

REPORT ON INTRA-COLLEGE N ON INTRA-COLLEGE NATIONAL PHARMACY WEEK DANCE SCREENING

Date: November 18, 2023

Event: Intra-College National Pharmacy Week Dance Screening

Venue: SAROJINI NAIDU VANIT PHARMACY MAHA VIDYALAYA

Organized by: CLUB ACTIVITIES SNVPMV

Introduction: The Intra-College National Pharmacy Week Dance Screening, held on November 18, 2023, was a vibrant and engaging event that added a touch of creativity and enthusiasm to the celebrations of National Pharmacy Week. The event took place as part of the Cultural Activities organized by the college, showcasing the diverse talents within the student community. National Pharmacy Week Dance Screening

Objective: The primary objective of the Dance Screening was to provide a platform for students to express their artistic abilities and celebrate the spirit of National Pharmacy Week through the medium of dance. It aimed to foster a sense of camaraderie among students, encouraging them to showcase their talents beyond academic pursuits.

Event Highlights:

- 1. Diverse Performances:** The event featured a variety of dance performances, ranging from classical to contemporary, reflecting the cultural diversity and creativity of the students.
- 2. Theme-based Acts:** Some performances were aligned with the theme of National Pharmacy Week, incorporating elements that highlighted the role of pharmacists in healthcare and the significance of the week-long celebration.
- 3. Student Participation:** A considerable number of students from different academic years actively participated in the event, making it a truly inclusive celebration.
- 4. Judging Panel:** The performances were evaluated by a panel of experienced judges, including faculty members with expertise in dance and external professionals from the field of performing arts.
- 5. Winners and Recognition:** The best performances were recognized and awarded during the event. This acknowledgment not only motivated the winners but also encouraged other students to participate actively in such cultural activities.

Conclusion: The Intra-College National Pharmacy Week Dance Screening was a resounding success, contributing to the overall festive atmosphere during National Pharmacy Week. The event not only showcased the talents of the students but also provided a platform for them to unwind and express themselves creatively. The success of the event underscores the importance of integrating cultural activities into academic life to promote holistic development among students.
