ABOUT OUR SPONSORS

Exhibition Society

The Exhibition Society is a non-profit organization registered under the Companies Act 1956. It was started in the year 1938, by Osmania Graduates Association (OGA) to promote industrial development in the erstwhile Hyderabad State by organizing industrial exhibitions to promote products manufactured by small and medium scale industries within the country. This is perhaps the only instance in the world where the alumni of Osmania University have been responsible for establishing educational institutions for the needy and support them financially by conducting an industrial exhibition every year.

The Exhibition Society was formally registered in 1957-58 with the following objectives:

- Promote social, economic and industrial environment in the state in particular and in the country in general.
- The Exhibition Society will be used as a medium to educate people and to project an image of self-reliance and self-help.
- The membership will be limited and members will not be paid any remuneration for the work rendered and that all the profits and savings will be utilized for development purposes.

The Exhibition Society conducts the All India Industrial Exhibition (AIIE) every year, popularly known as “Numaish”.

The 1st AIIE was conducted at Public Garden in 1938 and the venue was shifted to the present Exhibition Grounds in Nampally in 1946. The Exhibition Society celebrated its Silver Jubilee in 1965, Golden Jubilee in 1998, Diamond Jubilee in 2000 and Platinum Jubilee in 2015. The All India Industrial Exhibition is a heritage event closely woven into the ethos and history of Hyderabad and the citizens eagerly wait for it every year. Many State Govt. Departments, such as, Police, Fire & Disaster Management, Electricity, GHMC, R&B, RTC, Metro etc. participate and facilitate in the smooth conduct of the event.

Over the years several luminaries and statesmen inaugurated and graced the All India Industrial Exhibition, including, Sri C.Rajagopalachari, Governor General; Dr.Rajendra Prasad, President of India; Dr.S.Radha Krishnan, President of India; Sri Jawaharlal Nehru, Prime Minister of India; Dr.V.V.Giri, Vice President of India; Sri Khan Abdul Gaffer Khan, Frontier Gandhi; Dr.Zakir Hussain, Vice President of India; Dr.Fakruddin Ali Ahmed, Vice President of India; Dr.N.Sanjeev Reddy, Chief Minister of Andhra Pradesh; Sri Lal Bahadur Shastri, Union Minister of Industries; Smt.Indira Gandhi, Prime Minister of India; Sri Morarji Desai, Union Minister for Finance; Sri Rajiv Gandhi, Prime Minister of India; Dr. Shankar Dayal Sharma, Governor of Andhra Pradesh; Sri P.V. Narasimha Rao, Chief Minister of Andhra Pradesh; Sri N. Chandrababu Naidu, Chief Minister of Andhra Pradesh; Dr. Y.S. Rajasekhara Reddy, Chief Minister of Andhra Pradesh; Sri K.Chandrashekar Rao, Chief Minister of Telangana; and many other Central Ministers and Chief Ministers from different States.

The Exhibition Society has been making a big impact and contributions in the state and country through its various activities, such as:

- Generating significant income for the Government since its inception by way of GST, Trade License Fees, Property Tax, Utility Charges etc.
- Providing employment to about 2,000 teaching and non-teaching staff (impacting about 10,000 persons) through the educational institutions sponsored and managed jointly with OGA.
- Provide direct and in-direct employment every year to about 10,000 persons.
- Providing opportunity to about 1,000 enterprises (mostly small & medium scale) to market their products and earn income to sustain for rest of the year.

Sri A. Revanth Reddy Garu, Hon'ble Chief Minister inaugurated the 83rd All India Industrial Exhibition on 1st January, 2024. Keeping in mind the stupendous work being done by the Exhibition Society and OGA, the Hon'ble Chief Minister assured to give additional land to the Exhibition Society in other locations for establishing more educational institutions.

With continuous and generous support from the Government, general public and sustained and unstinted cooperation and spirit of dedication from our Hon'ble Members, the Exhibition Society is confident of reaching new heights of excellence in service of the needy.

VISION

Our institution envisions excellent pharma education, research and innovation in core and frontier areas of pharmacy, to develop competitive, professional and socially responsible women and provide adequate human resources for local, National and International needs complying with statutory and regulatory norms.

MISSION

1. To impart quality education, training, and skills in the field of pharmacy for providing trained manpower to the industry and healthcare sector in tune with the statutory and regulatory requirements.
2. To engage in innovative research and collaborative partnerships with industry, healthcare providers, and regulatory agencies in addressing current challenges and advances in pharmaceutical science and practice.
3. To provide quality pharmacy education and inculcate timeless values of caliber, competence, confidence and conscience among graduating students.
4. To develop managerial and entrepreneurship skills among the students in drug discoveries, drug delivery systems, retail pharmacy and support health care systems.
5. To promote synergy with the pharma industry, community pharmacy, academic and research institutions of National importance and healthcare industry to meet the expectations of various stakeholders.
6. To progress towards an egalitarian society through the emancipation of women with the acquisition of knowledge and empowerment

About our Institution – Genesis and Growth

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) was established and managed by the Exhibition Society, in the academic year 1997-98. The institution is approved by Pharmacy Council of India (PCI), New Delhi and affiliated to Osmania University, Hyderabad. SNVPMV is recognized under section 2 (f) of the UGC Act, 1956, i.e. it is eligible to receive financial assistance from UGC. Our B. Pharmacy course is accredited by National Board of Accreditation (NBA) from academic year 2022-23 to 2024-25 (2nd cycle) and we are in the final stages of NAAC grading, a testament to our commitment of quality education. Presently SNVPMV has an intake of 100 in B. Pharmacy, 30 in Pharm. D, 10 Pharm. D (PB) and 15 each in 5 M. Pharmacy Specializations viz., Pharmaceutics, Pharm. Analysis, Pharm. Quality Assurance, Pharmacology and Pharm. Regulatory Affairs.

Our research oriented, dedicated faculty are fully engrossed in research and impart quality education, inculcate critical thinking, Problem-solving and leadership skills which are important in building competencies in students. Most of the faculty are Doctorates in Pharmacy and work as a team in research works, involving both UG & PG in R & D projects.

Since its inception, SNVPMV was located at Exhibition Grounds, Nampally, Hyderabad. We moved to the new premises at Tarnaka, Secundrabad in 2014, which has state-of-the-art facilities and with a plinth area of more than 100,000 sft. The new premises was inaugurated on 16th November 2014 by Sri K. Chandrasekhar Rao, Hon'ble Chief Minister, Telangana State in the gracious presence of Sri Eatala Rajender garu, Minister for Finance, Planning and Civil Supplies, Telangana State & President, Exhibition Society and Sri Jagadeeshwar Reddy, Minister for Education, Telangana State.

Sri M. Venkaiah Naidu, Hon'ble Vice President of India has inaugurated 2nd decennial celebrations of the college on 16th March, 2019.

Recently we reached the milestone of 25 years, Sri D. Sridhar Babu, Hon'ble Minister of Information Technology, Electronics, Communications, Industries, and Commerce, Government of Telangana, and President of the Exhibition Society, Hyderabad, was the Chief Guest during the Silver Jubilee Valedictory Function held on 18th June 2024.

The infrastructure of SNVPMV is world-class and simulates industry-like working atmosphere with 21 modular labs, 18 E-Class rooms with LED projectors, a high-tech computer lab, an auditorium, a seminar hall and a well-stocked library with extensive resources. The maintenance of equipment and other facilities is uncompromised and our corporate-styled building is congenial, learner-centric, research-oriented environment to enable students to make significant contributions to healthcare.

The sponsors have left no stone unturned in raising it to the level which is common of corporate colleges. Despite the fact that fee structure is strictly as per Government norms, without any capitation fee in any form, we provide the best of facilities meeting International standards.

About Governing Body:

The success of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya is attributed to its Pharmacy-qualified and efficient Governing Body(GB), constituted every three years by our Sponsoring body. The GB has driven growth through regular Board meetings, strategic faculty recruitment, and introduction of in-demand PG programs. Accreditation, infrastructure modernization, and fund raising have also been key focus areas. Through their visionary leadership, a research center is soon to be established, fostering innovation and excellence.

Message from Chairman

Our Institution is sponsored and managed by the Exhibition Society, which is an eight-decade old organization, famous for conducting NUMAISH, Exhibition Grounds, Hyderabad. We produce tailor-made, industry-ready pharmacists & researchers capable of addressing important medication- and health-related problems. We have an uncompromised mission & strategic plan of establishing a "Model Pharmacy Institution".

We are committed to impart quality education in core and frontier fields of pharmacy through highly qualified faculty who are research-oriented & highly accessible to the students for guidance to success. In order to churn out employable graduates, we train the students on latest industry updates through the conduct of continuous education programs like webinars, guest lectures, seminars/workshops, conferences & industry training programs. We have partnered with TASK for conducting training programs and development of interview skills. In fact, we are taking up steps to collaborate with local pharma industry to provide the best research environment in the institution.

We believe that the best academic delivery is possible only with support of the good hi-tech infrastructure and modular laboratories with state-of-the-art equipment, smart e-classrooms as well as e-library facilities. We have spacious facilities for the sports, in-door games, canteen with music system. We also have excellent hostel facilities, which are situated within the premises, with accommodation for about 220 students.

The practice of pharmacy is undergoing rapid change, and the graduates of B.Pharmacy, M.Pharmacy & Doctor of Pharmacy programs are well-prepared to confidently take up the role of tomorrow's health care professional. Some of our unique initiatives include an exclusive Research & Development (R&D) Center, Animal House, Model Pharmacy within the college building.

Our Institution has, is and always will be striving for excellence in the field of Pharmaceutical education with an objective to offer the most employable and professionally receptive graduates from our Institution to the Pharma profession. In short, we aim at "a pharmacy institution like no other," and I am confident that, with these strategic plans, our reputation as a leader in pharmacy education and research will continue to grow.

Dr.B.Prabha Shankar

Funded R & D Projects

- **Dr. T. Saritha Jyostna** awarded with Rs.3,17,000/- R & D Project titled “Design, Synthesis and Evaluation of Novel Dithiocarbamate Analogues as Potent Anti cancer Agents” by TSCOST -DST, Govt. Of India, in academic year 2016-2017.
- **Dr. T. Venu** awarded with Rs.1.5 lakhs R&D Project titled “A database for Indian medicinal plants used to treat Diabetes Mellitus”, Rs. 6 lakhs from department of Pharmaceuticals to conduct workshops on Good Pharmacy Practice (GPP) training to Community Pharmacists in 2018 & Rs.9 lakhs since 2019 under Pharmaceutical Promotion and development Scheme (PPDS) by Indian Institute of Biotechnology, Hyderabad
- **Dr. N. Srinivas** awarded with AICTE Research Promotion scheme of Rs. 6.16 lakhs in 2021 on the topic "Targeted Drug Delivery in the Treatment of Diseases of Heart and Vasculature using sterically stabilized, long circulating, stealth liposomes and their Combination with Deposit polymeric Scaffolds”.

INFRASTRUCTURE & FACILITIES

- 18 well-ventilated and spacious classrooms with LCD projector & screen.

Convenient faculty rooms are provided.

- 21 modern modular laboratories with attached preparation rooms having concealed piping for gas, water and drain lines. Convenient faculty rooms are provided.

- State-of-the-art equipment is available for preparing simple dosage forms to advanced novel drug delivery systems using rotary tablet machine, coating pan, triple roller mill, colloid mill, Tray dryers, homogenizers & Ultrasonicator.

COMPUTER ROOM

- Computer Laboratory equipped with high end computers and printers for computer practical sessions and preparation for seminars, conferences and presentations. It also has Language Laboratory tool to train students in English language skills. The lab has 50 systems, with the following configurations:
 - 10 HP Desktops DX 2480 Intel core 2Duo 2.53 Ghz Processor
 - 20 Dell-Vostro 3800 I3 Processor/4GB/ 500/DVD/Wi-Fi
 - 20 Dell Vostro 3800 I5 Processor/4GB/500/ DVD/W-iFi

CENTRAL INSTRUMENTATION LABORATORY:

The Central Instrumentation Lab is a cutting-edge facility equipped with advanced analytical instruments for pharmaceutical analysis, supporting research and development, quality control, and quality assurance activities in the campus. It plays a vital role in ensuring the safety, efficacy, and quality of pharmaceutical products, driving innovation and compliance with regulatory standards. The lab features a range of sophisticated instruments like HPLCs, UV Spectrophotometers, FTIR, Flame Photometer, Fluorimeter, Nepheloturbidimeter, Electrophoresis etc.

This facility serves all the departments of Pharmacy, including Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, and Pharmacognosy, among others. Experienced scientists, faculty and technicians working in the lab, provide expert analytical services, method development, and validation.

MODEL PHARMACY

Model Pharmacy was inaugurated by Sri Navin Mittal, IAS, Commissioner of Technical Education, Govt. of Telangana and Prof. C. K. Kokate, former Vice Chancellor K.L.E. Deemed University, former Vice Chancellor Kakatiya University, and former President, Pharmacy Council of India, on 12th July, 2021.

The Model Pharmacy facility is first of its kind in the Country as it familiarizes the students with all the logistics of drug store management.

- Model pharmacy provides real-time order verification, patient counseling in various therapeutic segments and check the drug – drug interactions of the prescriptions
- Students learn to perform the role of Pharmacist, vital sign measurements, monitoring and auditing of drug store activities

- Model pharmacy provides a unique opportunity to know therapeutic segment-wise brand names of drug products and their manufacturers apart from understanding the inventory management principles.

Anti Ragging Committee

- Ragging is strictly Prohibited in the college and it is punishable criminal offence.
- In pursuance of directives of AICTE, OU Anti ragging Committee and Anti ragging squad have been formed to counsel the students about ill effects of ragging and eradicate the menace from the college.

Mentoring

Mentoring, in simple terms, is an additional service provided by the faculty (Mentor) to a group of around 15 students (Mentee) for facilitating their personal and professional growth. The faculty mentor probes the mentee and provides counseling, makes suggestions and persuades the mentee for overcoming their problems. In addition, the mentor makes the person accountable and ensures they stay on track. After this stage, the mentee having the ability and confidence can explore ideas and try out mentor suggestions. Thus, mentoring significantly improves the knowledge, skills, perspective, insight, or wisdom among the students.

Alumni Association

The SNVPMV Alumni Association has the primary purpose to foster a spirit of loyalty and to promote the general welfare of our organization. Further, the association meets regularly to strengthen the ties between alumni, the community and our organization. Many of our alumni members have made the institution proud through their significant contributions to the industry and society at large.

Special Monetary Incentives for Academically Meritoreous Students are Awarded in each Semester

Scholarships and Merit Awards:
