

## **REPORT ON DR.REDDY'S LABORATORIES LTD. PLACEMENT DRIVE**

Date: 15-07-2024

**Advisors:** Dr.T.Mamatha (Principal, SNVPMV), Dr.K.Sirisha (Vice Principal, SNVPMV)

**Training & Placement Coordinator:** Mr.A.Aroon

**Placement Drive Initiated by:** Dr. T. Mamatha

On 15th July 2024, Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya had the privilege of hosting a campus drive conducted by Dr. Reddy's Laboratories. Dr. Reddy's Laboratories Ltd is a renowned global pharmaceutical company committed to providing affordable and innovative medicines. The event was meticulously planned and executed, providing our students with a remarkable opportunity to start their careers with a leading pharmaceutical company. Principal Dr. T. Mamatha and Vice Principal Dr. K. Sirisha welcomed Dr. K. V. Mohana Rao, GMO HO (HR), with a flower bouquet and a memento. In his pre-proceeding talk in the auditorium, Dr. Rao emphasized the need for more women to join pharmaceutical companies, highlighting Dr. Reddy's goal of having 50% women employees by 2035. He motivated female students to take up challenging roles to achieve greater heights in the pharmaceutical industry and also answered questions from the students.

The campus drive commenced with an overview of the day's schedule and the interview procedure explained by the interview panel. A total of 39 final year B.Pharmacy students attended the drive. After the initial introduction, the students took a written test, from which 31 students were shortlisted for face-to-face interviews. These interviews provided the students with an invaluable opportunity to interact directly with the industry experts and showcase their skills and knowledge.

From the 31 students who faced the face-to-face interviews, 6 were further shortlisted for an online interview with the technical team, which was conducted on 19th July 2024. Out of these 6 students, Ms.Naveena and Ms.U.Bharathi were shortlisted. Later on 31.7.2024 final round was conducted for these two students and on 1<sup>st</sup> August, 2024 Ms.Naveena got selected to work in the OSD Production department. Dr. Reddy's team

has also expressed their intention to call more students for a third-round interview, specifically for the QA and Documentation departments. The selection process is still ongoing and further results are awaited.

This highlights the potential for more of our students to secure positions within Dr. Reddy's Laboratories. The campus drive was a resounding success, providing our students with invaluable exposure and opportunities. We extend our heartfelt thanks to Dr. K.V. Mohana Rao and the entire Dr. Reddy's Laboratories team for their time, effort, and consideration
