SNVPMV Vanita COMMUNIQUE

VISION

Our institution envisions excellent pharma education, research and innovation in core and frontier areas of pharmacy, to develop competitive, professional and socially responsible women and provide adequate human resources for local, National and International needs complying with statutory and regulatory norms.

MISSION

1. To impart quality education, training, and skills in the field of pharmacy for providing trained manpower to the industry and healthcare sector in tune with the statutory and regulatory requirements.
2. To engage in innovative research and collaborative partnerships with industry, healthcare providers, and regulatory agencies in addressing current challenges and advances in pharmaceutical science and practice.
3. To provide quality pharmacy education and inculcate timeless values of caliber, competence, confidence and conscience among graduating students.
4. To develop managerial and entrepreneurship skills among the students in drug discoveries, drug delivery systems, retail pharmacy and support health care systems.
5. To promote synergy with the pharma industry, community pharmacy, academic and research institutions of National importance and healthcare industry to meet the expectations of various stakeholders.
6. To progress towards an egalitarian society through the emancipation of women with the acquisition of knowledge and empowerment

DIRECTOR'S MESSAGE

It's a matter of high responsibility and challenge to be the Director of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, an institute of high repute in India. The beautiful design of the college building & infrastructure, is symbolic of the unique and innovative spirit of our institution. We are in the process of introducing postgraduate programs in Regulatory affairs, Pharmacology and Pharm.D (PB) giving impetus to innovative research and opening doors to the collaborative research with the industry.

We have no intention of resting on our laurels, a strategic plan is being charted out to make our institution as a "Model Pharmacy Institution". This commitment of our sponsoring society "Exhibition Society" coupled with the vision of our Management members, helps us strive to meet new challenges in education and research.

In short, we aim at "a pharmacy institution like no other," and I am confident that, with these strategic plans, our reputation as a leader in pharmacy education and research will continue to grow.

With Best Regards,

Dr. Nimmagadda Srinivas

PRINCIPAL'S MESSAGE

It is a matter of great pride and satisfaction for SNVPMV to bring out the News Letter Volume-2, 2023.

The College has made tremendous progress in all areas of academic, non-academic, and capacity building relevant to staff and students.

The College is successful in getting multiple Pharmaceutical companies to our college campus and offering wider choices of placements to final-year students. The moment has come to say goodbye with a heavy heart to B. Pharmacy & Pharm.D final year students from this prestigious institution that has safeguarded, cared for, supported, and directed over these years. Now that our students have the intellectual capacity, can use will power and effort to accomplish their life goals.

This News Letter is like a mirror that reflects a clear picture of all sorts of activities undertaken by a Department and develops writing skills among students in particular and teaching faculty in general. I congratulate the Editorial Board of this News Letter who has played a wonderful role in accomplishing the task in record time.

Dr. T. Saritha Jyostna
