INDEPENDENCE DAY CELEBRATION- AZADI KA AMRIT KAAL

On 15th August 2024, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya organized 78th Independence Day celebration under the Institution Innovation Council (IIC) as part of “Azadi Ka Amrit kaal”. The event began at 10.30 AM with a flag hoisting ceremony, setting a patriotic tone for the day. Esteemed dignitaries viz., Smt. Sandhya Depala, Hon. Treasurer, SNVPMV; Dr. N. Srinivas, Director, SNVPMV; Dr. T. Mamatha, Principal, SNVPMV; Dr. K. Sirisha, Vice-Principal, SNVPMV have graced the meeting. The event featured insightful addresses from several dignitaries, including:

Smt. Sandhya Depala, Hon. Treasurer of SNVPMV, emphasized the institution’s commitment to integrating innovation in its practices. Madam extended her support in creating a supportive ecosystem for entrepreneurship which is vital for nurturing innovation. Madam also encouraged to provide access to funding, mentoring, and networking opportunities for startups and small businesses.

Dr. N. Srinivas, Director of SNVPMV, discussed the pivotal role of innovation in nation-building. Sir stated that innovation is the cornerstone of technological advancement which fuels research and development, leading to breakthroughs in various fields, from medicine and agriculture to energy and communication. Sir also emphasized that in today's interconnected world, innovation is essential for maintaining global competitiveness which enables nations to stay ahead of the curve, attract foreign investment, and secure a place in the global economy.

Dr. T. Mamatha, Principal of SNVPMV, highlighted the transformative impact of innovation in education. Madam explained that innovation fosters job creation by stimulating economic growth and creating new industries. It leads to the development of new skills and competencies, which are essential for a thriving workforce. Madam also emphasized on strong intellectual property rights which are essential to protect innovators and encourage investment.

Dr. K. Sirisha, Vice-Principal of SNVPMV, reinforced the need for collaborative efforts in fostering innovation.

Dr.P.Vivek Sagar, Convener, NIRF coordinator has given his valuable insights on the role of women innovators in nation building and encouraged all the students to work with innovative ideas and develop entrepreneurship skills.

Dr. P. Praneetha, the Innovation Activity Co-ordinator, provided an overview of the IIC’s activities and its alignment with the broader goals of Azadi Ka Amrit kaal.

Student contributions were also a key part of the event. Ms.Ujwala and Ms.Sana B.Pharm 3rd year, delivered talks on the importance of innovation in nation-building, reflecting the enthusiasm and potential of the younger generation.

The event took the opportunity to recognize and reward faculty members for their significant contributions to innovation. Around & faculty who have patent grants were falicitated with a momemto. There was active participation from faculty members, students, non-teaching staff, governing body member, and student volunteers. The event was enthusiastically participated by approximately 70 participants.
