharmacovigilance and emerging opportunities and challenges for Indian pharmaceutical graduates in the dynamic global pharmaceutical landscape. This summit serves as a pivotal platform for fostering collaboration, sharing insights, and catalyzing breakthroughs in pharmaceutical R&D by establishing possible networking. The Summit also emphasizes the Indian Regulatory updates & compliance strategies to navigate the evolving regulatory landscape and ensure product quality, safety, and efficacy. By bringing together researchers, scientists, industry leaders and regulatory experts from US & India, this Summit aims to inspire collaboration,

drive innovation, and accelerate the translation of cutting-edge science into transformative therapies that improve health outcomes and quality of life. Join us at the Indo-US Summit on Innovations in Pharma Education, R&D, Regulatory, Marketing & Pharmacy Practice, to be at the forefront of the pharma revolution and contribute to shaping the future of medicine. We are also organizing Scientific Oral and Poster Presentations & Pharma Intercollegiate Dance Competitions. So get ready for an immersive experience filled with invaluable insights and unparalleled learning

About SNVPMV:

The Exhibition Society and Osmania Graduates Association (OGA) are jointly sponsoring and managing 20 institutions spread across Telangana, providing quality and affordable education to about 30,000 students.

SNVPMV is one amongst these institutions, established and managed by the Exhibition Society in AY 1997-98 and is approved by the Pharmacy Council of India (PCI) and affiliated to Osmania University. The B. Pharmacy course is accredited by the NBA. We impart world class education in the core and frontier areas of pharmacy in a modern, corporate-style building with excellent Ambience with a total built- up area of 1,00,000 sq. ft. consisting of state-of-the-art facilities. In addition to the statutory infra-structural requirement, we have provided High Tech Computer Labs, Animal House, Virtual Pharmacy, Air Conditioning of E-Class Rooms, Auditorium & Seminar Hall, Library, Staff Rooms and Hostel. Our strength includes highly qualified, experienced research-oriented Faculty, who are committed in graduating future pharma professionals. The courses offered include B. Pharmacy (100 intake), Pharm.D (30 intake), Pharm.D PB (10 intake) and M.Pharmacy in 5 branches- Pharmaceutics, Pharm. Analysis, Pharm. Quality Assurance, Regulatory Affairs and Pharmacology. We do have our own R&D facility to perform various Research Projects at the Academic Level in coordination with reputed Indian Pharma MNC's with whom we have MOU's. We do provide all round development of our students not only in Academics but also involve them in various Outreach activities. Our Alumni have excelled in every facet of Pharmacy profession in India and Abroad. Commemorating our Silver Jubilee Celebrations this year, apart from other activities we are organizing a three day Indo-US Summit 2024: "INNOVATIONS IN PHARMA EDUCATION, R&D, REGULATORY, MARKETING & PHARMACY PRACTICE" from 5th June to 7th June 2024 at Hyderabad, India.
