- **Indian Pharmaceutical Association – Telangana State Branch**
- **Sarojini Naidu Vanita Pharmacy Mahavidyalaya (Sponsored by the Exhibition Society)**

10:30 am to 1:00 pm

Report on World Pharmacist Day

World Pharmacists Day 2024 year's theme, “*Pharmacists: Meeting Global Health Needs,*” focuses on how pharmacists are essential in addressing both local and global healthcare challenges and serves as a platform to celebrate the profession and inspire ongoing efforts to ensure that pharmacists continue meeting the evolving health needs of populations worldwide.

Several eminent dignitaries graced the World Pharmacists Day celebrations at Sarojini Naidu Vanita Pharmacy Mahavidyalaya. As a gesture of respect and honor, the following dignitaries were invited onto the dais with floral greetings:

Dr. B. Prabha Shankar, Chairman, Sarojini Naidu Vanita Pharmacy Mahavidyalaya; Managing Director & CEO, Leads Pharma Pvt. Ltd., Hyderabad; and President, Indian Pharmaceutical Association (IPA), Telangana State Branch.

Sri K. Ramprasad Reddy, Managing Director, India Penicillin’s Ltd., Hyderabad, and General Secretary, IPA, Telangana State Branch.

Dr. C. Gopala Krishna Murthy, Guest of Honour, Past President IPA & IPCA, Former Director, Drugs Control Administration (DCA), Hyderabad.

Sri R.K. Agarwal, Guest of Honour, National President, Bulk Drug Manufacturers Association.

Sri J. Rajamouli, Guest of Honour, President, Indian Drugs Manufacturers Association, Telangana State Branch.

Sri M. Vasudev Rao, Guest of Honour, Managing Director, Bactochem, and Chairman, IPA.

Sri B. Surender Reddy, Hon. Secretary, Exhibition Society.

Sri K. Niranjan, Vice President, Exhibition Society.

Sri B. Hanumanth Rao, Hon. Secretary, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.

Smt. Depala Sandhya, Hon. Treasurer, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.

Dr. T. Mamatha, Principal, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.

Lamp Lighting Ceremony

The dignitaries were requested to participate in the ceremonial lamp lighting, symbolizing the inauguration of the event.

Prayer Song

The program commenced with a prayer sung Vandemataram by Ms. Mahathi Jyothirmai, an M. Pharm I Year student.

Address by **Dr. B. Prabha Shankar**, President, IPA-TS Branch & Chairman, SNVPMV: the welcome note was started by introduction of Exhibition Society, OGA, and the evolution of SNVPMV and its successful journey of 25 years. Emphasized the crucial role of pharmacists in ensuring public health and highlighted the need for pharmacists to be dynamic, enthusiastic, and IT-savvy to meet the evolving challenges in the pharmaceutical industry.

Guest of Honor Addresses

Sri. J. Rajamouli, President, Indian Drugs Manufacturers Association, Telangana State Branch: Focused on the challenges and opportunities faced by the pharmaceutical industry in Telangana. He emphasized on the India's contribution in meeting the global needs. He highlighted the export, generic drug manufacturing and the development in the vaccine production in India. He also emphasized on the pharmacist role in increasing the importance of community pharmacy.

Sri. R. K. Agarwal, National President, Bulk Drug Manufacturers Association: Discussed the role of the pharmaceutical industry in promoting healthcare and economic development. He highlighted the importance of innovation and research in developing new drugs and therapies. He mainly focused on the latest technologies in Novel Drug Delivery systems like nano particles, liposomes, 3D printing.

Sri. Vasudeva Rao, Managing Director, Bactochem & Chairman IPA, Underlined the importance of pharmacists and drug regulators in ensuring the safety, efficacy, and accessibility of medications. He emphasized the need for collaboration between pharmacists and drug regulators to protect public health and combat counterfeit drugs. He emphasized on the drug exports, MSME registration, Small scale industrial expansion support to increase the India's growth globally.

Dr. C. Gopala Krishna Murthy, Past President IPA & IPCA, Former Director, DCA, Hyderabad): Shared his insights on the evolving landscape of pharmacy and the importance of continuing education and professional development for pharmacists. He mainly focused on the evolution of community pharmacy post-independence. He finally quoted that "before you desire the recognition, we must deserve". Pharmacist Oath

Dr. K. Sirisha, Vice-Principal of Sarojini Naidu Vanita Pharmacy Mahavidyalaya, administered the Pharmacist Oath to all participants, underscoring the ethical responsibilities of the profession.

Release of College Profile

The Chief Guest, Dr. C. Gopala Krishna Murthy, officially released the College Profile for the Academic Year 2024-2025, marking a new academic chapter for the institution.

Certificate Presentation

Certificates were presented to students who completed the 45-day training program on Pharmacovigilance and Clinical Data Management conducted by Masters Pharma Academy from 12th August 2024 to 24th September 2024. The students were acknowledged for their dedication and hard work.

REPORT ON TEACHER'S DAY

The Teacher's Day celebrations at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, took place on September 5, 2024, with great enthusiasm and respect towards the faculty members. The event was organized in association with the NSS Unit, by the students to honor and appreciate the dedication of the teaching staff. The entire program was skillfully anchored by K. Meghana and her classmates, who ensured the smooth flow of the event. All 50 faculty members of the college were invited, and their presence added a touch of grandeur to the occasion. The event began with a warm welcome address delivered by the esteemed Director, Dr. N. Srinivas. He highlighted the significance of Teacher's Day and paid homage to Dr. Sarvepalli Radhakrishnan, whose birth anniversary is celebrated as Teacher's Day in India. Dr. Srinivas emphasized the crucial role teachers play in shaping the future of students and thanked them for their relentless dedication to imparting knowledge.

Following the welcome address, the Principal, Dr. T. Mamatha, took the stage and expressed her appreciation for the faculty's commitment to academic excellence. Her words resonated with gratitude, recognizing the hard work and mentorship that the teachers provide to ensure the success of students. Vice Principal, Dr. K. Sirisha, followed suit, expressing her admiration for the continuous efforts of the teaching staff and how they contribute to the institution's growth and reputation.

The event continued with greetings and speeches from the Heads of Departments (HODs) and Associate professors. The HODs present were Dr. S. Hemalatha (Department of Pharmaceutical Chemistry), Dr. B. Harika (Department of Pharmaceutics), Dr. T. Venu (Department of Pharmacology), Dr. P. Vivek Sagar (Department of Pharmaceutical Analysis), Dr. P. Praneetha (Department of Pharmacognosy), and Dr. M. Swetha (Department of Regulatory Affairs) and Mrs. R.V.S. Lathasree mam. Each of them shared words of encouragement, highlighting the importance of the student-teacher relationship and acknowledging the effort that goes into teaching and mentoring. The celebrations then took a light-hearted turn as the students conducted fun and

engaging games for the faculty members. These games brought smiles and laughter, creating a relaxed and joyful atmosphere.

It provided a wonderful opportunity for the faculty to unwind and enjoy themselves, fostering camaraderie and togetherness among the teaching staff.

After the games, the students distributed pens and apples to all the faculty members as tokens of appreciation. These gifts, sponsored by the management of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, symbolized the gratitude and respect the students had for their teachers. It was a small gesture that carried immense meaning, signifying the wisdom and nourishment that teachers provide to their students, much like how an apple nourishes the body.

One of the most memorable moments of the event was when Ms. Gonnala Raveena Gayatri, a talented student, presented a hand-drawn portrait of Dr. Sarvepalli Radhakrishnan. This beautiful piece of art served as a tribute to the great philosopher and teacher, whose legacy continues to inspire educators across the nation.

The event concluded with a heartfelt vote of thanks delivered by Dr. T. Venu, Head of the Department of Pharmacology. He expressed his sincere gratitude to the students for organizing such a meaningful event and acknowledged the management for their support. Dr. Venu also thanked the faculty for their active participation and unwavering commitment to the institution.

After the formalities, the faculty members gathered for a group photograph, capturing the joy and spirit of the occasion. The Teacher's Day celebration was a grand success, filled with respect, fun, and gratitude. It not only strengthened the bond between students and teachers but also served as a reminder of the pivotal role educators play in shaping the future.

REPORT ON AWARENESS AND SELF DEFENSE FOR WOMEN.

(In view of Kolkata incident)

Date: August, 24, 2024.

Time: 3:00 PM - 5:00 PM.

Venue: SNVPMV Auditorium.

ORGANIZERS: NSS Unit, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderbad.

PRESENTED BY: Mr.D.Suresh, NSS programme officer, SNVPMV.

Dr. Y. Surender, Physical Director, SNVPMV

DIGNITARIES PRESENT:

Dr. K. Sirisha, Vice Principal

Mr. D. Suresh, NSS Program Officer

Dr. Y. Surender, Physical Director

INTRODUCTION:

The awareness and self defense programme was conducted at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya and it was marked by a vibrant session on self-defense and awareness, focusing particularly on women empowerment. It was conducted keeping in view the 9th August 2024 Kolkata case where a 31-year-old female postgraduate trainee doctor was brutally murdered at the R.G. Kar Medical College and Hospital, West Bengal and yet the case is not solved and hence it was felt necessary by us to spread the awareness for such cases.

This event commenced at 3:00 PM in the SNVPMV auditorium with an enthusiastic participation of around 50 and above students and 8 faculty members.

The session was led by Dr.K. Srisha, Vice-Principal of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya who delivered an engaging and informative speech, highlighting the importance of women empowerment, physical and mental well-being by giving recent examples.

Then Dr. Y. Surender delivered an informative speech engaging all the students and faculty.

Then it was continued with the Speeches by our students.

Ms. Neha of Pharm D 3rd year.

Ms. Serah Santosh of Pharm D 3rd year.

Ms. V. Deekshitha Ramami of B. Pharm 3rd year.

Ms. Malik kainat of M. Pharm final year.

Ms. Neha Sri and **Bhavana** of B. Pharm 3rd year.

Ms. Madhuhasini of Pharm D 5th year.

Sharing their views and their experiences that they faced in their lives.

Then the session was continued by Mr.D.Suresh, NSS programme officer who delivered a speech regarding the Do's and Don'ts, and how to avoid those situations, highlighting new services provided by the Telangana government etc

The event was graced by the presence of Dr.M.Swetha, Mrs.A.Shailaja and Mrs. P. Kavitha Babu Rao.

CANDLE MARCH:

Candle march was executed for the demand of capital punishment for the accused, quick delivery and justice for the martyr status for the victim.

JUSTICE FOR MOUMITHA.

VOTE OF THANKS:

Vote of thanks was delivered by Dr. Swetha Mohan. She thanked the Vice-Principal mam, all the Teaching staff, Students and Non-teaching staff for the smooth conduct of this event. The NSS Unit expresses its gratitude to all participants, guests, and organizers for their enthusiastic involvement and support and making the awareness program successful and impactful.

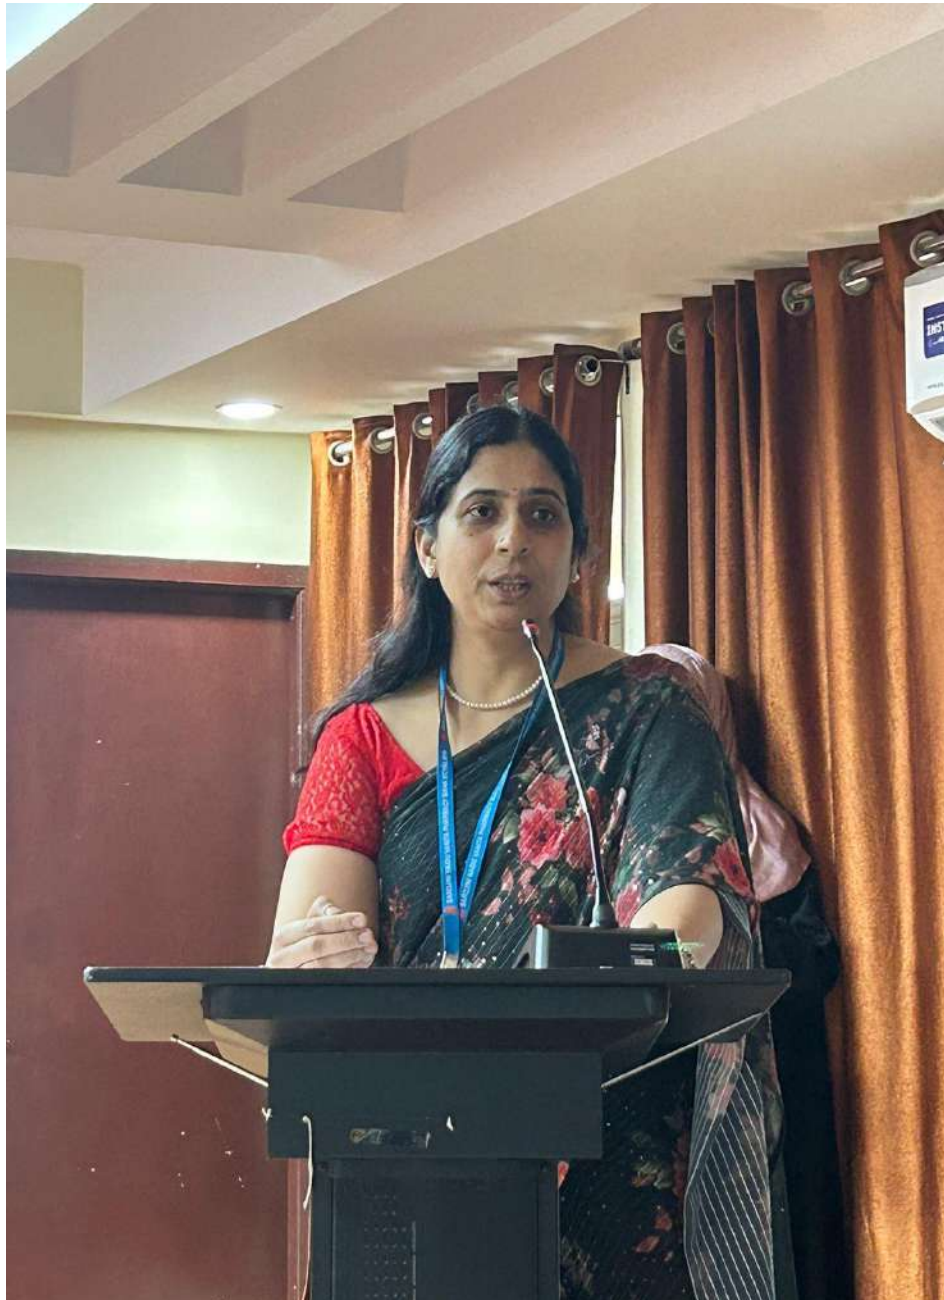

NATIONAL ANTHEM:

National anthem was sung by all the members present in the auditorium.

REPORT ON UBA VILLAGE VISIT (Nagaram)

Date –09/9/2024

Time- From 8:00 am onwards

Venue – Nagaram

Village - Secretary: Sathyanarayana

Sarpanch: Bandari lingam

MPP: Kunde Venkatesh

Upa sarpanch: Mohd Lathif khan,

Ward members: Kummari Karunakar & Ghana Puram Mahender

Coordinator : Dr.M.Shiva Rama Krishna, Assistant Professor, SNVPMV

On 9th September 2024 (Saturday), a team from Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad, Telangana, visited Nagaram village as part of the Unnat Bharat Abhiyan program. The group included 10 students, three faculty members – Dr. M. Shiva Rama Krishna, Mrs. Ajmeera Jyothi, Mrs. J. Sarika – and two non-teaching staff members, Mr. Shiva and Mrs. Roopa. They left at 8 am in a bus provided by the college.

The journey was peaceful and enjoyable, with beautiful views of green fields and small villages along the way. After traveling for about an hour and a half, they reached Nagaram village at 9:30 am. Surrounded by green fields, the village had a calm and welcoming atmosphere that immediately impressed the visitors.

The team was warmly welcomed by the village head, who thanked them for choosing their village for the survey. The team quickly got to work, splitting into groups to gather information. They asked villagers about their families, jobs, land ownership, and the main problems they are facing.

The villagers were friendly and shared their information openly, allowing the students to record the details carefully. By the end of the surveys, the team had collected data from 210 households, which would help in planning future improvements for the village.

After the surveys, the team took a break for lunch. They enjoyed a tasty meal and chatted about what they had learned from the surveys, sharing their thoughts and experiences.

In the afternoon, the team split up again to visit families and better understand their problems. The students talked to the villagers, listened to their concerns, and offered any help they could. The main problems mentioned by the villagers included lack of 24-hour electricity, Mee-seva services, hospitals, bus stops, and proper roads. They also faced issues like unemployment and health conditions such as high blood pressure, diabetes, and arthritis. The villagers were hopeful that these problems would be solved in the future.

The day ended with the villagers thanking the team for their efforts and for caring about their well-being. The visit not only provided useful information but also built a strong connection between the college and the village, promising further support in the days to come.

REPORT ON NATIONAL SPORTS DAY

Topic of event: **NATIONAL SPORTS DAY**

Date & Time of Event: September 2nd, 2023, 3:00pm-5:00pm

Hosted by- Sarojini Naidu Vanita Pharmacy Mahavidyalaya, Tarnaka,
Hyderabad

Venue: SNVPMV

On 2nd September, Sarojini Naidu Vanita Pharmacy Mahavidyalaya College for Women (Sponsored by Educational Society) organized NATIONAL SPORTS DAY for faculty and students.

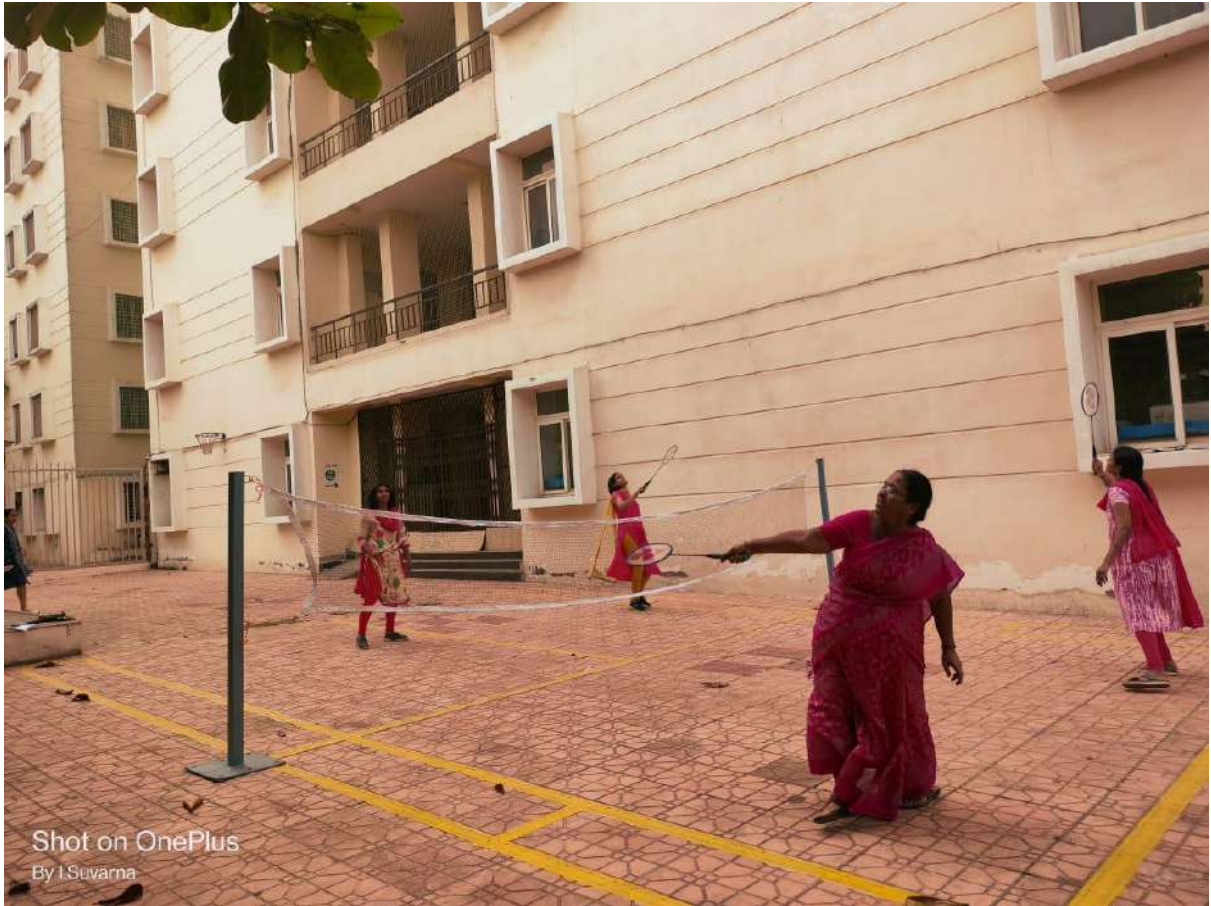

The goal of this program is to increase the Participants spirit, burst stress and make them physically active.

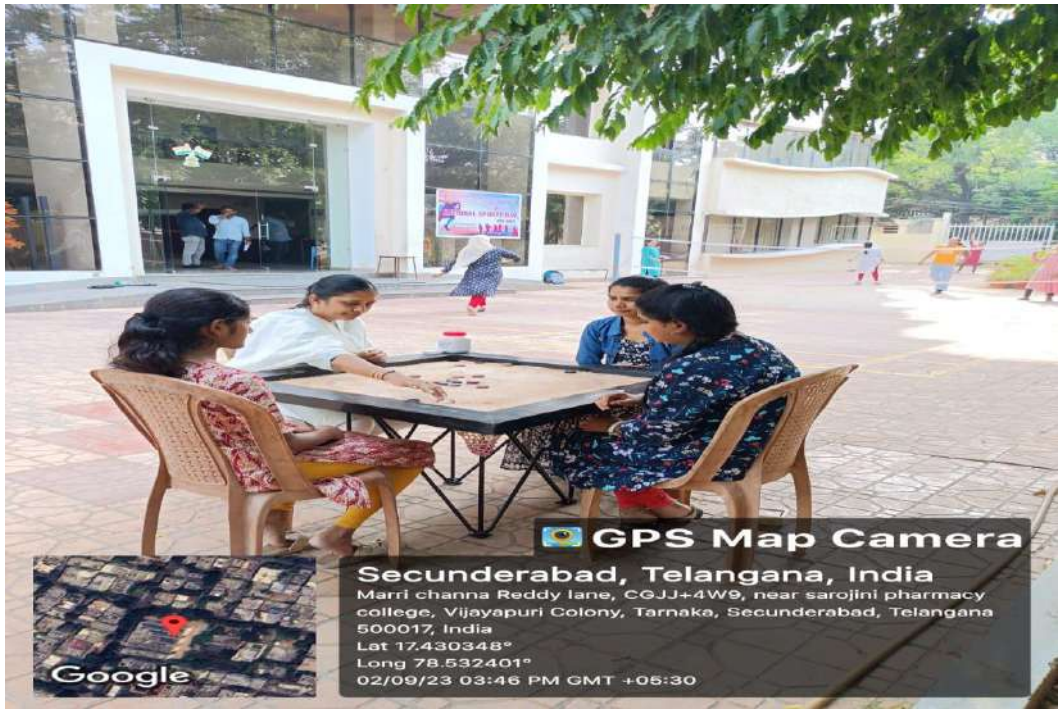

The programme was started by addressing both Faculty and Students by of B Pharm students.

They introduced themselves, addressed the gathering, started the programme with wishes and mentioned about the necessity of SPORTS in the current scenario. Then the Program continued with both Indoor and Outdoor Sports like Chess , Carroms, Tennis, Shuttle Cricket And Tug of War. More than 100 Students have participated. Even the Faculty also Participated with much energy and enthusiasm.

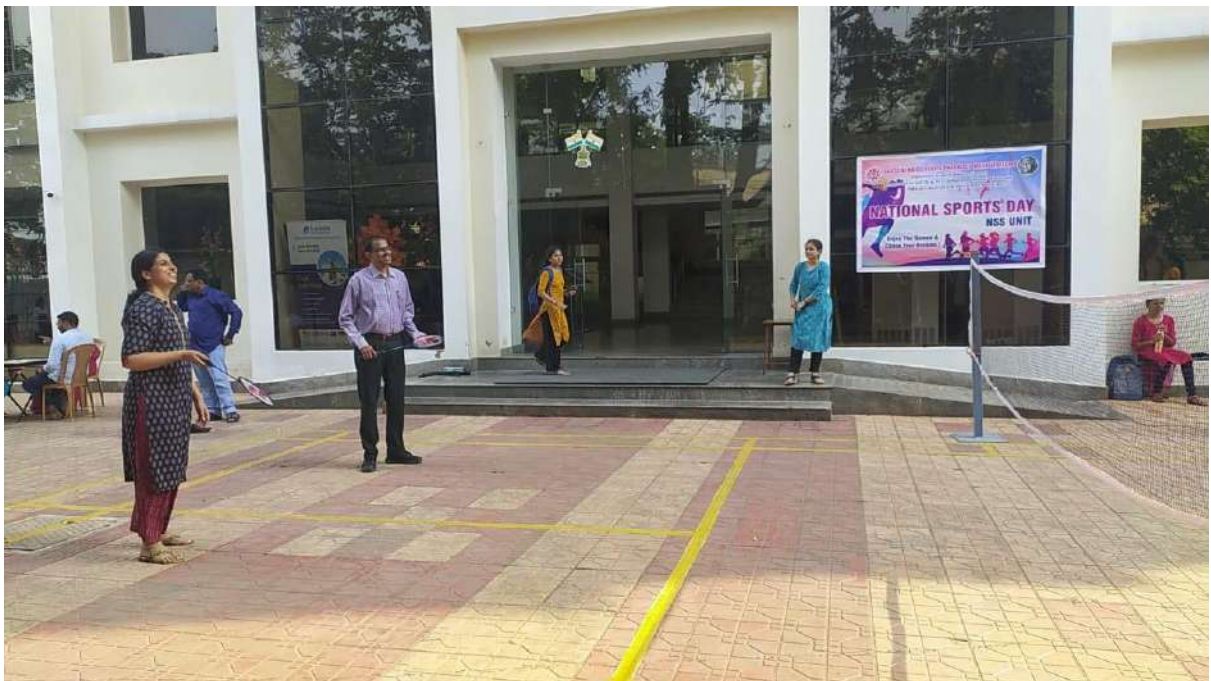

Playing sport helps to control their emotions and Channel Negative feelings in a positive way. It also helps to develop Patience and Understand that it can take a lot of Practice to improve both their physical skills and what they do....

Session was closed at 5:00 pm with National Anthem.

Report on YI-YUVA Regional Competition at Vasavi College of Engineering

Date: 05-09-2024, 10.00 am-8.00 pm

Venue: Vasavi College of Engineering, Ibrahim Bagh, Hyderabad, Telangana.

Organizer: YI-YUVA Regional Mentor – YUVA Anind Ben Roy, YI-YUVA Hyderabad Chapter Chair – Shivani Loya.

Overview:

On 5th September 2024, Thursday, an engaging and interactive event was conducted by YI-YUVA at Vasavi College of Engineering. The event featured multiple programs aimed at promoting innovation, leadership, and technological advancements. Participants from various institutions from different southern states have attended, making it a diverse and vibrant gathering.

Programs included:

- Special Performance by Students of Devnar School for The Blind & CWC.
- Design Your Life – An Innovation Design Thinking Workshop
- Sustainable Fashion Climate Change
- Future 4.0 Health Regional Finals.

Program Highlights:

The event comprised several interactive sessions, workshops, and discussions that covered a broad range of topics. One of the key programs focused on addressing mental health issues across different states. The session emphasized the importance of mental well-being and introduced innovative thoughts on eradicating mental health problems in India. Discussions included:

- **Overcoming Mental Health Challenges:** Experts and Participants shared strategies for addressing mental health crises in different states, highlighting the need for better awareness, community support, and mental health infrastructure.
- **Innovative Approaches:** New ideas were explored to tackle mental health issues, such as integrating mental health education into schools, leveraging technology like AI-driven therapy, and creating community based support networks.

Participation:

Sonia of Pharm D IVth yr of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad, Telangana, actively participated in the Future 4.0 Health Regional Finals discussion, and she was accompanied & encouraged strongly by Dr. M. Shiva Rama Krishna, Mrs. J. Sarika & Ms. S. Deepthi (New YI-YUVA Chair of SNVPMV) which was centered on mental health, focusing on how to overcome mental health issues- across different states, which

includes Assam, Tripura, Manipur, and Arunachal Pradesh states of India. Her session explored innovative approaches to address these challenges, including new ideas to improve mental health awareness, enhance community support, and integrate technology-driven solutions. Her contributions were centered on finding practical ways to eradicate mental health problems in diverse regional contexts.

REPORT ON MARS THERAPEUTICS PRIVATE LTD

Sri Hari Babu, General Manager, Technical, Dr. Suresh Babu, Deputy General Manager-Technical and Dr. H. Vijay Kumar, Head of Quality of Mars Therapeutics Pvt. Ltd. The officials of Mars Therapeutics Pvt. Ltd. interacted well and have shown their manufacturing unit and QC department. The SNVPMV faculty were explained about the various formulations preparation from weighing to packing, stability studies of the various batches etc. Modern instruments purchased recently by MARS and their benefits were explained well. Few APIs were given as gift samples for SNVPMV projects.

MoU related activities were planned by both the officials viz., Guest lectures, Industrial visit for students, paid internship for M.Pharm students and Campus placements for final year students of B.Pharm and M.Pharm.

Overall, the industrial visit of SNVPMV Faculty to Mars Therapeutics Pvt. Ltd. was successful.

Important words by Speakers:

Sri.Sandeep Shandilva, Director of anti-narcotic bureau gave the following valuable information:

1. A Senior should not force their junior to do something that she is not comfortable doing. Such actions amount to ragging.
2. Ragging can cost people their life. Young and sensitive minds are Impressionable like fresh snow; what happens to us now stays with us our entire lives. Therefore, it is necessary that we don't go overboard with our pranks and talks. There are other nicer ways to getting to know someone than ragging necessarily.
3. **“जो तटस्थ हैं, समय लिखेगा उनके भी अपराध”- रामधारी सिंह दिनकर द्वारा रचित ‘समर शेष है’** i.e “One that stays neutral will also pay for his sins”, is a line from the famous hindi poet Ram dhari Singh Dinkar in his poem ‘Samar shesh Hai’. The title of the people translates to ‘War is not over yet’. What one needs to understand from this line in the poem is that, we need to voice our disagreement when we see something wrong being done-be it ragging or drug abuse otherwise we are equally responsible if we try to ignore it or mask it.
4. Find joy in small things in life and not in drugs. We must appreciate the small but beautiful things in life.

5. '8712671111' is a toll free helpline for public for matters relating to drug and substance abuse. The identity of the informant is kept confidential.

Srinivasa reddy sir later discussed the following points

Drug abuse is a menace to the society. Outside forces use this as a tool to destroy the social fabric of our country. A state-level body called the Telangana anti-narcotics beauru has been established to fight against drug abuse in the state. It's a first of its kind, as no other state in India has a state level anti-narcotics bureau.

In the fight against drug abuse, youth should be in the forefront backed by government organizations.

Around 800 people attended this event. NCC and NSS student volunteers with the Principals and NSS program officers from different colleges attended this event.

“ SAY YES TO LIFE, NO TO DRUGS”

“I promise to be drug free, respect others, and help create a safe community.”

ACKNOWLEDGMENT

We thank TGCHE (Telangana Council of Education) & NSS coordinator Dr. Saween Sowdha sir, for giving us this opportunity.

CONCLUSION

The fight against drug abuse and ragging is crucial for the well-being of future generations. Educating young people about the dangers of drug abuse, fostering strong moral values, and providing supportive environments are essential steps toward prevention. Schools and colleges must enforce strict anti-ragging policies, create awareness campaigns, and promote a culture of respect and empathy.

Future generations must be empowered to make informed choices, reject harmful behaviors, and support their peers in doing the same. By working together, communities, educators, and policymakers can create a safer and healthier environment, ensuring that the youth can thrive without the shadows of drug abuse and ragging.

REPORT ON CELEBRATION ACTIVITY OF INSTITUTION **INNOVATION COUNCIL SNVPMV**

Date & Time of Event – August 15th 2024, 10.30 AM.

Hosted by - Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Hyderabad.

INDEPENDENCE DAY CELEBRATION- AZADI KA AMRIT KAAL

On 15th August 2024, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya organized 78th Independence Day celebration under the Institution Innovation Council (IIC) as part of “Azadi Ka Amrit kaal”. The event began at 10.30 AM with a flag hoisting ceremony, setting a patriotic tone for the day. Esteemed dignitaries viz., Smt. Sandhya Depala, Hon. Treasurer, SNVPMV; Dr. N. Srinivas, Director, SNVPMV; Dr. T. Mamatha, Principal, SNVPMV; Dr. K. Sirisha, Vice-Principal, SNVPMV have graced the meeting. The event featured insightful addresses from several dignitaries, including:

Smt. Sandhya Depala, Hon. Treasurer of SNVPMV, emphasized the institution’s commitment to integrating innovation in its practices. Madam extended her support in creating a supportive ecosystem for entrepreneurship which is vital for nurturing innovation. Madam also encouraged to provide access to funding, mentoring, and networking opportunities for startups and small businesses.

Dr. N. Srinivas, Director of SNVPMV, discussed the pivotal role of innovation in nation-building. Sir stated that innovation is the cornerstone of technological advancement which fuels research and development, leading to breakthroughs in various fields, from medicine and agriculture to energy and communication. Sir also emphasized that in today's interconnected world, innovation is essential for maintaining global competitiveness which enables nations to stay ahead of the curve, attract foreign investment, and secure a place in the global economy.

Dr. T. Mamatha, Principal of SNVPMV, highlighted the transformative impact of innovation in education. Madam explained that innovation fosters job creation by stimulating economic growth and creating new industries. It leads to the development of new skills and competencies, which are essential for a thriving workforce. Madam also emphasized on strong intellectual property rights which are essential to protect innovators and encourage investment.

Dr. K. Sirisha, Vice-Principal of SNVPMV, reinforced the need for collaborative efforts in fostering innovation.

Dr.P.Vivek Sagar, Convener, NIRF coordinator has given his valuable insights on the role of women innovators in nation building and encouraged all the students to work with innovative ideas and develop entrepreneurship skills.

Dr. P. Praneetha, the Innovation Activity Co-ordinator, provided an overview of the IIC’s activities and its alignment with the broader goals of Azadi Ka Amrit kaal.

Student contributions were also a key part of the event. Ms.Ujwala and Ms.Sana B.Pharm 3rd year, delivered talks on the importance of innovation in nation-building, reflecting the enthusiasm and potential of the younger generation.

The event took the opportunity to recognize and reward faculty members for their significant contributions to innovation. Around & faculty who have patent grants were falicitated with a momemto. There was active participation from faculty members, students, non-teaching staff, governing body member, and student volunteers. The event was enthusiastically participated by approximately 70 participants.

General Secretary, IPA-TS Branch
Sri K. Ram Prasad Reddy

On the auspicious occasion of the **78th Independence Day Celebrations**, a **Blood donation camp** was organized by **Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, IPA-SF Telangana State Chapter, and IPA-TS BRACH** in association with **INDIAN RED CROSS SOCIETY** under the able leadership of **Dr. B. Prabha Shanker and his team** as a part of community service.

Dr. Chintha Sailu, UCT, OU graced the event as Chief Guest. The Guests of Honour were **Sri. K. Ram Prasad Reddy, General Secretary, Indian Pharmaceutical Association**, Telangana State Branch; **Prof. Srinu Naik, UCT, OU** and **Prof. Raajam, UCT, OU. Smt. Sandhya Depala, Hon. Treasurer, SNVPMV** graced the event.

Ms. Aarzo Ali and **Ms. Arshiya** of B. Pharm 2nd year hosted the event and the program started with a ribbon cutting and inviting the dignitaries onto the stage to light the lamp followed by a prayer song by **Ms. Mahathi** of M. Pharm 1st year. All the dignitaries spoke about the importance of blood donation and appreciated the Indian Red Cross Society for serving the society by operating 1100 branches throughout the country

The camp witnessed an enthusiastic response, with a remarkable turnout that resulted in the collection of around 40 Units (12 Litres) of blood. This impressive participation underscored the community's commitment to the noble cause of blood donation. A team of dedicated IPA-SF student volunteers, in collaboration with faculty members, played a pivotal role in the seamless execution of the event. They efficiently managed donor care and the overall operations, ensuring that the camp ran smoothly and effectively. The collected blood will be utilized for Thalassemia patients. The event not only facilitated blood donations, but also raised awareness about the vital importance of blood donation and its positive impact on society.

We extend our deepest and most heartfelt gratitude to our Chairman, Dr. B. Prabha Shankar, President, IPA-TS Branch for organizing this blood donation camp, particularly on Independence day. His guidance and encouragement were pivotal in the planning and execution of the camp. We would also like to express our sincere gratitude to the rest of the college Management for their support in the successful conduct of this event. We are highly thankful to Dr. K. Pitchi Reddy, Director, Red Cross Blood Bank, Vidyanagar, Mr. Prashanth, PRO, Red Cross Blood Bank, Mr. Suman, Mrs. Surekha & all other Red Cross Staff and volunteers for their cooperation & support in successfully conducting this event on 15th August 2024. Our thanks extend to the dedicated faculty and non-teaching staff, whose tireless efforts and enthusiasm contributed greatly to the smooth running of the camp. Most importantly, we appreciate the sincere and immense efforts of IPA-SF students who volunteered their time and energy for about a month to organize this camp along with other active student volunteers of SNVPMV.

This event stands as a testament to the power of collective action and community spirit. The success of this initiative underscores our shared commitment to make a positive impact. We look forward to continuing this spirit of collaboration and community service in future endeavors, building on the success of this event and striving to make an even greater difference in the future.

The session ended with felicitation to the guests followed by a vote of thanks by Sri K. Ram Prasad Reddy, General Secretary, IPA-TS Branch.

PRINCIPAL

REPORT ON INDEPENDENCE DAY - NSS UNIT (HAR GHAR TIRANGA)

SUMMARY:

On 15th August, **Sarojini Naidu Vanita Pharmacy Maha Vidyalaya** proudly organized a grand celebration to commemorate the 78th anniversary of our independence. The event was a vibrant display of patriotism, unity, and cultural diversity, with participation from students, faculty, and community members.

On the momentous occasion of Independence Day, SNVPMV organized a vibrant celebration to honour the nation's freedom and its rich history. The event commenced promptly at 9 AM, marking the beginning of a day filled with patriotism and unity. The program began with the ceremonial flag hoisting, led by the esteemed Guest of Honour, Sri B.Hanumanth Rao, Hon. Secretary of SNVPMV. He was joined by Dr. N .Srinivas, Director of SNVPMV, Dr. T. Mamatha, Principal of SNVPMV and Dr. K. Sirisha, Vice-Principal of SNVPMV who together unfurled the national flag, symbolizing the spirit of independence and the collective aspirations of our institute.

"Har Ghar Tiranga" is an initiative under the broader "Azadi Ka Amrit Mahotsav" campaign, launched by the Government of India to celebrate 75 years of Indian Independence. The initiative encourages citizens to bring the national flag, the Tricolor, into their homes and display it with pride from August 13 to August 15 each year. The campaign aims to evoke a sense of patriotism, unity, and collective pride in India's rich heritage and achievements.

As part of the celebration, the NSS (National Service Scheme) unit was formally launched, marking a significant step toward community service and youth involvement. Mr.D.Suresh, NSS Programme Officer, SNVPMV UNIT briefly introduced the objectives and goals of the NSS, emphasizing the importance of youth participation in national development and community service. Following this introduction, **the NSS volunteers took a solemn pledge**, committing themselves to the ideals of service and nation-building. **By collectively taking the pledge, NSS volunteers feel a strong sense of belonging to the organization and its mission. It unites them under a common purpose, strengthening the bonds among volunteers across the country.**

Guest Lecture on "Unlocking Happiness"

Organized by: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), Tarnaka, Secunderabad,

Date: November 16, 2024

Time: 3:00 PM

Location: Auditorium, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) hosted a guest lecture titled "Unlocking Happiness," designed to provide insights into personal happiness and well-being. The event was coordinated by Mrs. R. Prasanthi and Mrs. A. Shailaja, and anchored by Sana Fathima and Yachi Sheth, second-year B.Pharm students.

Dignitaries were welcomed to the dais with eco-friendly floral greetings, including: Smt. Depala Sandhya Honorary Treasurer, SNVPMV, Sri Chandrajeet Singh Honorary Joint Secretary, SNVPMV, Dr. N. Srinivas Director, SNVPMV, Dr. T. Mamatha Principal, SNVPMV. Dr. K. Sirisha Vice-Principal, SNVPMV. Mr. Depala Rahul Kumar Director, Vidyodaya School

The program opened with a prayer song, "Vandemataram," performed by N. Ananya and V. Akhila from the third-year B.Pharm. Dr. N. Srinivas gave the welcome address, followed by messages from other dignitaries, each emphasizing the institution's commitment to personal growth and holistic education.

Introduced by Ms. Sana Fathima, Mr. Deepala Rahul Kumar, Director of Vidyodaya School, captivated attendees with an interactive and thought-provoking session on happiness. His talk began with engaging ice-breaker questions and thought experiments that prompted the audience to think deeply and redefine their perceptions of success and happiness.

Key highlights from his lecture included

1. Expectations and Motivations – Mr. Rahul Kumar asked the audience to reflect on their reasons for attending college, emphasizing values like earning respect, building friendships, and taking care of family.
2. Goal of Happiness – He explained that true happiness stems from self-discovery, nurturing unique talents, and maintaining meaningful connections.
3. Lessons from Success and Failure– Referencing Steve Jobs and Albert Einstein, Mr. Rahul Kumar encouraged attendees to "educate to be happy, not rich" and to recognize failures as essential steps toward growth and gratitude. He emphasized acceptance and learning from failures as critical to happiness.
4. Mr. Rahul Kumar shared a four-part formula:
 - Invest in Inner Talents – Find unique skills and develop them.
 - Contribution to Others – Happiness is enhanced by contributing to the well-being of others.
 - Accept and Learn from Failures – Failures are not setbacks but learning opportunities.

- Build Strong Friendships and Seek Mentors – Quality relationships are crucial for long-term happiness.

He concluded with a reminder that increasing happiness is a gradual process, requiring patience and consistent effort. Following his insightful lecture, Mr. Rahul Kumar was felicitated by the dignitaries. Dr. K. Sirisha, Vice-Principal, expressed gratitude in the vote of thanks, acknowledging everyone who contributed to the event’s success. The program concluded with the National Anthem.

The lecture was a profound exploration of happiness, offering actionable insights into achieving a fulfilling life through self-awareness, resilience, and positive relationships. The event left a lasting impact on attendees, encouraging them to pursue happiness with renewed understanding and purpose.

REPORT ON UBA VILLAGE VIST (PEDDATUPRA)

Date: September 28, 2024

Time: From 10:00 am onwards

Venue: Peddatoopra

Co-Ordinator – Mr.D.Suresh

Activities:

On 28th September 2024 (Saturday), a group of 14 enthusiastic students and three faculty members Mr. D. Suresh, Mrs. A.Shailaja, Dr. M. Shiva Rama Krishna and two non faculty members Mr.Venkatesh and Mrs.Archana from Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad, Telangana embarked on a journey to Peddatoopra village as part of the Unnat Bharath Abhiyan initiative.

Upon arrival, the team was warmly welcomed by the head of the village, who extended his gratitude for choosing their village for the survey. Our team interacted with the villagers actively, we wasted no time and immediately got down to business along with some students of that village, who assisted the team. The team split up into groups and started conducting surveys. Mr.Venkataiah was along with us for this survey meanwhile Mr.K.Shashidar Reddy – Panchayath Secretary of the village joined us later. The surveys included gathering information about the number of family members, their occupations, landholding details, general household information, agricultural inputs used by the farmers, and major problems faced by the villagers.

The students interacted with the villagers, listened to their concerns, and offered any assistance they could provide. The villagers were facing challenges with access to water, electricity, hospital facilities, and unemployment

The villagers were cooperative and willingly shared their information with the team. The students were diligent in recording the details accurately and efficiently.

The team had gathered a total of 300 household surveys, which would provide valuable insights into the lives of the villagers and help in formulating development plans for the village.

After the survey, we relaxed in the temple and had a quality time with K. Shashidar Reddy sir as he took charge of delivering the pledge and gave some valuable inputs to the village. The green fields of paddy, Cotton, Lakes, and Canals were the main attractions of the village. Each one of our team explored the village well and came with satisfaction.

Outcome

The visit highlighted critical areas for improvement, such as the need for better healthcare facilities, educational support, and agricultural innovations.

Conclusion

The Unnat Bharat Abhiyan visit to the village was a resounding success, with the team making a significant impact on the lives of the villagers. The experience had a profound effect on the students, shaping their understanding of rural life and instilling in them a sense of responsibility towards the less privileged sections of society. The visit served as a reminder of the importance of community service and the power of collective action in bringing about positive change. The team left the village with a sense of fulfillment, knowing that they had made a difference in the lives of the villagers and had contributed towards their well-being.

Acknowledgments

We are highly thankful to the MHRD's UBA National Coordinating Institute IIT, New Delhi for giving us this opportunity and for providing us the necessary financial aid. Our special thanks to village panchayath secretary Mr. K. Shashidar Reddy, Ex-sarpanch Mr. Ch. Venkataiah, Ex-vice Sarpanch Mr. D. Venkataiah, Ex-ward member D. Vasantha and the village youth Ravi kumar, Bhaskar & 5 school students. We also thank the Management, Director, Principal and Vice-Principal of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya for their immense interest and support in

REPORT ON EVENT OF ORIENTATION DAY-2024

19th October, 2024

Time: 11.00 AM

ORIENTATION DAY was organized for M Pharm, Pharm. D (PB) aimed to welcome new students, introduce them to the academic environment and provide essential information regarding the curriculum, faculty, and campus facilities.

The **ORIENTATION DAY** ceremony-2024 was organized by Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Secunderabad, Telangana. The function commenced at 11:00 am, at the auditorium.

For this event, total participants attended were about 100 including students of M Pharm, Pharm. D (PB) along with their parents. Dr. P. Praneetha and Mrs. R. Prasanthi anchored the programme. Dr. S.Rohini Reddy and Dr. Ch. Shanthi Priya were the organizers for the programme.

The dignitaries below were invited on to the Dais with a floral bouquet

- ❖ **Dr. B. Prabha Shankar**, Chairman, Sarojini Naidu Vanita Pharmacy Mahavidyalaya; Managing Director & CEO, Leads Pharma Pvt. Ltd., Hyderabad & President, Indian Pharmaceutical Association, Telangana State Branch.
- ❖ **Sri B. Hanumanth Rao**, Hony.Secretary, Sarojini Naidu Vanita Pharmacy Mahavidyalaya
- ❖ **Smt. Depala Sandhya**, Hony. Treasurer, Sarojini Naidu Vanita Pharmacy Mahavidyalaya
- ❖ **Sri. Chandrajeet Singh, Hony. Joint Secretary**, Sarojini Naidu Vanita Pharmacy Mahavidyalaya
- ❖ **Dr. N. Srinivas**, Director, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.
- ❖ **Dr. T. Mamatha**, Principal, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.
- ❖ **Dr. K. Sirisha**, Vice-Principal, Sarojini Naidu Vanita Pharmacy Mahavidyalaya

The programme was started by lighting of the lamp and Vandemataram song by Ms. Rakshitha of Pharmd 4th year and Madhura of B Pharm II sem.

The event commenced with a welcome address by the Principal, Dr. T. Mamatha, who shared the college's vision, mission, and commitment to quality education. Madam emphasized on the college's commitment to providing high-quality education. The Principal spoke about the comprehensive curriculum, experienced faculty, and state-of-the-art facilities that the college offers, which are designed to equip students with the knowledge and skills necessary for their careers. Also encouraged students to build supportive relationships with their peers and faculty members. The address effectively set a positive tone for Orientation Day, encouraging students to make the most of their time at SNVPMV College and to approach their studies with enthusiasm and dedication.

Dr. N. Srinivas highlighted supportive learning environment, discussed the opportunities for research and innovation within the college, encouraging students to explore their interests and contribute to advancements in pharmaceutical sciences.

Dr. K. Sirisha began her address by extending a warm welcome to all the new students and congratulating them on their admission to the college. She expressed her enthusiasm for the fresh talent and energy that the incoming class brings to the institution. The Vice-Principal outlined about the club activities and other ongoing student council activities conducted for students and encouraged students to participate actively in more activities for their overall personality development.

Sri Chandrajeet Singh, Hony. Joint Secretary, Sarojini Naidu Vanita Pharmacy Mahavidyalaya congratulated the students and encouraged students to collaborate with their peers and seek guidance from faculty members. He assured students that the college community is dedicated to fostering their growth and success.

Smt. Depala Sandhya, Hony. Treasurer, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya conveyed a message of resilience and determination. She reminded students that challenges are a part of any educational journey and encouraged them to persevere and seek help when needed. She highlighted the importance of engagement beyond academics, as these experiences contribute to personal growth and professional development.

Sri B. Hanumanth Rao, Hony.Secretary, Sarojini Naidu Vanita Pharmacy Mahavidyalaya extended a warm welcome to all the new students and congratulated them on their admission to the college wishing them All the Best.

Dr. B. Prabha Shankar, Chairman, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya addressed by warm welcoming all new students and congratulating them on their decision of choosing Sarojini Naidu Vanita Pharmacy Maha Vidyalaya. Sir elaborated on the importance of Exhibition Society which successfully runs KG to PG education by establishing around 20 prestigious colleges some of which are very old and reputed institutions in Hyderabad and other areas of Telangana. Dr. B. Prabha Shankar stressed the importance of integrity and ethical practice in pharmacy. He reminded students that they are not just pursuing a career but also a calling that requires a commitment to the highest standards of professional conduct.

Later to it, all the invitees were served delicious lunch in the cellar of SNVPMV, Tarnaka, Hyd.

Post lunch, there was an interactive session of parents and students with the Management members, faculty of Sarojini Naidu Vanita Pharmacy Mahavidyalaya. Parents shared their perspectives and experiences, expressing appreciation for the college's efforts, faculty support, career opportunities, and campus facilities. Students also participated in the interaction, sharing their experiences and insights about the college and expressed their wish and happiness for getting seat in this institution- Sarojini Naidu Vanita Pharmacy Mahavidyalaya.

Next Dr. K. Sirisha, Vice-Principal, SNVPMV has presented M. Pharm guidelines. Introduction of each department done by HODs with presentations. Finally CO/PO attainment was explained by Dr. B. Siva Jyothi, Associate Professor, Department of Pharmaceutical Quality Assurance to all the attendees.

Vote of thanks was given by Dr. T. Venu, HOD, Department of Pharmacology thanking all the attendees in making time to attend the event and making it successful. And the program ended with National anthem.

The Event started with Bandmarching with Dr. B. Prabhashankar, Chairman of the college, Chief Guest Prof. R. Limbadri, Guest of Honor, Prof. Chintha Sailu, Sri K. Niranjan Vice President, Exhibition Society, B. Surender Garu Hon.Secretary, Exhibition Society, Sri B. Hanumanth Rao, Hon. Secretary of the college, Smt. Deepala Sandhya Garu Hon. Treasurer of the college, Sri Chandrajeet Singh Garu, Joint Secretary of the college, Sri Aditya Margam, Vice-President, Economic Committee, Sri R. Sukesh Reddy and the management members of Exhibition Society & OGA, Director Dr. N.Srinivas, Principal Dr. T. Mamatha and Vice-Principal, Dr. K. Sirisha with pagidis and strolls underlining the significance of embracing diversity and the importance of preserving and celebrating traditions. Event started by inviting the guests on to the dais with greetings, then with lightening of the Lamp and Prayer song by Mahathi of M. Pharmacy IInd year and Rakshitha of Pharm D IVth Year.

Ceremony Commencement:

The Graduation Day ceremony, commenced at 12:00 P.M. by the two Anchors Mrs P. Kavitha, Assistant Professor, Department of Pharm. Chemistry and Mrs. J. Swathi Assistant Professor, Department of Pharm. Analysis. This exceptional ceremony aimed to celebrate not only the academic achievements of the graduating class but also their diverse cultural backgrounds and identities.

Attire:

Graduates appeared in resplendent Off-white Sarees, Red Color Pagdis, and strolls representing the elegance and diversity of cultures. All graduates proudly wore SNVPMV strolls around their neck, which served as a unifying symbol of their academic accomplishments.

Inspirational Speeches:

Welcome address was given by **Dr. B.Prabha Shankar**, Chairman of SNVPMV on the auspicious occasion of Graduation day for the staff, graduates, parents and the audience. He welcomed all the dignitaries on the Dais, Honorable Chief Guest, Prof. R. Limbadri, Guests of Honour, Prof. Chintha Sailu, Vice President, Exhibition Society, Sri K. Niranjana and Sri B. Surender Reddy, his colleagues, governing body, management members of exhibition society OGA and Economic Committee. He gave a warm welcome to the parents of graduating students. He congratulated all the graduating students and their parents.

Mrs.J.Swathi Assistant Professor, Department of Analysis introduced **Prof. R. Limbadri**, Honorable Chief Guest, Former Chairman, Telangana State Council of Higher Education. Later he delivered his speech by congratulating the brilliant graduates of the 24th batch of B. Pharmacy, 2nd batch of M. Pharmacy and 3rd batch of Doctor of Pharmacy. He highlighted the importance of their role in tackling healthcare challenges and serving communities. The graduates were encouraged to continue learning, innovate, and make a positive impact as they enter the workforce. As graduates of this esteemed institution, they were entrusted with the responsibility to further elevate the field of pharmacy, to be the bridge between scientific innovation and the health of our communities. He said whether they go on to work in hospitals, research, regulatory affairs, industry, or academia, they should remember that each role has a profound impact on the health and well-being of others. He gave best wishes to all!

The Guest of Honour, **Prof. Chintha Sailu** Dean of the Faculty of Pharmacy congratulated the class of pharmacists on their graduation. He commended their dedication, resilience, and strong

foundation in ethics and knowledge. He emphasized the evolving role of pharmacists in patient care, public health, and scientific advancement. He urged graduates to carry forward their values of integrity, curiosity, and service, and to continue lifelong learning. The ceremony celebrated the graduate's achievements and their potential to make significant contributions to the healthcare sector. He said that it was his privilege to join us today in celebrating this significant milestone. He said that the student's perseverance and dedication have led them through the challenging pharmacy program, and today they are emerging as accomplished professionals.

He said that as the students embark on this new chapter, they should be proud of their achievements and excited for the vital role they will play in healthcare. Their hard work and commitment will make a positive impact on countless lives. He also acknowledged the exemplary leadership of Dr. Prabha Shankar, Chairman, SNVPMV for his efforts in connecting with industry leaders and prioritizing student's success, by being instrumental in shaping their educational journey.

Sri K. Niranjan Vice President, Exhibition Society, a long-time supporter of the institution, congratulated graduates and highlighted the vital role pharmacists play in healthcare. The speaker emphasized the importance of continuous learning, ethical practice, and using knowledge to serve society. He expressed pride in the graduates and their potential to contribute positively in the healthcare field. As they embark on their professional careers, he advised them to always strive for excellence, upholding the values instilled in them, and continue learning. He said that they have been blessed with the power of knowledge, and it is now their responsibility to use it wisely for the betterment of society.

Sri B. Surender Garu, Hon. Secretary, Exhibition Society Congratulated all the Pharmacists as essential contributors to the health and wellness of society. He said that they are now entering a profession that the world looks to with trust, expecting them to ensure safety, innovation, and a compassionate approach to care. He urged them to embrace this responsibility with both confidence and humility.

Smt. Deepala Sandhya Garu, Hon. Treasurer of the college addressed that graduation day marks a significant milestone, a celebration of student's hard work, dedication, and the beginning of a new chapter in their journey as pharmacists. They are not just dispensers of medication, but educators and guardians of patient health. She said that student's are the vital

link between scientific discovery and community healthcare, ensuring patient safety and societal well-being. Students possess the knowledge and skills to make a profound impact, to apply them wisely and strive to improve society. The future of healthcare shines brighter with their presence and SNVPMV has equipped them with the knowledge and skills to make a difference. As they embark on this new chapter, she expressed gratitude to those who supported them. Finally, she told them to go forth, make a positive impact, and make SNVPMV proud and ended with her Congratulations and best wishes!"

Vote of Thanks was given by Sri B. Hanumanth Rao, Hon. Secretary of the college. Sir said that we are honored by the presence of the esteemed guests: Prof. R. Limbadri, Prof. Chintla Sailu, Dr. B. Prabha Shankar, Sri K. Niranjan, and Sri B. Surender Reddy. Their guidance and support are invaluable. He thanked the Director, Principal, Vice-Principal, HODs, staff, parents, and the organizing committee for their hard work. He said that SNVPMV is grateful to the press, media, student volunteers, and Exhibition staff for their contributions.

He conveyed his Congratulations to the SNVPMV graduates and their families and wished them a bright future. Sir thanked all the attendees for joining the celebrations today.

Presentation of Certificates:

Each graduate of M.Pharmacy, Pharm D & B.Pharmacy were individually called onto the stage to receive their certificates while adorned in the saree, pagidi, and stroll. This unique blend of traditional attire and academic accessories symbolized not only their academic success but also their cultural pride and unity.

Awards and Honours:

Special awards (momentos) were presented to graduates who demonstrated outstanding Academic achievements, and NPTEL rankers who made notable contributions to promoting diversity and cultural understanding. These accolades celebrated both academic excellence and their commitment to fostering inclusivity.

Administration of Pharmacist Oath:

Pharmacist Oath was administered by Dr.K.Sirisha, Vice-Principal, SNVPMV to all the graduates of all programs along with the dignitaries on the dais and faculty of SNVPMV.

Graduation Cap Toss:

The traditional graduation strolls toss was a moment of great jubilation and symbolism.

Graduates joyfully tossed their strolls into the air, creating a captivating scene where sarees, pagdis, and strolls blended seamlessly in the spirit of celebration.

Conclusion:

The Graduation Day with Saree, Pagidi, and Stroll was a truly exceptional event, celebrating not only academic accomplishments but also the rich tapestry of cultures, backgrounds, and identities represented by the graduating class. The fusion of traditional attire with academic strolls served as a powerful reminder of the importance of cultural heritage and diversity in the educational journey.

Acknowledgments:

We extend our heartfelt gratitude to the Management, Director, Principal, SNVPMV and all the individuals (Staff & students) who contributed to the success of Graduation Day with Saree, Pagidi, and Stole. Their dedication to promoting diversity and cultural pride made this event a memorable and culturally enriching experience.

Report on Participation of Sarojini Naidu Vanita Pharmacy Mahavidyalaya Students in Inter-college Chess Competition 2024

Date: 25th OCTOBER 2024

The students of Sarojini Naidu Vanita Pharmacy Mahavidyalaya showcased their exceptional sporting abilities and competitive spirit at the Inter-college Chess Competition, hosted at **Villa Marie Degree & PG College for Women, Somajiguda**. This prestigious event attracted participants from across the region, and the colleges delivered remarkable performances in various categories, with chess being one of the standout events.

CHIEF GUEST'S ADDRESS

The event was graced by the esteemed presence of Mr. Ramaesh Nagapuri Dronacharya, awardee Telangana, chief coach Jr.Indian Athletics & Mr. S Mohan Kumar, Assistant Commissioner of Police, Panjagutta Division, HYD, the Chief Guest for the competition, who inspired the participants with an empowering address. In their speech, the chief guest emphasized the importance of sportsmanship, resilience, and the role of competitive sports in shaping a well-rounded personality. Their words motivated the students to give their best and strive for excellence in every aspect of their lives.

PARTICIPATION AND PERFORMANCE

The event saw active participation from more than five students who demonstrated outstanding skills, strategic thinking, and concentration in the chess competition. Each participant showcased their talent and determination to excel, contributing to an engaging and thrilling contest.

Their dedication and performance in the tournament were not only commendable but also reflected the college's emphasis on encouraging holistic development among its students. The intense matches drew appreciation from the audience and the panel of judges alike.

APPRECIATION AND ACKNOWLEDGMENT

The exceptional efforts of the participants did not go unnoticed. The college administration and faculty members extended their heartfelt appreciation to the students for their dedication, commitment, and exemplary performances. The achievements of these students serve as an inspiration to their peers and the larger student community.

The college also acknowledged the tireless efforts of the organizing committee, coaches, and volunteers who ensured the smooth execution of the competition. Their behind-the-scenes work played a crucial role in the success of the event.

CONCLUSION

Inter-college chess competition held at Villa Marie Degree & PG College for Women was a grand success, showcasing the exceptional sporting abilities and competitive spirit of the students. The event not only highlighted the importance of physical activity and sportsmanship but also reinforced the values of teamwork, perseverance, and excellence.

With such events, it encourages our students to excel not only in academics but also in extracurricular activities, nurturing a generation of empowered, well-rounded individuals.

REPORT ON SEMINAR

“Decoding Professional Practice for A Holistic Career” Seminar conducted on 23/10/24

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), Tarnaka, Hyderabad, conducted a Seminar on 23rd October 2024 at 11:15 AM in the auditorium of the Institution.

The seminar was on the critical topic of “Decoding Professional Practice for Holistic Career”. It was organized in association with EduSelf and powered by Greenvio Solutions. The main speaker for the day was Architect and Green Building Consultant, Ms. Nahida Abdullah Shaik. The program was conducted by Programme co-ordinator, Mrs. R.V.S. Latha Sree and IQAC Co-ordinator, Dr.P. Vivek Sagar in the presence of the Director, Dr.N.Srinivas; Principal, Dr.T.Mamatha; Vice-Principal, Dr.K.Sirisha, teaching staff, non-teaching staff and students.

The program was Anchored by Ms. M. Rakshitha and Ms.V. Sai Malavya of Pharm.D. 4th year.

The Program was started by Ms. M. Rakshitha, where she gave a brief introduction on the day’s topic. She later asked all the dignitaries to grace the dais. Eco greetings to the speaker were presented by Ms.V. Sai Malavya.

Then the Director addressed the gathering. He enlightened the students about the importance of the seminar topic, all the while acknowledging the changes that took place after Nahida madam’s previous visit on 7.11.2023.

This was followed by the address by the Principal, who spoke with the audience about the new green initiatives taken by college. She addressed the increased greenery around the college and the solar powered electricity in the college.

Then Ms.V. Sai Malavya came onto the stage to give a brief introduction of the esteemed guest speaker of the day- Ar. Nahida Shaik.

Ar. Nahida Shaik took over the stage to carry on the seminar. The seminar was filled with keen listeners and interactive students. Nahida Madam interacted with the audience as well while explaining the topic with eloquence. The seminar was divided into two main parts- the first part gave stories of great personalities like Late Ratan Tata Sir and Madam Saalumara Thimmakka. The second part included tips that bring out noticeable changes in students lives, this included the 8:8:8 rule and the Pomodoro technique.

The seminar ended with Nahida Madam interacting with a few of the students asking them about their take away from the seminar. This part helped students to know more about the speaker and to ask her questions as well.

Finally, the seminar ended with a vote of thanks given by our college Vice-principal and a felicitation of our respected speaker at 1 PM in the afternoon.

The whole programme ended with a group photo with the speaker, lecturers, and students. The programme was successful and filled with many learning moments for the students. It was knowledgeable and entertaining.

REPORT ON UBA VILLAGE VIST (RAMANUJAPUR)

Date 21/10/2024

Time -From 8:00 a.m onwards

Venue – Ramanujapur

Coordinator– Mrs.J.Sarika Assistant Professor, SNVPMV

On 21st October 2024 a group of 14 Energetic students of UBA students club, three faculty members Mrs.J. Sarika, Dr.M.Sreekanth, Mr.K.Sandeep and 2 non-teaching faculty members from Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) visited Ramanujapur village, Shamshabad Mandal as part of the Unnat Bharat Abhiyan Program.

The journey began at 8 am, in a vehicle provided by the institution. The journey was both relaxing and enjoyable, with scenic views of green fields all along the way. After an hour and a half of traveling, we finally reached our destination at 9:30 am. The village ambiance was peaceful which immediately captivated the visitors.

After reaching the village, the team of Mr. Mahesh (Sarpanch) warmly welcomed us and, extended his gratitude for choosing their village for the survey. Volunteers of the village directed us to the routes of the village and the team wasted no time and immediately got down to base line house hold survey from the centre of village. They split up into groups and started conducting surveys. The surveys included gathering information about the number of family members, their occupations, landholding details, general household information, agricultural inputs used by the farmers, and major problems faced by the villagers.

The villagers were cooperative and willingly shared their information with the team. The students were diligent in recording the details accurately and efficiently. By 2.00 P.M survey was completed. Out of 300 Total Households the team had gathered a total of 227 surveys, which would provide valuable insights into the lives of the villagers and help in formulating development plans for the village.

After the lunch break, the team geared up for the next phase of their visit. They split into groups and visited the families in the village to gain a deeper understanding of their problems and needs. The students interacted with the villagers, listened to their concerns, and offered any assistance they could provide.

The villagers had reported some problems as there is no Government & Veterinary Hospital, No well-organized Sanitization in the village .In few wards there are electricity issues. The villagers appreciated the team's efforts and expressed their gratitude for taking an interest in their well-being.

After the survey was completed, the team took a well-deserved break with a visit to Sri Balaji

Venkateshwara Swamy Temple which was about 650 years old temple. The temple ambience was divine and soulful. The team enjoyed and clicked a lot of pictures.

As the day drew to a close. Team gathered one last time to bid farewell to the villagers. The head of the village thanked the team for their visit and promised to work on addressing the issues highlighted in the surveys. The team expressed their gratitude for the warm hospitality extended to them and promised to return with more assistance in the future.

On our return journey we also visited another temple Sri Sita Rama Chandra Swamy Devasthanam at Ammapallae which was eye pleasing with beautiful lake site. The visit was ended by having an delicious food at Mehfil.

The students discussed their experiences and shared their reflections on the day's activities. The faculty members commended the students for their dedication and hard work and encouraged them to continue their efforts in making a positive impact on society.

The team arrived back at the college by 8.30 p.m., tired but satisfied with the day's work. The visit to the village had been a profound learning experience for all involved, providing valuable insights into the lives of rural communities and the challenges they face. The team was inspired to continue their work in bridging the gap between urban and rural India and making a meaningful difference in the lives of the villagers.

The complete village visit Survey was successful by the support system. We the entire team are thankful to the Management, Chairman Dr.B.Prabha Shankar, Director Dr.N.Srinivas, Principal Dr.T.Mamatha, Vice-Principal Dr. K. Sirisha for providing the opportunity of being a part of making a difference in rural areas by the survey.

We are thankful to Mr.P. Sreedhar, Maintenance Officer for providing the transportation & Dr.B.Siva Jyothi, Associate Professor & Chief Warden of Hostel for providing a tasty Meal. We are also thankful to the local volunteers and a special thanks to Mr. P. Nagaraju, Gram Panchayat Raj Secretary, Ramanujapur & Sarpanch Mr.Mahesh for their encouragement and guidance all along the Village.

Report on Bathukamma and Dandiya Celebrations (5th October 2024)

The vibrant festivals of **Bathukamma** and **Dandiya** were celebrated with great enthusiasm on 5th October 2024 at **Sarojini Naidu Vanita Pharmacy Maha Vidyalaya** from 2:30 PM to 5:30 PM. The event was marked by the joyous participation of students, teaching staff, and non-teaching staff and the esteemed presence of the Governing Body (GB) members, the Director, the Principal and the Vice Principal of the college.

The celebrations began with the traditional Bathukamma, a floral festival that holds a special significance in Telangana's cultural heritage. Students and staff came together, dressed in colorful traditional attire, to arrange beautiful floral stacks. The college courtyard was filled with the sounds of folk songs, and everyone joined in the rhythmic clapping and dancing around the Bathukamma in union. This event symbolized the essence of togetherness and the importance of nature in people's lives.

Following this, the **Dandiya** segment commenced, filling the atmosphere with energy and excitement. Participants formed circles and danced gracefully to the beats of Dandiya music, showcasing the spirit of Navratri. The synchronized clapping of the sticks, combined with lively music, created an electrifying environment that resonated with joy and celebration.

The **GB members, Mrs.Sandhya Depala, Hon.Treasurer and Sri. Chandrajeet Singh, Hon. Joint Secretary** commended the event for fostering a sense of unity and cultural pride among the students. The **Director, Principal and Vice-Principal** also appreciated the efforts of the organizing team Mrs. G.Srilalitha, Dr.M Shiva Rama Krishna, and the enthusiastic participation of the students and staff. They emphasized the importance of celebrating cultural diversity and preserving traditions within the academic environment.

The Bathukamma and Dandiya celebrations concluded with a heartfelt vote of thanks to everyone who contributed to making the event a success. The event not only strengthened the bond between students, staff, and management but also provided a platform to showcase and celebrate the rich cultural heritage of India.

A REPORT ON FREE HEALTH CHECK CAMP

Date : 04/10/2024.

Venue : Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Seminar Hall).

Timings: 10:30 AM To 4:30 PM.

A free health check camp was successfully organized at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya. This initiative was a collaborative effort between Vijaya Diagnostic Centre, Vasan Eye Care Hospital, and Clove Dental, aimed at providing essential health services to both teaching and non-teaching staff.

Participating Organizations: Vijaya Diagnostic Centre conducted general health screenings, Vasan Eye Care Hospital provided comprehensive eye examinations and Clove Dental offered dental check-ups and oral health consultations.

Health Check Parameters:

1. General Health Assessment by Vijaya Diagnostic Centre.

- Blood Pressure Measurement
- Blood Sugar Levels
- Body Mass Index (BMI) Calculation

2. Eye Care Services by Vasan Eye Care Hospital:

- Vision Tests (including visual acuity assessments)
- Comprehensive Eye Examinations
- Consultation for Common Eye Health Issues

3. Dental Health Services:

- Oral Health Assessments
- Screening for Common Dental Issues
- Guidance on Oral Hygiene Practices

The camp witnessed active participation from the institution teaching and non-teaching staff, Principal, Vice Principal, and Director were present, encouraging staff to prioritize their health. The interactive nature of the camp facilitated a supportive environment where participants could ask questions and receive advice on maintaining good health. Over 80 teaching and non-teaching staff benefited from the health services provided such as

- Eye check-up - 66
- Dental check-up - 21
- BMI, RBS, B.P - 71
- Bone Mineral Density - 41

Health awareness was significantly increased among staff, emphasizing the importance of regular health check-ups. Follow-up consultations were scheduled for individuals requiring further medical

attention. The free health check camp was a successful initiative that highlighted the commitment of Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya to the well-being of its staff. The collaboration between Vijaya Diagnostic Centre, Vasan Eye Care Hospital, and Clove Dental ensured comprehensive health services were available, fostering a culture of health awareness within the institution. Future camps are encouraged to continue this vital work.

Special thanks to Vijaya Diagnostic Centre, Vasan Eye Care Hospital, Clove Dental, and the staff of Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya for their efforts in making this event a success.

Report on SWACHHATA HI SEVA PROGRAM-2024 BY NSS UNIT

Date: September 28th, 2024

Location: Village: Peddatoopra, Mandal: Shamshabad, Dist: Rangareddy

Organized by: NSS Unit, SNVPMV

Introduction

In alignment with the Swachhata Hi Seva campaign, the NSS unit of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya College organized a significant cleanliness drive on 28th September 2024, focusing on creating a plastic-free environment in **Peddatoopra village**. This initiative aimed to raise awareness about the adverse effects of plastic pollution and promote sustainable practices within the community.

Objectives

- To promote a **plastic-free environment** in Peddatupra village.

Activities Conducted

1. Cleanliness Drive:

Volunteers, engaged in a thorough clean-up of public spaces, focusing on collecting plastic waste. Participants worked collaboratively to clear streets, parks, and common areas, ensuring the village was free from plastic litter. Special focus on Lake Shore as far as this year's theme of **Swacchata Hi Seva – 2024**.

2. Community Pledge:

Participants took a collective pledge to minimize plastic usage and to work towards maintaining a clean and sustainable environment. This pledge aimed to foster a sense of responsibility and community spirit.

Participation

The event witnessed active participation from 3 faculty, 2 non-teaching staff and over 14 NSS volunteers.

Outcomes

- Significant reduction of plastic waste in the village, contributing to a cleaner and healthier environment.

Conclusion

The Swachhata Hi Seva program conducted in Peddatupra village successfully highlighted the urgent need for a plastic-free environment. The NSS unit of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya College played a pivotal role in mobilizing community efforts towards cleanliness and sustainability. This initiative not only improved the local environment but also empowered residents to take actionable steps in reducing plastic usage.

Acknowledgements

The NSS unit extends heartfelt thanks to the Mr.K.Shashidar Reddy, Panchayath Secretary and Mr.Venkataiah, Ex-Sarpanch of Peddatoopra village for their cooperation. Gratitude is also due to the college administration for their support in making this initiative a success. Together, we can foster a cleaner and more sustainable future for Peddatoopra village. Thanks to the Management of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya for encouraging us to conduct such community programs. Special thanks to Chairman, Director, Principal and Vice-Principal of SNVPMV for motivating us.

Report on SWACHHATA HI SEVA-2024 (DAY-1) BY NSS UNIT

Date: 27th September 2024

Location: Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya,

Organized by: NSS Unit

The NSS (National Service Scheme) Unit of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya College conducted a **Swachhata Hi Seva – 2024** on the theme: **“Plastic free environment program”** on September 27, 2024. This initiative aimed to promote cleanliness and environmental awareness among students and the community, aligning with the national campaign to eliminate plastic pollution.

Objectives

1. To actively participate in reducing plastic waste on campus.
2. To create a cleaner and healthier environment for the college community.

Activities Conducted

The program commenced with a brief orientation session led by the NSS Program officer Mr. D. Suresh, highlighting the significance of the Swachhata Hi Seva-2024 campaign and the role of students in fostering a clean environment. Following the introduction, participants engaged in various activities

1. Plastic Waste Collection:

Students were divided into teams, equipped with gloves and bags for collecting plastic waste scattered across the college premises and surrounding areas.

Approximately 12 students participated actively, gathering a significant amount of plastic waste.

2. Cleaning the Campus:

Volunteers conducted a thorough cleaning of the college grounds, including gardens, walkways

NSS Programme Officer instructed to clean the campus and make it as plastic-free campus and the premises of the ground should be cleaned, along with the active participation of the faculty.

Outcome

The program was a resounding success, resulting in the collection of over 20 bags of plastic waste. The campus looked noticeably cleaner, and the initiative fostered a spirit of teamwork and responsibility among participants.

Feedback

Participants expressed satisfaction with the program, noting increased awareness about plastic pollution and the importance of regular cleaning efforts. Many students committed to continuing these practices beyond the event.

Conclusion

The Swachhata Hi Seva program conducted by the NSS Unit of Sarojini Naidu Vanitha Pharmacy Maha vidyalaya College successfully promoted cleanliness and environmental responsibility. It not only contributed to a cleaner campus but also instilled a sense of community and awareness among students. Moving forward, the NSS Unit aims to organize regular cleanliness drives and workshops to sustain this momentum and further educate the college community about environmental issues.

Acknowledgments

The NSS Unit thanks all volunteers, faculty members, and participants for their enthusiastic involvement and support in making this event a success. Together, we can contribute to a cleaner and greener future. Special thanks to the Management, Chairman, Director, Principal and Vice Principal for giving us the opportunity to conduct community programs.

REPORT ON CLUB ACTIVITIES

Event Name: Music and Dance Club Activities

Date: 23rd November 2024

Time: 4 to 5 PM

Venue: Auditorium, SNVPMV

Organizing Club: Music and Dance Club

Target Audience: Students, Teaching and Non-teaching Staff, Club Representatives, and Coordinators

Event Overview

The Club Activities program was organized by the Music and Dance Club of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) on 23rd November 2024 at 3:30 PM. The event, held in the institution's auditorium, aimed to engage students in a series of fun and interactive activities. The event began officially at 4:00 PM with the presence of respected teaching and non-teaching staff, club representatives, coordinators, students, and participants.

Event Hosts and Anchors

The program was hosted and anchored by third- year B.Pharm students:

- S. Jyothirmai Bai
 - A.V. Vasanthi
 - B. Medha Gayatri
-

PRINCIPAL
Sarojini Naidu Vanita Pharmacy Maha Vidyalaya
Vijayapuri Colony, S.Lalaguda, Tarnaka
Secunderabad-500 017.

Activities Conducted

1. Guess the Song

The first activity was a fun and engaging game called "Guess the Song." Students were shown hints related to popular songs on a screen, and they had to guess the lyrics. This activity was conducted by A.V. Vasanthi and Medha Gayatri. The students actively participated, guessing the songs correctly and singing along after the lyrics were revealed, creating an atmosphere of joy and excitement.

2. Mimicry of the Dance Step

Following the song guessing game, another interactive game called "Mimicry of the Dance Step" was conducted. In this game, one student demonstrated a dance move, and the others had to mimic it in sequence. The students thoroughly enjoyed this activity, showcasing their dance moves with enthusiasm, and bringing a fun and playful vibe to the event.

3. DJ Dance Session

The event culminated with a lively DJ session, where students danced together to energetic music, displaying their dance skills and having a great time. The DJ session added to the lively atmosphere, with students participating actively and joyfully.

Conclusion and Vote of Thanks

The program concluded at 5:00 PM with a Vote of Thanks delivered by S. Jyothirmai Bai, expressing gratitude to all the participants and the individuals who helped make the event a success.

Event Highlights and Success

The Club Activities program was a grand success, filled with fun, laughter, and memorable moments. The enthusiastic participation from students, the energetic atmosphere, and the excellent coordination of the Music and Dance Club made it a truly enjoyable and memorable event for all attendees.

Club Activity Report: Oratory and Anchoring Club Event

Event Name: Oratory and Anchoring Club Introduction & Movie Quiz

Date: 23rd November 2024

Time: 3:00 PM

Venue: SNVPMV Auditorium

Objective:

The event was organized to introduce the Oratory and Anchoring Club to the new batch of students, especially the juniors, and provide them with an opportunity to engage in an interactive and enjoyable activity. The event also aimed to foster a sense of community, teamwork, and enthusiasm for public speaking and anchoring among the participants.

Event Highlights:

1. Club Introduction Session:

- The event commenced at 3:00 PM with a warm welcome from the club coordinators.
- The first segment of the event focused on introducing the Oratory and Anchoring Club to the fresher's. This session included an overview of the club's objectives, past activities, and the benefits of joining the club.
- Members shared their personal experiences, explaining how the club helped them improve their communication and public speaking skills.
- The coordinators encouraged the juniors to participate actively in upcoming workshops, training sessions, and club activities.

2. Fun Activity: Movie Quiz – "Guess the Song"

- The highlight of the event was the fun-filled movie quiz, "Guess the Song."
- The game involved playing short snippets from popular movie soundtracks, and participants had to identify the movie or the song name.
- This interactive quiz not only tested the participants' knowledge of movies and songs but also added an element of excitement and team spirit.
- Students were divided into teams, which helped promote collaboration and foster a sense of community.
- The game was highly engaging, and there was a lot of excitement, with participants enthusiastically guessing the correct answers.
- Prizes were given to the winning teams to encourage participation and create a sense of accomplishment.

3. Interaction with Juniors:

- The juniors were given the opportunity to ask questions about the club, its activities, and the benefits of honing skills in oratory and anchoring.
- Several students showed interest in joining the club, motivated by the club's inclusive environment and its focus on skill development.

Key Takeaways:

- The introduction session successfully communicated the club's goals and values to the new batch of students.
- The interactive movie quiz was an effective and enjoyable way to engage the students, fostering teamwork and creating a fun atmosphere.

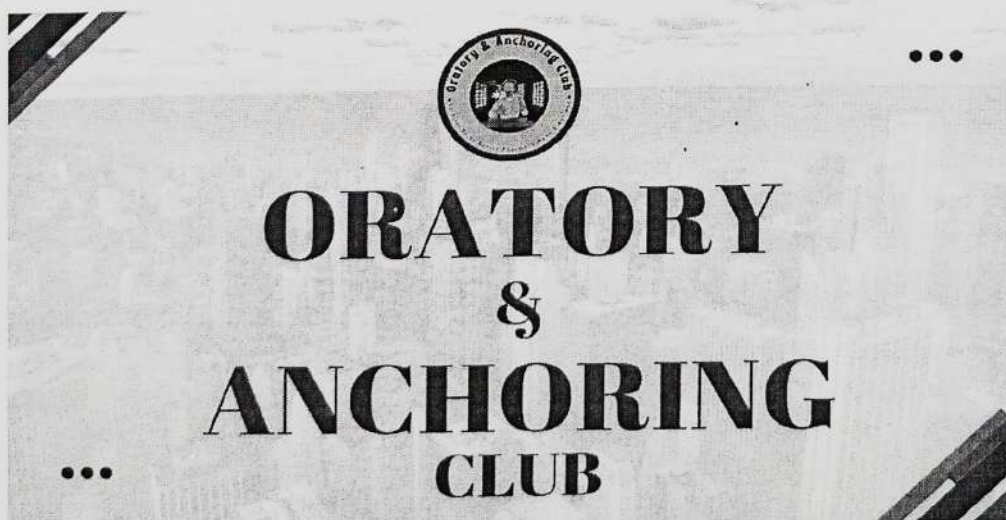

- The event helped in building a connection between the seniors and juniors, creating a welcoming space for new members.
- The juniors left with a better understanding of the club's purpose and how they could be part of its exciting future activities.

Conclusion:

The event was a successful initiation for the Oratory and Anchoring Club in engaging with the new batch of students. It effectively combined informative sessions with fun activities, ensuring a positive experience for all attendees. The event marked a promising start for future club activities, with many students expressing interest in becoming a part of the club.

FINE ARTS AND CREATIVITY CLUB

Report on Fire-Free Cooking Competition

Date: 30-11-2024

Venue: SNVPMV dining hall

Organized by: Fine arts and creativity club

Event Coordinators : faculty - Dr. M. Shiva Ramakrishna , Dr.K.Vinutha, Mrs. P. Divya theja , Mrs.P.M.Sameera , Mrs.J.Swathi .

Students : Shiva nandini [Student representative] , vaishnavi , rishika , deekshitha .

Time: 3 to 5 pm

Introduction:

The Fire-Free Cooking Competition held at Sarojini Naidu Vanita Pharmacy Mahavidyalaya was a unique and innovative event aimed at promoting healthy, eco-friendly, and creative cooking methods. The competition encouraged participants to prepare delicious dishes without using traditional heat sources, thereby showcasing their culinary skills in a safe and sustainable manner.

Objective:

The primary objective of the competition was to raise awareness about alternative cooking techniques that do not involve the use of fire, such as raw food preparation, no-cook dishes, and innovative uses of modern kitchen appliances. The event also aimed to foster teamwork, creativity, and environmental consciousness among students.

Participants:

The competition saw enthusiastic participation from a diverse group of students, with over different teams from different departments. Each team was given the freedom to choose their ingredients, provided they adhered to the fire-free cooking rule. Teams were also required to present their dishes in an aesthetically pleasing manner, with an emphasis on health, taste, and creativity.

Competition Format:

Round 1: Participants were given a set time limit of 40 minutes to prepare their dishes. The teams could use a variety of ingredients such as fruits, vegetables, grains, and dairy products but were not allowed to use any form of cooking that involved heat, such as frying, boiling, or grilling.

PRINCIPAL

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya
Vijayapuri Colony, S.Lalaguda, Tarnaka
Secunderabad-500 017.

Round 2: Teams presented their dishes to a panel of judges consisting of faculty members. The presentation, taste, nutritional value, and creativity of the dish were evaluated.

Dishes Presented: Various dishes like cakes , salads , mojitos, bhel , dry bhel , drinks , puddings , traditional drinks and many more ...

Judging Criteria:

The dishes were judged based on the following criteria:

Creativity: How unique and innovative the dish was.

Taste: The overall flavor and balance of ingredients.

Presentation: The visual appeal and artistic presentation of the dish.

Nutritional Value: The health benefits and balance of nutrients in the dish.

Adherence to Theme: Strict adherence to the "fire-free" cooking guideline.

Winners and Prizes:

The winners of the competition were announced after careful deliberation by the judges. The winning team was awarded . All participants were given certificates of appreciation for their creativity and efforts.

Conclusion:

The Fire-Free Cooking Competition was a resounding success, providing a platform for students to showcase their culinary creativity while promoting a healthier, sustainable approach to cooking. The event not only emphasized the importance of using fewer resources but also highlighted how easy and fun it can be to prepare healthy, delicious meals without fire.

The event was well-received by both participants and attendees, and it sparked further interest in experimenting with alternative cooking methods. The organizing team hopes to make this an annual event, encouraging even more students to explore the world of fire-free cooking in the future.

Student feedback :

- I'm happy to participate in the club activity today . It was exciting and my friend and I are nervous while preparing the food and we felt satisfied when sir 's , madam 's and senior sisters tasted the food said it is tasty or good . I am happy and not that much sad even though We didn't win the prize . This is Rithika from section B of B. Pharmacy 1st year . Thank you

- I wanted to tell you that you did a great thing by encouraging us that we are doing good....
And guiding us in a nice way... THANK YOU 😊
- Good evening sister I'm zaara from b pharm 1st year I felt very happy by participating in this competition and we group members got first prize it's so miraculous thing happened it's like a best 1st club activity memory
- Goodevening dii Tasneem from Bpharm 1st year and today's club activity was so fun we enjoyed a lot and also our group of 5 members won the first prize and yaa it was such a wonderful moment and a fun evening Thankyou
- Good evening sister we are from B pharm 1st year B section participated in no fire cooking competition. I felt very happy about participating in this competition, We got first prize in this competition and we enjoyed it a lot.
- Today's club was a memorable day. It was a different experience for me and it was the first time I participated in something like this I. I look forward to more such days.
- I'm P Likhithaa Reddy
today the activity was very nice
For the first time I've enjoyed a competition , generally we do it seriously to win right but this time it more like an entertainment thing and another one which I felt good about this is u have announced that u r going to give certificates for the participants without making them feel bad that they didn't get prize

REPORT ON CLUB ACTIVITIES: 07-12-2024

Date of The Event – December 07th 2024

Photography/ Skits/Short film/ Reel making Club

Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya, [SNVPMV], Tarnaka, Hyderabad

conducted Club Activities Program on 07th Dec, 4.30 PM in the Auditorium of the institution. There are different activities conducted by different clubs. For this week the club activities which are included for today's program photography/short film/reels making club.

The program was started at 4.30 pm in the presence of respected Director Sir, Vice Principal Madam, Teaching Staff and Non-Teaching Staff, Respective Club Representatives, Co-Ordinator's, Students and Participants.

The Program was introduced by the hosts from Mythri & Deekshitha, PharmD 3rd year related to the programs to be held for the day. First activity which was conducted by showing the photographs which were sent by students from different classes which included photos of sunsets, hills, famous places from Hyderabad, silver jubilee, etc. These all the photographs were displayed on the projector. This activity was organized by student coordinator Mythri and Deekshitha from Pharm D 3rd year. Audience enjoyed a lot by watching the photographs. This was started from 3:30 pm. There was active participation by the students through which their creative thinking and entertainment was conveyed by the club.

The Second activity which was conducted is showing the reels on projector which were sent by students from different classes. These reels include videos of Indo Us summit, nature reels, funny videos and some memories of final year students. This activity was conducted by student co-ordinator's Ms. Mythri and Ms. Deekshitha from Pharm D 3rd year

REPORT ON HEALTH AWARENESS PROGRAMME

Date: December 20, 2024

Time: 02:00PM-04:00PM

Venue: Government Girls High School, Lalapet

Organised by: Mitra and Outreach Club, SNVPMV

On December 20, 2024 an impactful awareness programme was conducted for the students of Government Girls School, Lalapet organized by the Mitra and Outreach Club, SNVPMV. This outreach program was designed to motivate and guide high school girls as they navigated their academic paths, explored potential careers, and understood the importance of personal growth and mental well-being. The goal was to inspire the high school students to set achievable goals for their futures, create a positive mindset, and build resilience for academic and personal success.

Participants

S.NO	STUDENTS	YEAR	TOPICS
01.	Dhanyatha, Monika, Humera	Pharm D 5 th Year	MENTAL HEALTH
02.	Harshini, Kejiya, Deekshitha	Pharm D 5 th Year	COMMUNICABLE DISEASES

Vijayapuri Colony, S.Lalaguda, Tarnaka
Secunderabad-500 017.

03.	Madhuri, Srujana, Amulya	Pharm D 5 th Year	MENSTRUAL HEALTH

The students gained valuable insights into managing stress, setting career goals, exploring different career paths, and the importance of mental well-being and physical well-being.

We had lots of fun with the students while interaction session and the students enthusiastically participated in the activities we have conducted, and they interacted very actively.

The students of Government Girls School provided valuable feedback, expressing appreciation for the engaging and informative sessions. Many students indicated that the programme had given them a clearer vision of their future and motivated them to pursue their academic and personal goals with confidence. The focus on mental well-being and career exploration was particularly appreciated.

The seminar's core objectives were:

- To empower high school girls with practical advice and motivation to help them succeed academically and professionally.
- To emphasize the importance of mental well-being, stress management, and self-care for overall personal growth.
- To emphasize the importance of menstrual hygiene.

The outreach seminar organized by the Mitra and Outreach programme was a great success, effectively achieving its objectives of offering high school girls practical advice, motivation, and

inspiration for both their academic and personal growth. The students particularly enjoyed the snacks distributed after the programme.

CONCLUSION

We would like to extend our heartfelt gratitude to our principal, the college students, and the Government Girls School administration for their tireless support in making this outreach program a success. We would like to thank Mitra and outreach club coordinator Shilpa mam, and Shiva Rama Krishna Sir.

Special thanks to the students co-ordinators and volunteers who contributed to making the programme an enriching experience for everyone involved.

Report on Music and Dance Club Event Organized by B.Pharm and Pharm.D I Year Students

Date: 28/12/2024

Time: 3.30 P.M

Venue: Auditorium, SNVPMV

Organized by: B.Pharm and Pharm.D I Year Students

The Music and Dance Club event, organized by the B.Pharm and Pharm.D I Year students, was an exciting and entertaining showcase of talent, creativity, and enthusiasm. The event provided an opportunity for students to demonstrate their musical and dancing abilities, fostering a sense of community and collaboration among the first-year students from the two programs.

The primary objective of the event was to promote cultural activities, enhance teamwork, and provide a platform for students to display their talents in music and dance. It was aimed at creating an interactive and engaging atmosphere for the students, helping them bond outside their academic pursuits.

Event Overview:

The event was organized into two major segments: music performances and dance performances. Students from the B.Pharm and Pharm.D I Year groups actively participated, and the performances ranged from solo acts to group performances.

1. Music Performances:

- A variety of performances were presented, including solo singing, instrumental music, and group performances. The students showcased different genres such as classical, contemporary, and Bollywood music.
- Some performances included acoustic guitar and piano renditions, while others featured vocal solos and duets.
- The event had live music, which added an extra layer of excitement and energy to the atmosphere.

2. Dance Performances:

- The dance segment featured both solo and group performances. Styles included classical dance forms such as Bharatanatyam, contemporary, and popular Bollywood dances.
- The performances were choreographed by students, some incorporating intricate footwork, graceful movements, and synchronization.
- The event also included a few impromptu dance-offs, which added an element of fun and spontaneity.

Key Highlights:

- **Student Participation:** The event saw active participation from both B.Pharm and Pharm.D students, with some students performing in multiple acts, displaying not only their musical and dance talents but also their organizational skills.
- **Teamwork and Collaboration:** The event highlighted the teamwork and cooperation between the students, as many of the performances were group efforts.

PRINCIPAL
Sarojini Naidu Vanita Pharmacy Maha Vidyalaya
Vijayapuri Colony, S.Lalaguda, Tarnaka
Secunderabad-500 017.

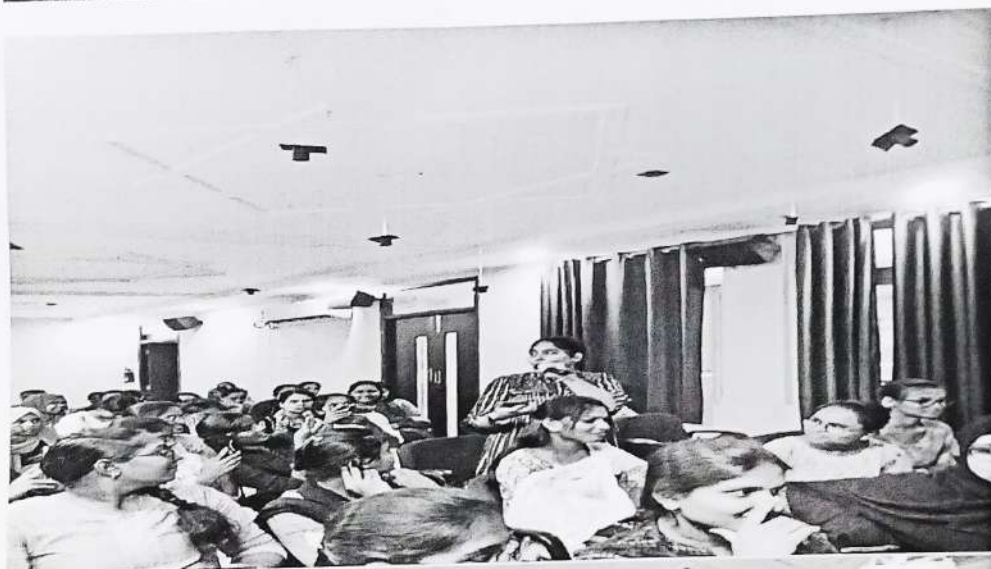

- **Audience Engagement:** The audience was highly engaged, applauding after each performance and cheering on the participants. Many students from the audience were also inspired to take part in future cultural activities.
- **Positive Atmosphere:** The event fostered a positive, lively, and inclusive environment, with students from both programs bonding over shared interests and talents.

Conclusion:

The Music and Dance Club event was a huge success, marking the beginning of an annual tradition that brings together students from various academic backgrounds. It was an excellent platform for the first-year students to showcase their hidden talents, build connections, and celebrate their creativity. The event was well-received by students, faculty, and staff, and it contributed to a positive campus culture.

Acknowledgments:

- A special thanks to the organizing committee of B.Pharm and Pharm.D I Year students for their effort and dedication in making the event possible.
- Appreciation to the faculty members for their support and encouragement throughout the event.
- Thanks to the students who participated in the music and dance performances, as well as the audience who made the event lively and energetic.

REPORT ON SPORTS CLUB ACTIVITY

Date: 4th January 2025
Time: 3:50 PM to 4:30 PM
Venue: SNVPMV Grounds
Organized by: Sports Club
Coordinator: Mr. D. Suresh, Sports Incharge

The Sports Club of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya conducted a successful activity as part of its regular club engagements on January 4, 2025. The event took place at the SNVPMV grounds from 3:50 PM to 4:30 PM.

The activity witnessed the enthusiastic participation of around 20 students, who engaged in various sports and fitness exercises aimed at promoting physical well-being, teamwork, and a spirit of healthy competition. The session was led by Mr. D. Suresh, the Sports Incharge, who coordinated the event meticulously, ensuring all participants were actively involved and benefited from the activities.

This initiative was part of the Sports Club's ongoing efforts to encourage students to adopt an active lifestyle and foster camaraderie through sports. The event concluded successfully, leaving participants energized and motivated for future activities.

Outcome:

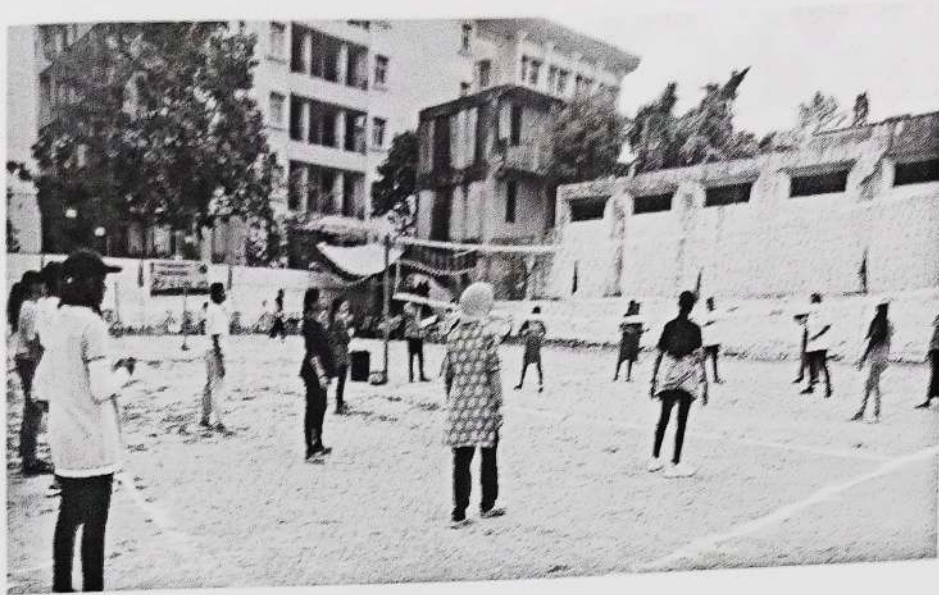

- Improved physical fitness and team spirit among participants.
- Positive feedback from students about the engaging and well-structured activities.

The Sports Club remains committed to organizing similar events in the future to continue nurturing a culture of fitness and sportsmanship among students.

REPORT ON

SEMINAR

“Phytochemicals Nature’s Blueprint for Traditional and Novel Therapeutics”

DATE: 6th January, 2025

TIME: 3.30 PM -4.30 PM

ORGANIZED BY: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka.

INTRODUCTION: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya Organized a Seminar on “**Phytochemicals Nature’s Blueprint for Traditional and Novel Therapeutics**”. The Dignitaries Dr. N. Srinivas (Director, SNVPMV), Dr. T. Mamatha (Principal, SNVPMV), Dr. P. Praneetha (HOD of Pharmacognosy, SNVPMV), Mrs. Leemol Varghese (Senior Assistant Professor & Co-Ordinator) graced the program with their presence. Around 90 students and 40 faculty members attended the seminar with full enthusiasm. The program facilitated a rich exchange of knowledge on Phytochemicals for Traditional and Novel Therapeutics.

Ms Mehek from B. Pharmacy III year Introduced the Guest Speaker.

ABOUT GUEST SPEAKER

Mr. Sudheer Kumar Dokuparthi is a Researcher and teacher in the field of Plant Research. He is the Co-founder of Biogenic Products Pvt. Ltd., the first start-up incubated at Osmania University technology business incubator. The company focuses on developing herbal products.

With over 12 years of Teaching experience, He has mentored numerous aspiring pharmacists and plant researchers for graduation and post-graduation. He has conducted National level workshops and training sessions on drug discovery, extraction, and separation techniques.

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

He made significant contributions to the field during his research tenure at prestigious institutes like IICB-Kolkata, NIPER-Hyderabad and IICT-Hyderabad. His research findings have been published in reputable national and international journals. Additionally, he has authored two books on pharmaceutical sciences and has filed 6 patents for his innovative research work

PROGRAM OVERVIEW: The seminar commenced promptly at 3:30 PM in the SNVPMV Seminar Hall. The program was anchored by Ms. Mohammedi Begum, from B. Pharmacy III year, who welcomed the audience and invited the dignitaries to the dais. Ms. Samreen from B. Pharmacy III year presented ECO greetings to the guest speaker, Mr. Sudheer Kumar Dokuparthi. Welcome address was given by Dr. N. Srinivas, Director, SNVPMV followed by the Principal's address by Dr. T. Mamatha.

Mr. Sudheer Kumar Dokuparthi initiated the seminar on the topic “**Phytochemicals Nature's Blueprint for Traditional and Novel Therapeutics**” He emphasized the Importance of Phytochemical's which are used by our Traditional people and how they are used in the modern world by the technology for the treatment. He Emphasized the long history of using plants for medicinal purposes in various cultures (e.g., Ayurveda, Traditional Chinese Medicine. He Explained how phytochemicals neutralize free radicals, & prevent oxidative stress. He Discussed how phytochemicals modulate inflammatory pathways.

He shared the fascinating story of Artemisin, Cinchona, Taxol illustrating how it was initially used and how it has evolved over time. This case highlighted the importance of protecting and adapting the use of these medicines.

Mr. Sudheer Kumar Dokuparthi also covered the concept of accidental inventions, providing insight into an Entrepreneur and his invention about chocolate for menstrual mood swings.

The session concluded with a lively question-and-answer segment, where participants had the opportunity to clarify their doubts. Students took turn asking their queries, and several faculty members also engaged with the speaker, seeking clarification on various points. The active participation from students was remarkable, showcasing their enthusiasm and

eagerness to delve deeper into the topic. The interaction between the students and Mr. Sudheer Kumar Dokuparthi was dynamic, reflecting a high level of communication and engagement throughout the discussion.

After the question-and-answer session, the dignitaries felicitated Mr. Sudheer Kumar Dokuparthi and appreciated his talk.

Lastly, Dr. P. Praneetha, HOD of Pharmacognosy SNVPMV, delivered the vote of thanks. She extended her heartfelt appreciation to the guest speaker, Mr. Sudheer Kumar Dokuparthi, for his outstanding and dedicated presentation on the topic. Dr. P. Praneetha also expressed gratitude to all the participants for their enthusiastic engagement, which played a key role in the success of the session.

Report on Guest Lecture: "Elements of GLP & Its Regulations"

Date of Lecture: 04/01/2025

Guest Speaker: Dr. Challa Suresh,
Scientist 'F' & Senior Deputy Director,
Professor & Co-ordinator AcSIR – Faculty of Medical Research,
HOD Cell Biology Division, ICMR-NIN, MHFW, Govt. Of India.

Event Organized by: Department of Regulatory Affairs

Venue: Auditorium, S.N.V.P.M.V.

Introduction

The guest lecture on the topic "Elements of GLP & Its Regulations" was delivered by Dr. Challa Suresh, an expert in the field of regulatory compliance and good laboratory practices (GLP). The session aimed to provide an in-depth understanding of the principles, elements, and regulatory framework that define GLP, a critical standard for laboratories involved in non-clinical studies, particularly in pharmaceutical, biotechnology, and chemical industries.

Overview of GLP

Good Laboratory Practices (GLP) refer to a set of principles intended to ensure the quality and integrity of non-clinical laboratory studies, which support the safety and efficacy of products. GLP was initially developed by regulatory agencies, such as the U.S. Food and Drug Administration (FDA) and the Organization for Economic Co-operation and Development (OECD), to ensure that laboratory data used for product development is reliable, reproducible, and accurately documented. The speaker emphasized that GLP is not a one-size-fits-all approach but rather a set of practices that ensure uniformity and transparency across the laboratory environment. Its application is crucial in ensuring that products—especially chemicals, drugs, and cosmetics—are safe for public use.

Key Elements of GLP

The guest speaker outlined the core elements of GLP as follows:

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA

(Sponsored by the Exhibition Society), Tamaka, Secunderabad

Affiliated to Osmania University, Approved by AICTE & PCI

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

Organization and Personnel:

Roles and Responsibilities: GLP requires clear definitions of personnel roles and responsibilities. The laboratory should have a structured hierarchy that ensures accountability, with a designated study director overseeing each study.

Qualification of Personnel: Personnel involved in studies must possess appropriate qualifications, including training in GLP guidelines, and must demonstrate competence in their specific roles.

Facilities and Equipment:

Laboratory Environment: GLP mandates that the physical infrastructure should support the integrity and reliability of study data. Laboratories must be well-maintained, and equipment must be calibrated regularly to ensure accurate results.

Preventive Maintenance: Equipment used in non-clinical studies must undergo routine maintenance and servicing to prevent failures during critical study periods.

Standard Operating Procedures (SOPs):

SOPs are essential for ensuring that each task is carried out consistently, efficiently, and in compliance with GLP regulations. These procedures outline how experiments should be conducted, how data should be recorded, and how any deviations from the standard process should be handled.

Study Protocols:

Each study must begin with a detailed protocol that includes objectives, methodologies, and the expected outcomes. The protocol must be reviewed and approved by the relevant authorities before the study begins. This ensures that the study is properly planned, scientifically valid, and compliant with GLP guidelines.

Data Management:

Accurate Documentation: Proper record-keeping is one of the fundamental components of GLP. All data, whether raw or summarized, must be recorded in a manner that is both traceable and retrievable. Any changes to records should be documented and justified.

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA

(Sponsored by the Exhibition Society), Tamaka, Secunderabad

Affiliated to Osmania University, Approved by AICTE & PCI

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

Data Integrity: The speaker emphasized that maintaining data integrity is paramount to the credibility of the study results. This involves preventing unauthorized alterations and ensuring that data is preserved for a specified retention period.

Quality Assurance and Auditing:

Independent Review: GLP mandates that an independent quality assurance unit (QAU) is responsible for auditing the study at different stages to ensure compliance with all aspects of GLP. The QAU ensures that studies are being carried out according to the study protocol and relevant regulations.

Audits: Regular audits should be conducted to verify that all procedures, from the planning stage to final data analysis, align with GLP standards.

Regulatory Compliance:

GLP regulations are enforced by regulatory agencies such as the FDA (USA), the European Medicines Agency (EMA), and the OECD. These agencies ensure that laboratories adhere to GLP standards to ensure the safety and efficacy of products entering the market.

Animal Welfare:

In studies involving animals, GLP guidelines require that animal welfare standards are strictly adhered to. Ethical considerations, such as minimizing pain and distress, must be addressed in the study protocol.

GLP Regulations

The guest speaker also highlighted key regulatory frameworks and guidelines that govern GLP practices:

OECD Principles of GLP: The speaker discussed the OECD's 1997 "Council Decision C(97)186/FINAL" and how it serves as an international standard for GLP. The principles outline the need for clear documentation, qualified personnel, and consistent procedures.

FDA and EPA GLP Regulations: In the United States, GLP guidelines are enforced by agencies such as the FDA and the Environmental Protection Agency (EPA), especially in the testing of pharmaceuticals, pesticides, and food additives.

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA

(Sponsored by the Exhibition Society), Tamaka, Secunderabad

Affiliated to Osmania University, Approved by AICTE & PCI

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

International Harmonization: The speaker mentioned the importance of harmonization of GLP standards across countries to facilitate mutual acceptance of study data. Countries like Japan, Canada, and the European Union have their own GLP guidelines, but they closely align with the OECD framework.

Challenges in GLP Compliance

The speaker also discussed common challenges in GLP compliance, including:

Lack of Training: Without proper training in GLP regulations, lab personnel may unintentionally deviate from required protocols, leading to errors.

Costs and Resources: Implementing and maintaining GLP-compliant practices can be costly and resource-intensive, particularly for smaller laboratories.

Keeping Up with Regulatory Changes: Regulations can change over time, requiring constant updates to procedures and documentation.

Conclusion

In conclusion, the guest lecture provided a thorough understanding of the elements of GLP and the associated regulations. The guest speaker highlighted the importance of GLP in ensuring the reliability and safety of non-clinical study data and discussed the frameworks that guide GLP compliance. Attendees were encouraged to apply these practices to their own work environments, as adherence to GLP not only ensures regulatory compliance but also enhances the credibility of research outcomes.

The lecture was highly informative and engaging, providing the audience with a practical understanding of GLP's role in scientific research and product development. The session concluded with a Q&A segment where attendees had the opportunity to clarify their doubts and share experiences related to GLP in their respective fields.

We thank our chairman Dr. B.Prabha Shankar, management, director, principal for their continuous support in organizing such events. We thank faculty and students of B.Pharm and M.Pharm for making this guest lecture a grand success.

Report on Industrial Visit

Topic: Industrial Visit to Vivimed labs, Jeedimetla

Date: 03-01-2024

Time: 10:00AM to 1:00PM

The college organized an Industrial Visit to Vivimed Labs, Jeedimetla on 3rd January. The company is a cGMP facility for the manufacturing of Tablets, Capsules, Liquid orals and ointments with 9 departments like, production, quality control, quality assurance, formulation research and development, engineering, maintenance etc. M.Pharm I semester student, 4 students of Pharmaceutical analysis, 6 students of Pharmacology and 10 students of Pharmaceutics department visited the industry.

The students first observed the liquid manufacturing and packing section, starting from sugar syrup preparation to packing of bottles in shippers. The capacity of syrup preparation, holding tanks was 5KL. Decartoning of bottles, washing of bottles by air, cool water, hot water and drying was observed. 10 bottles are under cleaning at a time. Then, filling of syrup, capping, sealing, optical check, labeling, labeling rejection, secondary packing into cartons were also carefully observed. The students clarified their doubts regarding temperature, humidity maintenance, recording, status labels etc. Students also gone through BPR of a product and details of IPA checks during the process.

In the storage section, receiving area, quarantine area, under test area, approved area, rejected area, separate dispensing facilities for active materials & non-active materials were observed. The documentation practices for all these operations were also explained by the respective personnel of the industry. Solvent storage area maintenance was clearly explained with an example of isopropyl alcohol.

Tablet production area was visited by the students and they observed different operations like, wet granulation, sifting, drying in FBD, blending, compression and blister packing. Different controls in all these operations were carefully observed and doubts were clarified at each stage.

Report on

Two-Days Workshop on Artificial Intelligence (AI)

Organized by **Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV)**,
Tarnaka, Secunderabad

in Association with **Magic Bus & SkillsBuild IBM**

Dates: 2nd and 3rd January 2025

Venue:

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya

Tarnaka, Secunderabad

The workshop was presided over by:

- **Dr. N. Srinivas**, Director, SNVPMV
- **Dr. T. Mamatha**, Principal, SNVPMV
- **Dr. K.R.V.S. Chaitanya**, Workshop Coordinator, SNVPMV
- **Magic Bus Team:**
 - **Mr. Vinay**, Manager
 - **Mr. B. Prateek Rao**, Technical Trainer and Youth Trainer
 - **Mr. Durgesh**, Trainer

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), in collaboration with **Magic Bus** and **SkillsBuild IBM**, organized an intensive two-day workshop on Artificial Intelligence (AI), specifically designed for II, III, and IV-year B. Pharmacy students. Held at the SNVPMV auditorium in Tarnaka, Secunderabad, the workshop aimed at introducing students to the growing field of AI and its profound implications on pharmaceutical sciences. **Magic Bus** is an organization focused on empowering youth through skill-building programs, offering training in key areas such as life skills, employability, and leadership development. Their collaboration in this workshop provided students with essential insights into AI's potential in transforming industries. **SkillsBuild IBM**, an initiative by IBM, provides free access to a wide range of online learning programs and certifications designed to upskill individuals in various domains, including AI, data science, and business. Through their involvement, the workshop

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA

(Sponsored by the Exhibition Society), Tamaka, Secunderabad

Affiliated to Osmania University, Approved by AICTE & PCI

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

provided students not only with theoretical knowledge of AI but also practical, industry-relevant skills that will equip them for future roles in AI-enabled healthcare sectors. The program offered comprehensive training sessions that merged technical AI concepts with practical skills, preparing students to be future leaders in the intersection of pharmacy, healthcare, and technology.

DAY ONE :

Introduction to AI and Its Applications in Pharmaceutical Sciences

The first day of the workshop commenced with the **Workshop Coordinator, Dr. KRVS Chaitanya**, Associate Professor at SNVPMV, who began by warmly welcoming the **Director of SNVPMV, Dr. N. Srinivas, Principal Dr. T. Mamatha**, and the distinguished team from **Magic Bus**, which included **Mr. Vinay (Manager), Mr. B. Prateek Rao (Technical Trainer and Youth Trainer)**, and **Mr. Durgesh (Trainer)**. Dr. Chaitanya expressed gratitude for their invaluable contribution and introduced the key objectives of the workshop to the audience.

The session was officially inaugurated by **Dr. T. Mamatha**, the Principal of SNVPMV, who welcomed the participants and emphasized the relevance of AI in contemporary pharmaceutical sciences. In her speech, Dr. Mamatha highlighted how AI technologies are transforming the pharmaceutical landscape, particularly in areas such as **drug discovery, clinical trials, patient monitoring, and personalized medicine**. She explained how AI can enhance research efficiency, optimize therapeutic outcomes, and improve the overall quality of healthcare services, urging students to pay close attention to these developments.

Following her address, Dr. Mamatha invited the **Magic Bus team** to take the stage and deliver their session, which focused on the **Fundamentals of Artificial Intelligence**. The day's training aimed to provide a solid foundation in AI and its key subfields, ensuring that participants grasped the technical intricacies and ethical considerations involved in implementing AI technologies in various sectors, including pharmaceuticals.

The **AI Fundamentals** session covered a wide range of topics:

1. Introduction to Artificial Intelligence:

The trainers began by unraveling the basics of AI, exploring its evolution from rule-based systems to advanced machine learning algorithms. They introduced students to various types of

AI—**narrow AI**, **general AI**, and **superintelligent AI**—and outlined their distinctions, current applications, and potential future impact.

2. **Natural Language Processing (NLP):**

A key area in AI, **Natural Language Processing** was introduced as the field that enables machines to understand, interpret, and interact with human language. In the context of pharmaceutical sciences, NLP plays a pivotal role in processing medical literature, analyzing patient records, and improving communication systems for healthcare providers.

3. **Computer Vision:**

Computer Vision, another crucial aspect of AI, was explained with an emphasis on its application in the medical field. Participants learned how computer vision algorithms are being used for medical imaging, such as **radiology** and **pathology**, to diagnose diseases from visual data, improving precision and reducing human error.

4. **Machine Learning and Deep Learning:**

The trainers delved into **Machine Learning** and **Deep Learning**, two branches of AI that allow systems to learn from data and improve their performance over time. The session explored how these technologies are employed in pharmaceutical research, including drug discovery, genetic research, and predictive analytics for patient care.

5. **Running AI Models with IBM Watson Studio:**

A significant portion of the session was dedicated to practical hands-on training, where students were introduced to **IBM Watson Studio**, an advanced tool used for building, training, and deploying AI models. Students learned how to run AI models and manipulate datasets, gaining practical exposure to the tools that are widely used in pharmaceutical AI applications.

6. **AI Ethics:**

The ethical implications of AI were discussed at length. Topics such as **bias in AI algorithms**, **data privacy**, and the **responsible use of AI** in healthcare were explored. The trainers emphasized the importance of maintaining ethical standards in AI development, particularly in the sensitive domains of healthcare and pharmaceuticals.

7. The Future of AI:

To wrap up the day's session, the trainers provided a forward-looking perspective on the future of AI, stressing its potential in revolutionizing industries, enhancing research methodologies, and improving patient outcomes in the coming years.

By the end of Day 1, nearly **180 registered participants** had been equipped with a strong foundation in AI concepts, and their enthusiasm indicated the deep interest generated by the discussions. The day concluded with a networking session, where participants engaged in discussions and shared insights about the practical applications of AI in their fields.

DAY TWO:

Practical Skills Development for AI-Driven Careers

The second day of the workshop was designed to help students hone essential career skills while integrating AI knowledge into real-world applications. The focus shifted to practical courses provided by **SkillsBuild IBM**, which offered interactive, skill-based training for career development in AI-driven environments. The three core courses offered on Day 2 were:

1. Core Skills: Customer Service Representative Channel

This course aimed at preparing students for careers in customer service, an area increasingly impacted by AI technologies such as chatbots and automated systems. Students were introduced to the key skills required to excel in customer support roles, including **active listening**, **problem resolution**, and **empathy in communication**. The course focused on the importance of understanding customer needs, providing timely assistance, and ensuring satisfaction in an AI-enhanced service environment.

2. SkillsBuild: Customer Engagement – Communication and Personality Dynamics

This interactive session delved into the intricacies of **communication skills** and **personality dynamics**. In an era where effective communication is essential in professional settings, students learned the importance of **verbal** and **non-verbal communication**. The course explored how AI can be used to augment customer engagement and personalized interactions. Trainers conducted exercises designed to help participants improve their public speaking, active listening, and conflict resolution skills, which are vital for any AI-driven professional career.

3. SkillsBuild: Customer Engagement – Problem Solving and Process Controls

The final course of Day 2 focused on **problem-solving** and **process control**. These are fundamental skills required in any AI-related career, particularly in pharmaceutical research, where AI technologies must be applied to complex problems like drug formulation or patient care. The course taught students how to approach and resolve challenges systematically and efficiently, using AI tools to analyze data, model solutions, and implement controls to ensure optimal outcomes. It also explored the critical role of **process automation** in improving efficiency in AI applications.

The day’s sessions concluded with **189 registered participants** completing the three courses, each of which provided essential skills needed in AI-powered roles. Following the completion of the training, students were awarded **certificates** by **SkillsBuild IBM** through an online platform, recognizing their achievement in mastering these valuable competencies.

Category	Learning Title	Learning Category	Remarks

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

The workshop was formally concluded with a **Token of Appreciation** ceremony. Before presenting the token, **Dr. N. Srinivas**, Director of SNVPMV, took a moment to express his gratitude to the esteemed trainers and participants. In his speech, he remarked, "This workshop has been a remarkable opportunity for our students to delve into the world of Artificial Intelligence, a field that is transforming industries, especially healthcare and pharmaceuticals. I extend my sincere thanks to the Magic Bus team and IBM SkillsBuild for bringing such a valuable learning experience to our institution. Your expertise and commitment to shaping the future of our students are truly commendable. I believe that this workshop has ignited a spark in our students to explore the limitless possibilities that AI offers."

Following this, **Dr. T. Mamatha**, Principal of SNVPMV, also shared her thoughts. She stated, "As we conclude this insightful workshop, I am filled with pride to witness the enthusiasm and eagerness to learn exhibited by our students. The knowledge shared by the Magic Bus team and the technical expertise imparted by IBM SkillsBuild have undoubtedly broadened our students' horizons. This workshop has provided them with not just theoretical knowledge but practical skills that will shape their careers in the ever-evolving world of AI and pharmaceutical sciences. I sincerely thank everyone who contributed to making this event a grand success, and I encourage our students to continue exploring AI's potential."

Following these remarks, **Dr. Srinivas** and **Dr. Mamatha** presented a **Token of Appreciation** to **Mr. B. Prateek Rao**, the Technical Trainer and Youth Trainer from Magic Bus, recognizing his invaluable contributions throughout the workshop. The students' feedback was overwhelmingly positive, with many expressing deep appreciation for the knowledge shared and the practical skills they had acquired during the workshop.

The event culminated with a **Vote of Thanks** by the **Workshop Coordinator, Dr. K.R.V.S.Chaitanya**, who expressed gratitude to all the participants, the Magic Bus team, and the SNVPMV administration for their support in organizing the event. Dr. K.R.V.S.Chaitanya hoped the workshop would inspire students to pursue further studies and careers in AI, particularly in its transformative applications in the pharmaceutical industry.

In summary, the two-day workshop successfully achieved its goal of providing both theoretical knowledge and hands-on skills, empowering students to explore the exciting field of AI and its far-reaching applications in pharmaceutical sciences and healthcare. The program was a valuable stepping stone for students, preparing them for an AI-driven future in the world of pharmacy.

REPORT ON NEW YEAR'S EVE CELEBRATIONS

DATE: 31.12.2024

VENUE: SNVPMV Lobby

As they say, the way you spend your New Year's Eve is the way you'll spend the rest of the year. New Year's Eve was fabulously celebrated as a day filled with great fun and enthusiasm. The students of Pharm D 5th year organized programmes for welcoming another year, enjoying with friends and staff of the college, and taking resolutions for the upcoming year.

The celebration started with a Rangoli Competition held in the college grounds and students from every class along with faculty and non-teaching staff of the college participated enthusiastically. Chocolates were distributed to every participant at the end of the day.

With the courtesy of the Chairman, Dr.B. Prabha Shanker, professional DJ was arranged and was set up in the college lobby, beginning in the afternoon.

Lunch was provided by the college and included both veg and non-veg menus.

The students of B Pharm and Pharm D together presented a fabulous dance show through a flash mob followed by an open dance floor to anyone willing to dance.

A resolution board was arranged, promoting students and staff to write their resolutions for the year on notes to be pinned on the wall.

Hundi breaking ceremony was organized, initiated by the director, Dr.N. Srinivas.

A New Year banner was arranged with the help of the non-teaching staff and was let down from the second floor of the college to welcome the upcoming year. Every student witnessed the opening of it as the Principal, Dr.T.Mamatha and the Director, Dr.N. Srinivas pulled the ropes and let down the banner.

Dance floor was once again opened and every student enjoyed the DJ.

The day concluded with a cake cutting ceremony by the Principal, Director and IPA Honorable Secretary, K.Ram Prasad Reddy. Cake was distributed among students and staff as each one bid 2024 farewell and prepared to welcome 2025 during the celebrations.

REPORT ON TRADITIONAL DAY

DATE - 30.12.2024

VENUE - SNVPMV Auditorium, Lobby, Grounds

On 30th December 2024, the students, teaching and non-teaching staff of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya gathered together to celebrate the Traditional Day. This event was organized by the students of Pharm D 5th Year and B Pharm 3rd Year, along with the college administration to commemorate the rich cultural heritage of the region and foster a sense of unity and pride among the college community.

Event Outline, Objective and Outcome of the event:

The celebration began with colourful and vibrant traditional attire. Students and staff dressed in traditional clothing representing various cultures and regions of the country. The attire showcased a diverse array of costumes, including traditional dresses, ethnic accessories, and regional headgear.

The objective of the event was to let the students enjoy and at the same time, learn the importance of the ethnic culture. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice. Students were completely in their high traditional competitive spirit.

The preparations for the day began a day before with the students enjoying every moment of the work.

All the students and staff gathered in the auditorium at 10:30 a.m., and the program commenced with a prayer song that was sung as the Director and Principal of the college lit the lamp.

Following the lamp lighting, the college amphitheatre came alive with a series of captivating cultural performances. Students showcased their talents through traditional dances and dances to trending songs. Every student was encouraged to showcase their attire through a ramp walk.

One of the highlights of the day was the delicious array of traditional dishes served during the event. The college cooking team offered a variety of regional delicacies, giving everyone a chance to savour the flavours of South India. The food was served by students on banana leaves.

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

To add an element of fun and engagement, traditional games and sports were organized in the college playground. Students and faculty both enthusiastically participated in games like the Bathukamma-making competition and the kite-flying competition.

The event not only showcased the rich cultural tapestry of the country but aimed to celebrate every religion and to promote 'Unity in Diversity'. Faculty was encouraged to gift each other through a game of 'Secret Santa' and all enjoyed the element of surprise that came with it. The students and staff actively participated in the festivities, making it a memorable and enriching experience for everyone involved. The event succeeded in strengthening the sense of community and fostering cultural awareness among the college population, leaving a lasting impact on the participants.

Overall, it was an eventful day.

Report on

Pharmacogenetics of Metabolic Diseases

Date: December 21, 2024

Time: 2:00 PM

Venue: SNVPMV Auditorium

Organized by: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya

Guest Speaker: Dr. K. Rajendra Rao, Scientist - F & HOD- Animal Facility, ICMR-NIN Tarnaka

Coordinated by: Dr. T. Venu, HOD, Department of Pharmacology, SNVPMV

1. Introduction

On December 21, 2024, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) hosted a distinguished guest lecture on the topic of Pharmacogenetics of Metabolic Diseases. The lecture was delivered by Dr. K. Rajendra Rao, a renowned scientist and Head of the Animal Facility at the ICMR-National Institute of Nutrition (NIN), Tarnaka. The event was coordinated by Dr. T. Venu, Head of the Department of Pharmacology at SNVPMV, and was attended by faculty, students, and researchers.

2. Objective of the Lecture

The primary aim of the guest lecture was to enlighten attendees on the emerging field of pharmacogenetics and its applications in the treatment and management of metabolic diseases which is a part of course curriculum of M. Pharm I semester and Pharm. D. V year. Dr. Rao discussed the role of genetic variations in the metabolism of drugs, providing insights into personalized medicine, particularly in addressing complex metabolic disorders.

3. Key Highlights of the Lecture

Dr. K. Rajendra Rao initiated his lecture by explaining the basic principles of pharmacogenetics, emphasizing its importance in understanding how genetic differences

ISO 9001: 2015 Certified Institution, NBA Accredited B. Pharmacy Course

among individuals can influence drug response and efficacy. The lecture was divided into the following key segments:

Overview of Pharmacogenetics

Dr. Rao defined pharmacogenetics as the study of genetic factors that influence individual responses to medications. He discussed how genetic variations, such as polymorphisms in drug-metabolizing enzymes, can lead to altered drug metabolism, affecting therapeutic outcomes.

Pharmacogenetics in Metabolic Diseases

Dr. Rao focused on how pharmacogenetics is applied to metabolic diseases, such as diabetes, obesity, and lipid metabolism disorders. He emphasized that metabolic diseases often involve complex genetic and environmental interactions, making them challenging to treat effectively with standard therapies. He highlighted how pharmacogenetics can help identify patients who may benefit from personalized drug regimens based on their genetic profiles.

Genetic Variants and Drug Metabolism

One of the key points discussed was the influence of genetic variants in enzymes such as CYP450, which play a critical role in the metabolism of various drugs. Dr. Rao explained how certain genetic mutations can lead to poor or rapid metabolism of drugs, resulting in either therapeutic failure or toxicity.

Case Studies and Current Research

Dr. Rao presented several case studies where pharmacogenetic testing helped optimize drug therapies for patients with metabolic diseases. He also shared ongoing research from the ICMR-NIN in the area of pharmacogenetics, including studies on Indian populations, to identify genetic markers associated with specific drug responses.

Challenges in Pharmacogenetics

Dr. Rao addressed the challenges in applying pharmacogenetics in clinical practice, particularly the need for large-scale population studies, the cost of genetic testing, and the ethical considerations related to genetic data.

Future Directions

Concluding the lecture, Dr. Rao discussed the future of pharmacogenetics in metabolic diseases, emphasizing the potential of precision medicine to improve therapeutic outcomes. He stressed the importance of integrating pharmacogenetics into routine clinical practice, which could lead to more efficient and effective treatment strategies.

4. Audience Engagement

The lecture was highly interactive, with several questions from the audience related to the application of pharmacogenetics in the Indian context. Dr. Rao responded thoughtfully, highlighting the need for more research on ethnic and genetic diversity in drug responses. The audience was particularly interested in how pharmacogenetics could shape the future of drug development and treatment for metabolic diseases, given the increasing prevalence of conditions like diabetes and cardiovascular diseases.

5. Conclusion

The guest lecture by Dr. K. Rajendra Rao on Pharmacogenetics of Metabolic Diseases was an enriching experience for all attendees. Dr. Rao provided valuable insights into how pharmacogenetics is transforming the landscape of drug therapy, especially in the management of metabolic disorders. His expertise and the depth of knowledge he shared highlighted the importance of personalized medicine and genetic research in improving patient outcomes.

The lecture concluded with a vote of thanks by Dr. T. Venu, who expressed appreciation for Dr. Rao's detailed presentation and the valuable information shared during the session.

6. Acknowledgements

The event was successfully coordinated by the Department of Pharmacology, led by Dr. T. Venu. Special thanks are extended to Dr. K. Rajendra Rao for his insightful lecture, the faculty, and the Mpharm pharmacology & PharmD students for their active participation, and the technical team for ensuring a smooth execution of the event.

REPORT ON HEALTH AWARENESS PROGRAMME

Date: December 20, 2024

Time: 02:00PM-04:00PM

Venue: Government Girls High School, Lalapet

Organised by: Mitra and Outreach Club, SNVPMV

On December 20, 2024 an impactful awareness programme was conducted for the students of Government Girls School, Lalapet organized by the Mitra and Outreach Club, SNVPMV. This outreach program was designed to motivate and guide high school girls as they navigated their academic paths, explored potential careers, and understood the importance of personal growth and mental well-being. The goal was to inspire the high school students to set achievable goals for their futures, create a positive mindset, and build resilience for academic and personal success.

Participants

S.NO	STUDENTS	YEAR	TOPICS
01.	Dhanyatha, Monika, Humera	Pharm D 5 th Year	MENTAL HEALTH
02.	Harshini, Kejiya, Deekshitha	Pharm D 5 th Year	COMMUNICABLE DISEASES
03.	Madhuri, Srujana, Amulya	Pharm D 5 th Year	MENSTRUAL HEALTH

The students gained valuable insights into managing stress, setting career goals, exploring different career paths, and the importance of mental well-being and physical well-being.

We had lots of fun with the students while interaction session and the students enthusiastically participated in the activities we have conducted, and they interacted very actively.

The students of Government Girls School provided valuable feedback, expressing appreciation for the engaging and informative sessions. Many students indicated that the programme had given them a clearer vision of their future and motivated them to pursue their academic and personal goals with confidence. The focus on mental well-being and career exploration was particularly appreciated.

The seminar's core objectives were:

- To empower high school girls with practical advice and motivation to help them succeed academically and professionally.
- To emphasize the importance of mental well-being, stress management, and self-care for overall personal growth.
- To emphasize the importance of menstrual hygiene.

The outreach seminar organized by the Mitra and Outreach programme was a great success, effectively achieving its objectives of offering high school girls practical advice, motivation, and inspiration for both their academic and personal growth. The students particularly enjoyed the snacks distributed after the programme.

CONCLUSION

We would like to extend our heartfelt gratitude to our principal, the college students, and the Government Girls School administration for their tireless support in making this outreach program a success. We would like to thank Mitra and outreach club coordinator Shilpa mam, and Shiva Rama Krishna Sir.

Special thanks to the students co-ordinators and volunteers who contributed to making the programme an enriching experience for everyone involved.

REPORT ON
Seminar on “Feel Great - No Matter What”
The seminar was Organized by the Pharm.D Department of
SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA
Tarnaka,Secunderabad
Date: 17th december 2024

The theme, “Feel Great - No Matter What”, resonates deeply with our need to balance mind, body, and spirit. In today’s fast-paced world, it is crucial to pause, reflect, and equip ourselves with the tools to overcome challenges with positivity and grace.

The seminar aimed to share knowledge and insights on inner peace, resilience, and mindfulness which inspire us to cultivate positivity in our lives.

Event is praised by:

Dr.N.Srinivas - Director of SNVPMV

Dr.T.Mamatha - Principal of SNVPMV

Guest Speaker - Dr.Manoj Matnani

Inviting of Dignitaries onto the Dais

The event commenced with the welcoming of the dignitaries to the dais. The esteemed guests included Dr. T. Mamatha (Principal, SNVPMV), Dr. N. Srinivas (Director, SNVPMV),Dr.Manoj Matnani (Guest speaker).

Welcome Adress by Dr. Srinivas, Director of SNVPMV and Dr. T. Mamatha, Principal of SNVPMV

Dr. Srinivas, Director of SNVPMV, gave a welcome address and spoke about the need of mindfulness and resilience.

Dr. T. Mamatha, Principal of SNVPMV, addressed the gathering and enlightened about the essence of today’s session.

Introduction of the guest

DR MANOJ MATNANI

Consultant Pediatric Nephrologist

Sir Completed MD (Pediatrics) from KEM Hospital,Pune and Did IPNA (International Pediatric Nephrology Association) Fellowship from St. Johns Medical College, Bangalore.

He is also a regular godly student of the Prajapita Brahmakumaris Ishwariya Vishwa Vidyalaya (BKWSUBrahmakumaris World Spiritual University) since 2008.Sir is an Active Life Member of the Medical Wing of Brahmakumaris since 2010.

Summary of the Session-

Feeling good no matter what can be a challenge, but there are practical steps to cultivate positivity and resilience in any situation:

- Cultivate a Positive Mindset

Practice Gratitude: Reflect on what you're thankful for each day.

Affirmations: Use positive self-talk to reinforce your inner strength.

Reframe Challenges: See obstacles as opportunities for growth.

- Focus on Self-Care

Physical Health: Exercise, eat nutritious food, and get enough sleep.

Mental Health: Meditate, practice mindfulness, or engage in hobbies.

Social Connections: Spend time with people who uplift you.

- Live in the Moment

Mindfulness: Focus on the present rather than worrying about the past or future.

Enjoy Simple Pleasures: A good cup of coffee, nature walks, or a favorite book can brighten your day.

- Build Emotional Resilience

Accept What You Can't Control: Focus on what you can influence.

Express Emotions: Journaling or talking to someone can help process feelings.

Vote of thanks

Dr. A. Sujala, The Seminar Coordinator, gave a vote of thanks, thanking the dignitaries, guest and volunteers who helped in the success of the event

The seminar ended with The National Anthem.

**REPORT ON ONE WEEK INTERNATIONAL e - FACULTY DEVELOPMENT
PROGRAM**

THEME: “Pharma Quality Assurance & Regulatory Affairs: A Collaborative Approach.”
Organized by Department of Pharmaceutical Quality Assurance”

Our department takes pride in contributing to the expanding pool of proficient PQA professionals who are well-equipped to address the industry's evolving challenges. As part of our commitment to continuous professional development, we organized an e-Faculty Development Program, aimed at further enhancing the knowledge and skills of faculty members and professionals in the field of Pharmaceutical Quality Assurance and Regulatory Affairs. This program provided valuable insights and practical expertise to support the growth and advancement of PQA professionals in the ever-evolving pharmaceutical industry.

The objective of this e-Faculty Development Program is to provide faculty with a comprehensive understanding of quality assurance principles and regulatory frameworks governing the pharmaceutical industry.

Through interactive sessions and expert insights, the program aims to:

1. Equip faculty and researchers with the latest advancements in quality management systems and regulatory practices.
2. Foster a collaborative approach between academia, industry, and regulatory bodies to enhance the pharmaceutical value chain.
3. Develop skills for addressing challenges in compliance, validation, and documentation processes.
4. Highlight the importance of aligning academic curricula with contemporary regulatory requirements.
5. Encourage innovation and critical thinking in implementing robust quality assurance measures.

This e-FDP seeks to bridge the gap between academic expertise and industry expectations, ensuring participants are well-versed in current trends and future directions in pharma quality assurance and regulatory affairs.

Total Participants: 125 members registered from various States of India

Format: 12 Guest Lectures by Eminent National and International Academicians and Industry Professionals

Duration: 6 Days

Day 1: 16-12-2024 (Monday)

Inauguration Ceremony: Time: 9:30 AM

Welcome Address: Dr. T. Mamatha, Professor & Principal, SNVPMV

Opening Remarks: Dr. N. Srinivas, Professor & Director, SNVPMV

Day 1: 16-12-2024 (Monday)

Session I (10:00 AM – 11:15 AM)

Speaker: Dr. M.V. Narendra Kumar Talluri

Topic: OECD Principles of Good Laboratory Practices (GLP)

The session provided an in-depth overview of the OECD guidelines for Good Laboratory Practices. Dr. Talluri explained the essential components of GLP, including study planning, test facility management, and reporting. He emphasized the importance of compliance with GLP in fostering credibility, reliability, and acceptance of non-clinical safety test data globally.

Session II (11:30 AM – 1:00 PM)

Speaker: Dr. Sreekanth Nama

Topic: Emerging Innovations and Breakthroughs in the Pharmaceutical Industry

Dr. Nama highlighted recent innovations in the pharmaceutical sector, such as precision medicine, advanced biologics, and wearable health technologies. He discussed challenges and regulatory implications associated with these breakthroughs and how they are transforming patient care.

Day 2: 17-12-2024 (Tuesday)

Session III (8:00 AM – 9:45 AM)

Speaker: Dr. R. Bhaskar Rao

Topic: Clinical IND and NDA Submissions – Regulatory Dimensions

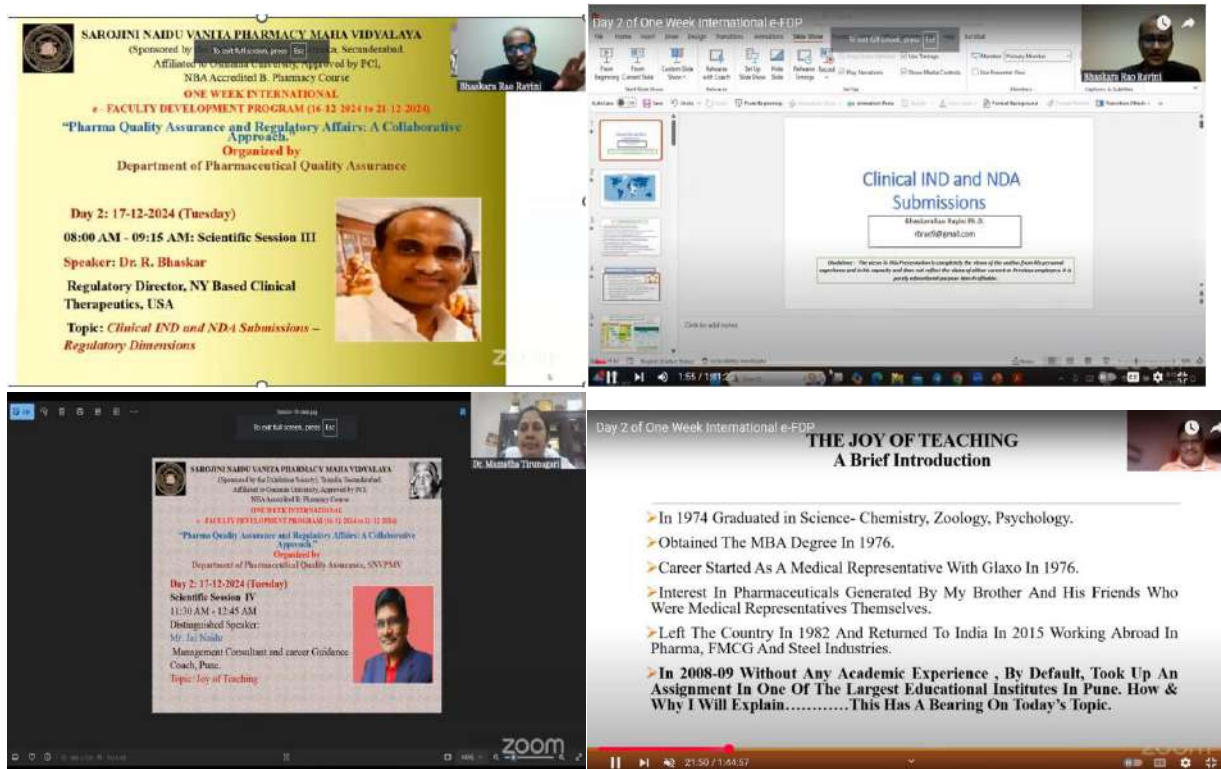

Dr. Rao delved into the intricate regulatory framework for Investigational New Drug (IND) and New Drug Application (NDA) submissions. He provided insights into the documentation, timelines, and strategies to ensure compliance with global regulatory bodies like the FDA and EMA.

Session IV (11:30 AM – 12:45 PM)

Speaker: Mr. Jai Naidu

Topic: Joy of Teaching

Mr. Naidu delivered an engaging session on innovative teaching methodologies and the significance of emotional intelligence in education. He shared practical tips to enhance classroom dynamics and foster a joyful learning environment for both educators and students.

Day 3: 18-12-2024 (Wednesday)

Session V (8:00 AM – 9:30 AM)

Speaker: Mrs. T. Rajani

Topic: Computer System Validation

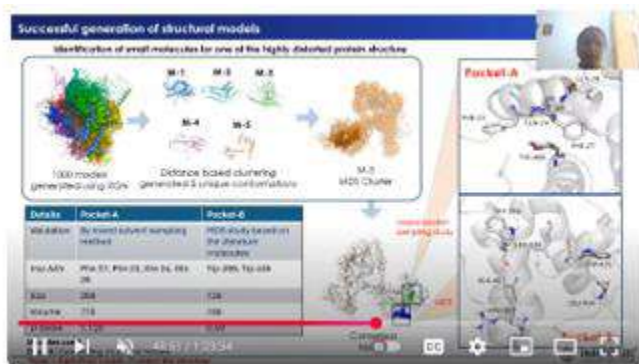

Mrs. Rajani provided a comprehensive overview of the principles and practices of computer system validation. She emphasized regulatory expectations, validation processes, and risk management strategies essential for compliance in the pharmaceutical sector.

Session VI (11:30 AM – 12:45 PM)

Speaker: Dr. Aparna Vema

Topic: AI in Pharmaceutical R&D: A Game Changer for Drug Discovery and Beyond

Dr. Vema highlighted how artificial intelligence is revolutionizing pharmaceutical research, from target identification to personalized medicine. Case studies were presented, showcasing AI-driven drug discovery projects and their remarkable impact on reducing development timelines.

Day 4: 19-12-2024 (Thursday)

Session VII (9:30 AM – 10:45 AM)

Speaker: Mr. V. Narendra Kumar

Topic: Implementing a Robust Quality Management System (QMS) in the Pharmaceutical Industry

Mr. Kumar discussed the critical elements of QMS and its implementation for ensuring product quality and regulatory compliance.

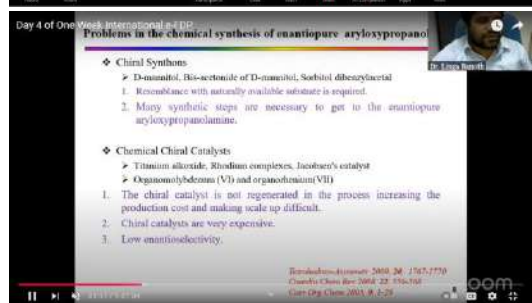

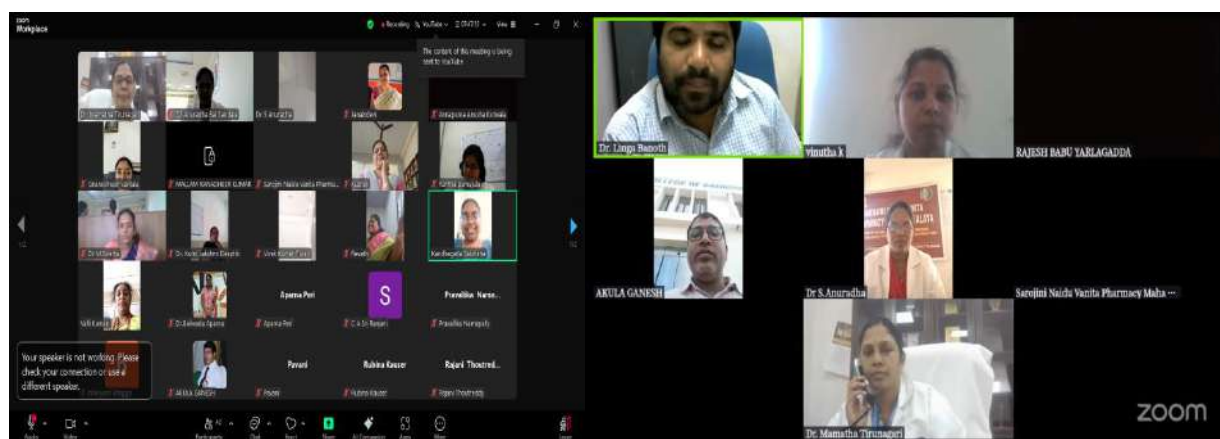

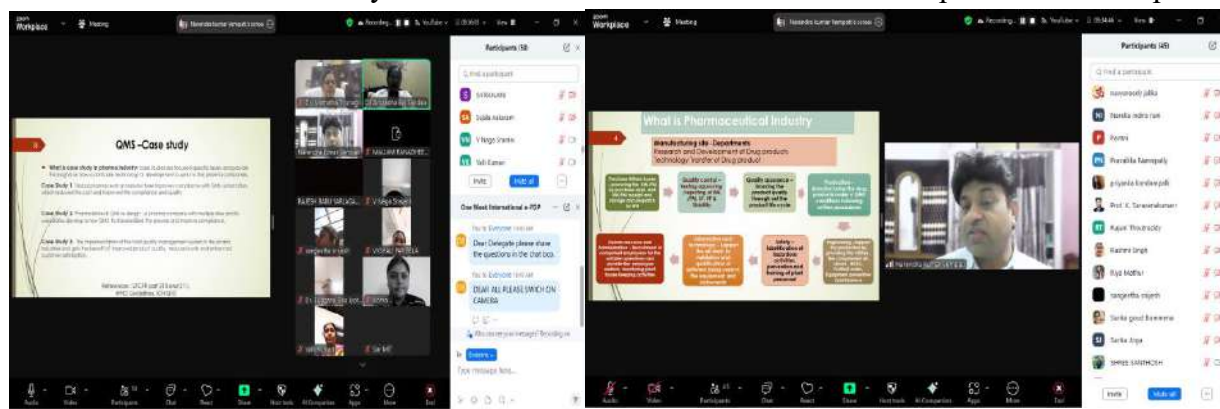

He stressed the importance of continuous monitoring, risk assessment, and training in maintaining a robust system.

Session VIII (11:30 AM – 12:45 PM)

Speaker: Dr. Linga Banoth

Topic: Ensuring Excellence through Process Capability and Sustainability in Cascade Processes with Enzymes Dr. Banoth shared insights into enzyme-based cascade reactions, emphasizing their potential for improving sustainability and efficiency in pharmaceutical manufacturing. He

also covered key metrics to assess process capability.

Day 5: 20-12-2024 (Friday)

Session IX (10:00 AM – 11:15 AM)

Speaker: Dr. M. Vidyavathi

Topic: DoE for Optimization in Formulation Development

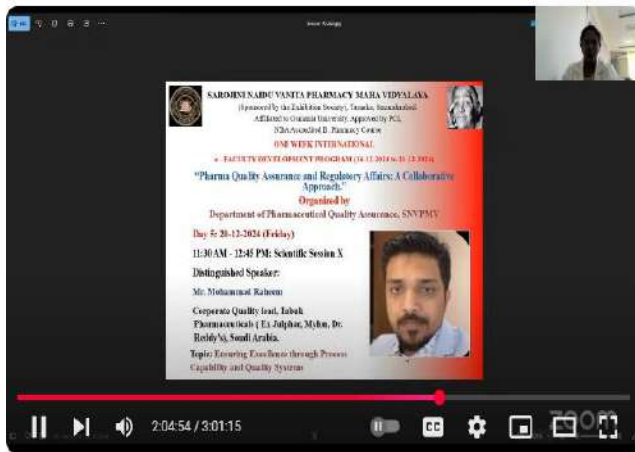

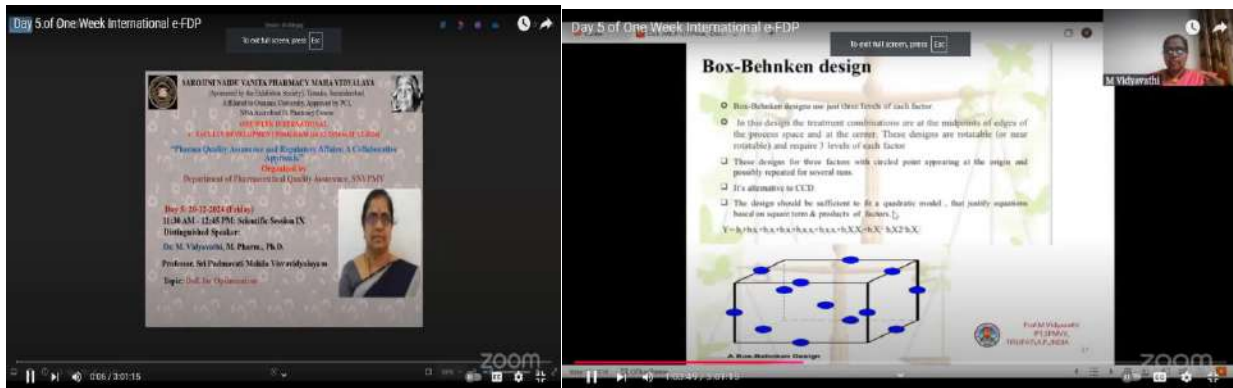

Dr. Vidyavathi elaborated on the Design of Experiments (DoE) methodology, showcasing its application in optimizing pharmaceutical formulations. The session included practical examples and the use of statistical tools to enhance formulation outcomes.

Session X (11:30 AM – 12:45 PM)

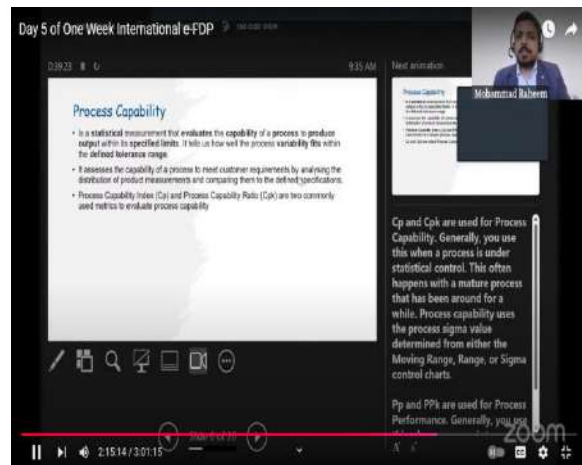

Speaker: Mr. Mohammad Raheem

Topic: Ensuring Excellence through Process Capability and Quality Systems

Mr. Raheem discussed strategies for integrating quality systems with process capability to achieve operational excellence. The session underscored the importance of robust quality culture in the pharmaceutical industry.

Day 5 of One Week International e-FDP

Day 6: 21-12-2024 (Saturday)

Session XI (10:00 AM – 11:15 AM)

Speaker: Dr. N. Srinivas

Topic: Quality Assurance in Clinical Trials: A Regulatory Perspective

Dr. Srinivas provided a detailed analysis of quality assurance practices in clinical trials. He outlined the critical role of QA in ensuring trial integrity, patient safety, and regulatory compliance across global studies.

Session XII (11:30 AM – 12:45 PM)

Speaker: Dr. T. Mamatha

Topic: Daily Yoga Routine for a Healthy and Balanced Life

Dr. Mamatha concluded the event with an interactive session on the importance of integrating yoga into daily routines.

She demonstrated simple exercises and shared tips for achieving physical and mental well-being.

Key Highlights

The sessions covered critical topics in the pharmaceutical industry, including:

Regulatory frameworks for ensuring compliance.

Innovations in Pharmaceutical R&D, focusing on AI-driven drug discovery.

Quality Management Systems (QMS) and their importance in ensuring industry standards.

Optimization techniques for pharmaceutical formulation development.

Valedictory Program

Event: ONE WEEK INTERNATIONAL e-FACULTY DEVELOPMENT PROGRAM

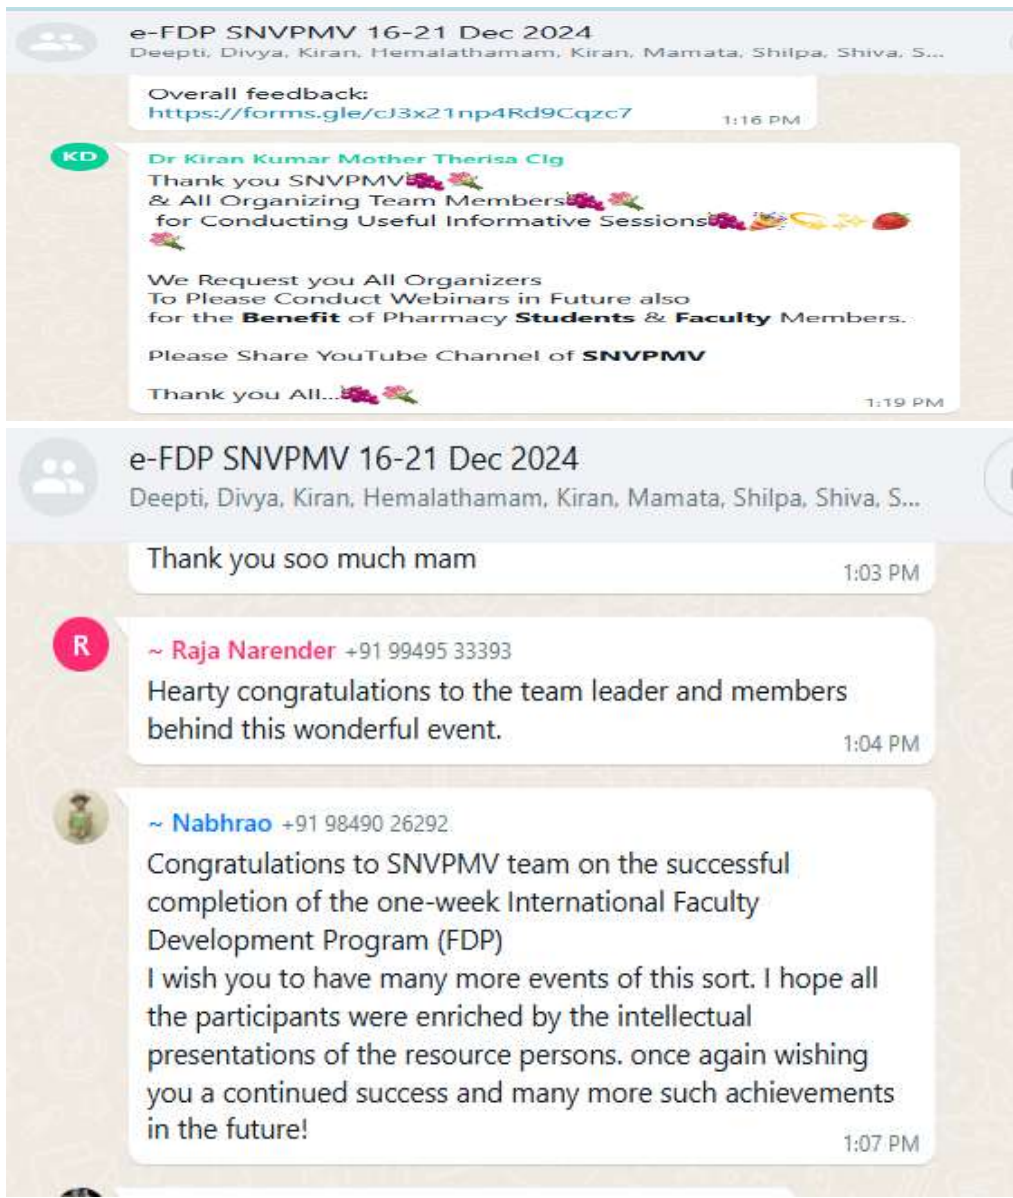

Theme: “Pharma Quality Assurance & Regulatory Affairs: A Collaborative Approach”

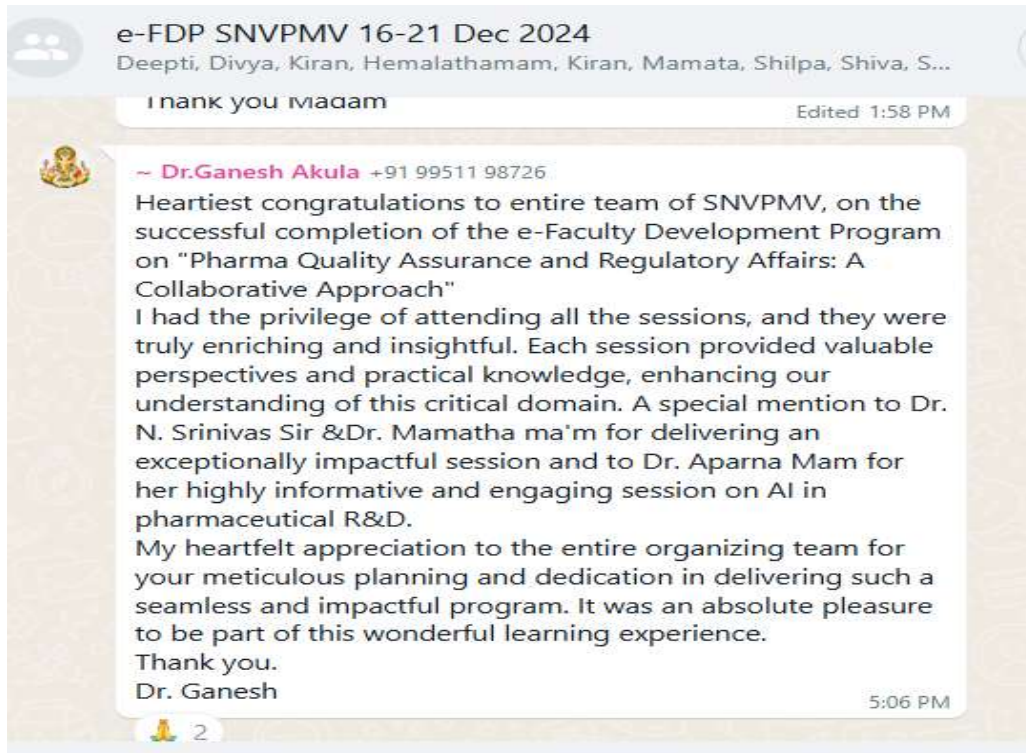

Date: 21-12-2024

Time: 1:00 PM – 1:30 PM

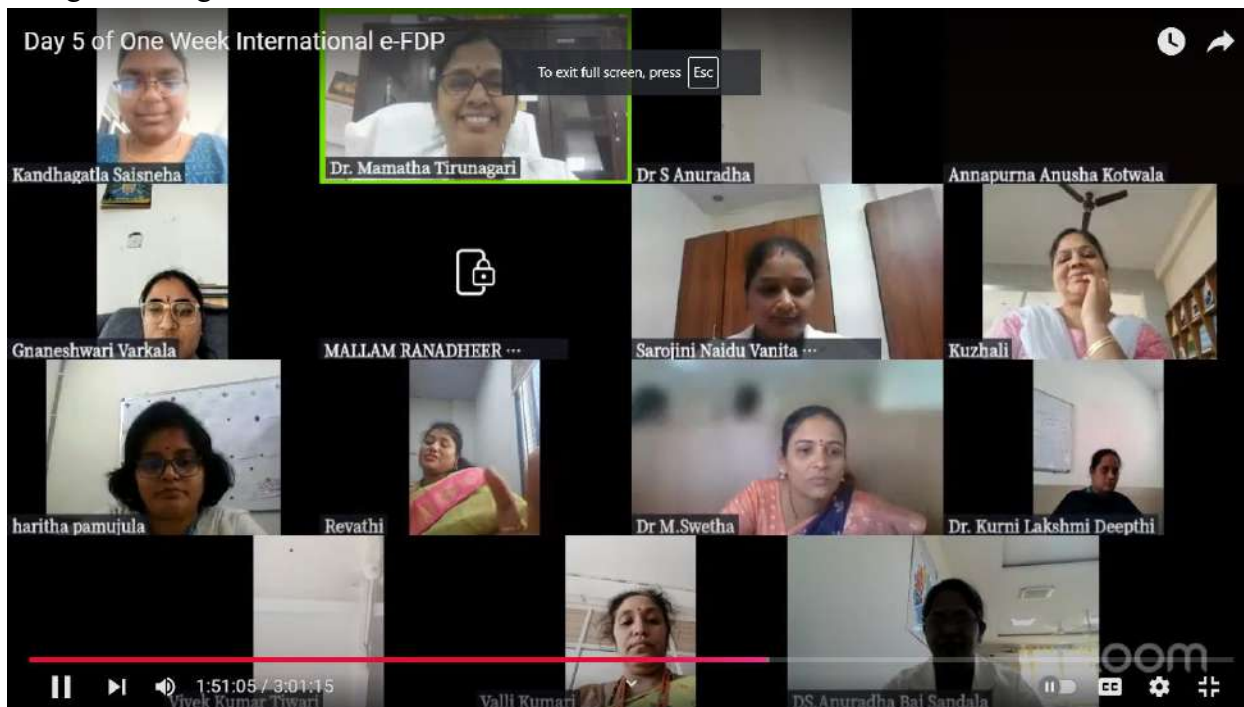

Feedback for the Delegates:

Delegate also gave oral Feed back

These discussions provided valuable insights into the latest trends, regulatory approaches, and technological advancements in the pharmaceutical industry, creating an excellent platform for knowledge exchange and collaboration among professionals.

Highlights from Delegate Feedback:

Enriching and Insightful Sessions

Delegates commended the depth and quality of the sessions, noting that they provided valuable perspectives and practical knowledge. Dr. Ganesh expressed his privilege in attending all the sessions, especially appreciating the impactful presentations by Dr. N. Srinivas and Dr. Mamatha, and the engaging session by Dr. Aparna on AI in pharmaceutical R&D. and all the speakers.

Organizational Excellence

The seamless execution of the program, including adherence to the schedule and meticulous planning, was praised by multiple participants. Delegates highlighted the dedication and effort of the organizing team in delivering a well-structured and impactful learning experience.

Call for Future Events

Delegates emphasized the need for similar programs in the future to benefit students and faculty members further. One participant suggested conducting webinars and sharing resources through a YouTube channel to reach a wider audience.

Acknowledgment of Academic Excellence

Delegates expressed admiration for SNVPMV's commitment to academic and professional growth. Many wished the institution continued success and expressed hope for more events of similar caliber in the future.

Report on the Event

Dr. Anuradha Bai presented an insightful report summarizing the highlights and accomplishments of the e-FDP. She outlined the objectives of the program and detailed the contributions of each speaker across the 12 sessions. The report emphasized:

The diversity of topics covered, including GLP principles, AI in pharmaceutical R&D, clinical submissions, and quality management systems.

The engagement of participants and the interactive nature of the sessions.

The program's impact on enhancing knowledge and fostering collaborations in the pharmaceutical field.

Dr. S.Anuradha expressed satisfaction with the overwhelming participation and positive feedback received from delegates, reaffirming the program's success.

Special thanks to our Chief Patron, Dr. B. Prabha Shankar, Chairman of SNVPMV, Managing Director & CEO of Leads Pharma Pvt. Ltd., Hyderabad, and President of the Indian Pharmaceutical Association, Telangana State Branch. Your visionary leadership and unwavering support have been the cornerstone of this program's success.

extend sincere appreciation to Patron, Sri Challa Prasanna, Vice Chairman of SNVPMV, for your constant encouragement and contributions to the growth of our institution.

Co-Patrons, Sri B. Hanumanth Rao, Hon. Secretary; Smt. Sandhya Depala, Hon. Treasurer; and Sri Chandrajeet Singh, Joint Secretary, for their invaluable guidance and support in making this event a grand success.

A special thanks to our Convenor, Dr. T. Mamatha, Professor & Principal, for your dedication, meticulous planning, and tireless efforts that ensured the seamless execution of this FDP.

We are equally grateful to our Co-Convenor, Dr. N. Srinivas, Professor & Director, for your leadership and commitment in steering this event to fruition.

Exceptional efforts of our Coordinators:

Dr. B. Siva Jyothi, Associate Professor,

Dr. K. Vinutha, Associate Professor,

Dr. R. Prasanthi, Assistant Professor,

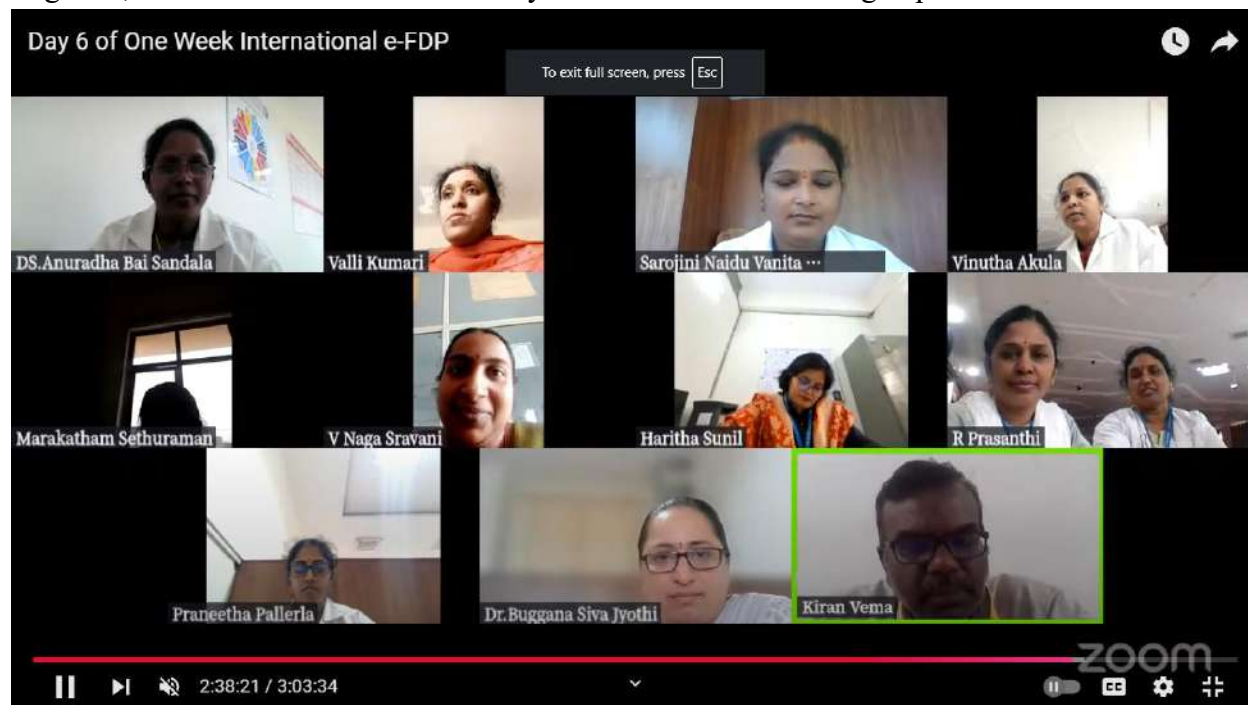

Mrs. S. Muni Shireesha, Assistant Professor,

and the entire team, whose behind-the-scenes hard work made every session impactful and insightful.

Finally, to all the delegates and participants, their enthusiasm and engagement have been the driving force behind the success of this program. Their active participation and commitment to learning reflect the spirit of collaboration and growth that this event was designed to foster.

For the first time, the Department of Pharmaceutical Quality Assurance successfully conducted an e-Faculty Development Program (e-FDP). This landmark event underscores the department's commitment to fostering professional growth and advancing knowledge in the field of Pharmaceutical Quality Assurance and Regulatory Affairs. The program served as a platform for learning, collaboration, and innovation, marking a significant milestone in our college's journey toward academic and professional excellence.

Once again, expressed deepest gratitude to everyone who contributed to the success of this FDP. Together, we have made this event a truly memorable and enriching experience.

PARTICIPANTS DETAILS.

S.No.	Name	Institution Name	Institution Address
1	Dr. T. Naga Aparna	G. Pulla Reddy College Of Pharmacy	Mehdipatnam, Hyderabad
2	Dr. G Umarani	Rbvrr women's College Of Pharmacy	Barkatpura ,Hyderabad
3	Dr. Gunda Srilakshmi	Teegala Ram Reddy College Of Pharmacy	Hyderabad
4	Dr. Surya Devarakonda	CMR College Of Pharmacy	Kandlakoya, Hyderabad
5	Mrs. Annapurna Anusha Kotwala	Sultan Ul Uloom College Of Pharmacy	Banjara Hills,Road No 3
6	Dr Yarlagadda Rajesh Babu	Sultan-Ul-Uloom College Of Pharmacy	Road No.3, Mount Pleasant, Banjarahills, Hyderabad
7	Mrs. Boddu Revathi	Malla Reddy Institute Of Pharmaceutical Sciences	Maisammaguda, Dhulapally
8	Mrs. Navneetha Oleti	Shadan College Of Pharmacy	Peerancheru, Hyderabad

REPORT ON EVENT OF
63RD NATIONAL PHARMACY WEEK CELEBRATIONS-2024

"Think Health, Think Pharmacy"

18th October, 2024

Time: 11.00 AM

National Pharmacy Week Celebrations were organised every year by the Indian Pharmaceutical Association in association with Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad and also in coordination with various Pharmacy colleges in and around Hyderabad.

Inaugural event of National Pharmacy Week Celebrations -2024 was celebrated on 18th October 2024 with the theme – “Think Health, Think Pharmacy” organised by Indian Pharmaceutical Association, Telangana State branch in coordination with Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, Secunderabad, Telangana.

The Inaugural function of the NPW-2024 was held in the auditorium of Sarojini Naidu Pharmacy Maha Vidyalaya, Tarnaka, Secunderabad, Telangana on 18th October 2024.

The function commenced at 11:00 am by welcoming the dignitaries onto the Dais, followed by lighting of the lamp and invoking the blessings of God with a devotional song by Ms. Rakshitha of PharmD IV yr & Ms.Madhura of B Pharm II yr.

For this event, total number of participants attended the event were 220.

The dignitaries below were invited on to the Dais with a floral bouquet

1. Dr. B. Prabha Shankar, Chairman, Sarojini Naidu Vanita Pharmacy Mahavidyalaya; Managing Director & CEO, Leads Pharma Pvt. Ltd., Hyderabad & President, Indian Pharmaceutical Association, Telangana State Branch.
2. Guest of Honor, Sri. O. Ramaraju, Expert Retail Pharma Chain, U.S.A
3. Guest of Honor, Prof. V. Malla Reddy, Former Registrar and Dean, University College of Pharmaceutical Sciences, Kakatiya University, Warangal
4. Chief Guest, Prof. Rambhau, Technical Director at Pulse Pharmaceuticals, Hyderabad, Telangana, India

5. Sri. K. Ram Prasad Reddy, Secretary, Indian Pharmaceutical Association, Telangana State Branch.
6. Smt. Depala Sandhya, Hony. Treasurer, Sarojini Naidu Vanita Pharmacy Mahavidyalaya
7. Mr.M.Amruth Rao, Ex-Drugs Controller, Telangana, Vice President, IPA, Telangana State Branch.
8. Dr. N. Srinivas, Director, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.
9. Dr. T. Mamatha, Principal, Sarojini Naidu Vanita Pharmacy Mahavidyalaya.
10. Dr. K. Sirisha, Vice-Principal, Sarojini Naidu Vanita Pharmacy Mahavidyalaya

The **63rd National Pharmacy Week Celebrations-2024** commenced with an inspiring and warm welcome address by **Dr. B. Prabha Shankar**, a renowned leader in the field of pharmacy. His address set the tone for the event, embodying the theme, *"Think Health, Think Pharmacy"*. Dr. Prabha Shankar extended a heartfelt welcome to the esteemed dignitaries, including the Chief Guest, Guests of Honor, faculty members, students, and all attendees. He expressed gratitude to the Exhibition Society for sponsoring the event and recognized the pivotal role of such collaborations in fostering academic and professional growth in pharmacy. He highlighted the importance Indian Pharmaceutical Association, Telangana State Branch which is conducting various events in coordination with the pharmacy institutions in and around the Hyderabad.

Sri. O. Ramaraju, an esteemed expert in the field of retail pharmacy chains in the U.S.A., delivered a compelling and thought-provoking address. His speech aligned seamlessly with the event's theme, *"Think Health, Think Pharmacy,"* and inspired the audience with his insights into the evolving role of pharmacy in healthcare. Sri. Ramaraju's speech served as an eye-opener for both students and professionals, shedding light on the vast opportunities within the field of pharmacy. His global perspective and emphasis on community engagement and technological adoption provided actionable insights for enhancing healthcare delivery in India.

Prof. V. Malla Reddy, an esteemed academic and a pioneer in pharmaceutical sciences, delivered an inspiring address. Prof. Malla Reddy shared his insights on the transformative journey of pharmacy education in India. He emphasized the growing importance of producing well-rounded professionals who can address the dynamic needs of the healthcare industry. Prof. Reddy highlighted how pharmacists today are not just dispensers of

medication but crucial players in patient care and public health. He called for expanding the pharmacist's role in preventive healthcare, chronic disease management, and patient education.

Prof. Rambhau, a distinguished figure in the pharmaceutical industry, delivered an engaging and insightful address. Drawing from his extensive experience, he shed light on the challenges faced by the pharmaceutical industry. His message highlighted the immense potential of pharmacy as a profession while offering practical guidance on how to harness this potential. Sir underscored the importance of critical thinking, problem-solving, and ethical practices in shaping a successful career in pharmacy. Sir emphasized the shift in pharmacy from traditional medicine dispensing to becoming a vital component of healthcare delivery systems.

All the speeches were well-received, drawing admiration for its informative and forward-thinking approach. Principals of various pharmacy colleges also graced the occasion.

It was followed by felicitation of guests by the dignitaries on the stage which was a highlight of the program, showcasing gratitude and admiration for their significant contributions with a momento and shawl.

Chief Guest: Prof. Rambhau, Technical Director, Pulse Pharmaceuticals, Hyderabad

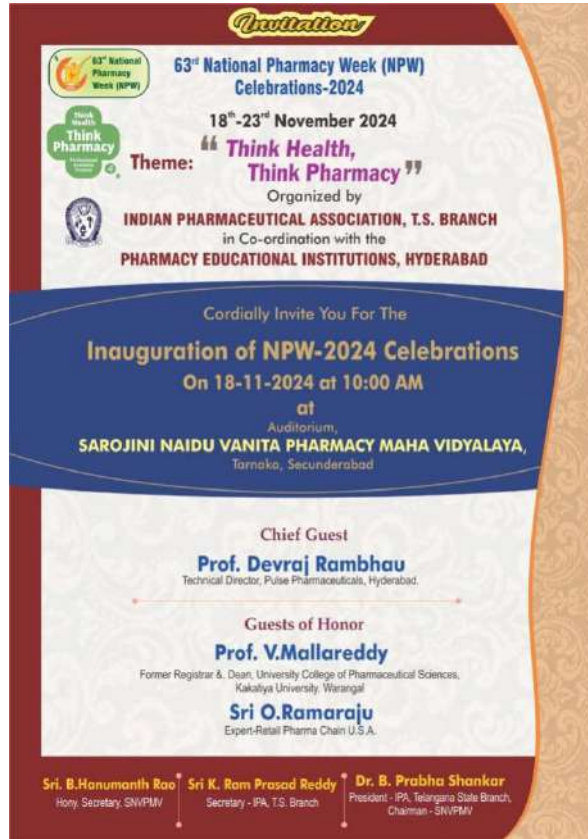

Guest of Honor: Sri. O. Ramaraju, Expert in Retail Pharma Chain, USA

Guest of Honor: Prof. V. Malla Reddy, Former Registrar and Dean, University College of Pharmaceutical Sciences, Kakatiya University, Warangal

The function was concluded for the morning session with Vote of Thanks by Sri K. Ramprasad Reddy IPA Secretary, Telangana State Branch and ended up with National Anthem followed by Lunch to the Dignitaries, Teaching, Non-teaching staff and students from various colleges.

Anchors: Mrs.J.Swathi, Asst Prof, Dept of Analysis and Sidra Tabassum of PharmD V year.

Stage Committee: Dr.S.Anuradha Bai, Professor, Dept of Quality Assurance and Dr.P.Praneetha, Associate Professor, Dept of Pharmacognosy.

He highlighted the importance Indian Pharmaceutical Association, Telangana State Branch which is conducting various events in coordination with the pharmacy institutions in and around the Hyderabad.

Sri. O. Ramaraju, an esteemed expert in the field of retail pharmacy chains in the U.S.A., delivered a compelling and thought-provoking address. His speech aligned seamlessly with the event's theme, *"Think Health, Think Pharmacy,"* and inspired the audience with his insights into the evolving role of pharmacy in healthcare. Sri. Ramaraju's speech served as an eye-opener for both students and professionals, shedding light on the vast opportunities within the field of pharmacy. His global perspective and emphasis on community engagement and technological adoption provided actionable insights for enhancing healthcare delivery in India.

Prof. V. Malla Reddy, an esteemed academic and a pioneer in pharmaceutical sciences, delivered an inspiring address. Prof. Malla Reddy shared his insights on the transformative journey of pharmacy education in India. He emphasized the growing importance of producing well-rounded professionals who can address the dynamic needs of the healthcare industry. Prof. Reddy highlighted how pharmacists today are not just dispensers of

medication but crucial players in patient care and public health. He called for expanding the pharmacist's role in preventive healthcare, chronic disease management, and patient education.

Prof. Rambhau, a distinguished figure in the pharmaceutical industry, delivered an engaging and insightful address. Drawing from his extensive experience, he shed light on the challenges faced by the pharmaceutical industry. His message highlighted the immense potential of pharmacy as a profession while offering practical guidance on how to harness this potential. Sir underscored the importance of critical thinking, problem-solving, and ethical practices in shaping a successful career in pharmacy. Sir emphasized the shift in pharmacy from traditional medicine dispensing to becoming a vital component of healthcare delivery systems.

All the speeches were well-received, drawing admiration for its informative and forward-thinking approach. Principals of various pharmacy colleges also graced the occasion.

It was followed by felicitation of guests by the dignitaries on the stage which was a highlight of the program, showcasing gratitude and admiration for their significant contributions with a momento and shawl.

Chief Guest: Prof. Rambhau, Technical Director, Pulse Pharmaceuticals, Hyderabad

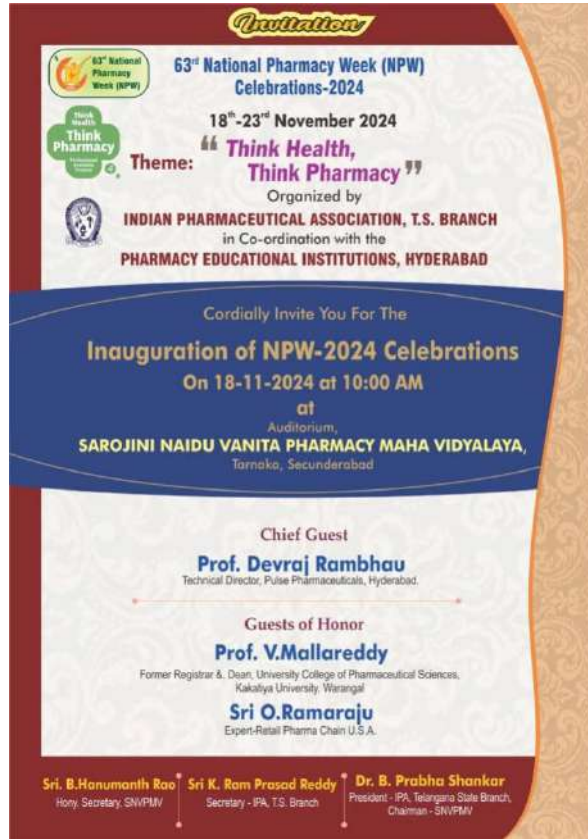

Guest of Honor: Sri. O. Ramaraju, Expert in Retail Pharma Chain, USA

Guest of Honor: Prof. V. Malla Reddy, Former Registrar and Dean, University College of Pharmaceutical Sciences, Kakatiya University, Warangal

The function was concluded for the morning session with Vote of Thanks by Sri K. Ramprasad Reddy IPA Secretary, Telangana State Branch and ended up with National Anthem followed by Lunch to the Dignitaries, Teaching, Non-teaching staff and students from various colleges.

Anchors: Mrs.J.Swathi, Asst Prof, Dept of Analysis and Sidra Tabassum of PharmD V year.

Stage Committee: Dr.S.Anuradha Bai, Professor, Dept of Quality Assurance and Dr.P.Praneetha, Associate Professor, Dept of Pharmacognosy.

Invitation

63rd National Pharmacy Week (NPW) Celebrations-2024
18th-23rd November 2024
Theme: **“Think Health, Think Pharmacy”**
Organized by
INDIAN PHARMACEUTICAL ASSOCIATION, T.S. BRANCH
in Co-ordination with the
PHARMACY EDUCATIONAL INSTITUTIONS, HYDERABAD

Cordially Invite You For The
Inauguration of NPW-2024 Celebrations
On 18-11-2024 at 10:00 AM
at
Auditorium,
SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA,
Tarnaka, Secunderabad

Chief Guest
Prof. Devraj Rambhau
Technical Director, Pulse Pharmaceuticals, Hyderabad.

Guests of Honor
Prof. V.Mallareddy
Former Registrar & Dean, University College of Pharmaceutical Sciences,
Kakatiya University, Warangal
Sri O.Ramaraju
Expert-Retail Pharma Chain U.S.A.

Sri. B.Hanumanth Rao Hony. Secretary, SNVPM
Sri K. Ram Prasad Reddy Secretary - IPA, T.S. Branch
Dr. B. Prabha Shankar President - IPA, Telangana State Branch,
Chairman - SNVPM

Report on Fashion show

Fashion around the globe: Fashion Fiesta organized by Sarojini Naidu Vanita Pharmacy Maha Vidyalaya.

Date: 18/11/2024

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya college auditorium transformed into Vibrant runway on Nov 18th, 2024, as the eagerly awaited 63rd National Pharmacy week 2024 fashion show, captivated a packed audience.

Organised by IPASF-TS Branch, the event celebrated creativity, diversity, glamour, elegance and style under the Theme: **Fashion around the world**. The stage was graced by fashion icon Sudha Jain and Anuradha Alluri.

Ms. Sudha Jain delivered the gathering address prior to ramp walk, commending the initiative of the fashion show during 63rd NPW. She expressed her appreciation for the creativity and effort behind the event and shared her enthusiasm for witnessing the upcoming fashion show, emphasizing its role in showcasing talent and innovation.

The fashion show included 3 rounds.

Round 1: Group fashion walk.

Round 2: Attire explanation

Round 3: Judges' Q&A

A distinguished panel of judges presided over the event, including Ms. Sudha Jain, Miss India Asia Pacific Model and international celebrity judge, who captivated the audience with an inspiring speech on fashion's role in the pharmacy industry. Ms. Anuradha Alluri, Anuradha Alluri is a dynamic and creative woman whose passion for both fashion and art has shaped her life. Madam has a degree in fine arts and an appreciation for aesthetics. She was an Ayur Pageant winner and loves exploring trends and pushing boundaries., and Dr. T. Mamatha, Principal of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, also shared valuable insights, applauding the participants for their dedication and creativity.

Over 12 talented student models from various colleges presented their collections, showcasing a mix of traditional Indian wear, old school British vintage and contemporary fusion outfits.

Highlights include regency-era dress, French coat, Blazer with a fusion of formal wear, infinity saree.

The audience cheered enthusiastically as each model confidently walked the runway bringing life to the exquisite designs.

Winners

Prize	Winners
First Prize	Contestant No. 7 Summaya, Pharm D 2nd Year Sarojini Naidu Vanita Pharmacy Maha Vidyalaya
Second Prize	Contestant No. 11 Seyad Razi Zia Anwar Ul Uloom College of Pharmacy
Third Prize	Contestant No. 3 Sri Pavan Sri Venkateshwara College of Pharmacy

The event concluded with a crowning ceremony of the winner for her bold and confident aura.

The day left everyone inspired and proud, showcasing the immense talent of the students.

Report on
Industrial Visit to GLOGEN Clinical Research Pvt. Ltd., Hyderabad
SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA
(Sponsored by Exhibition Society, Nampally)

Date: 25th Nov2024

Participants:

M.Pharmacy I semesters Students from
Department of Quality Assurance

1. D Sowmya
2. Gurram.Nikhitha
3. Tahimeem begum
4. M.Sai vennela
5. G.Sowmya
6. Gambo Nikitha
7. Bhavani singh
8. K.Nikitha

Department of Pharmacology

1. Bathula Jayasri
2. Bommu Vaishnavi
3. Gade Indu Vimala Devi
4. Hajera Begum
5. Kukkali Sneha
6. Kummari Swathi
7. Mahadev Anitha
8. Nabila Kulsum
9. Nomula Pavani
10. Savanth Swetha
11. Syeda Sumaiya
12. Udutha Bharathi

Accompanied by Faculty Members:

Dr. Anuradha Bhai, Professor & HoD, department of Quality Assurance

Dr. K.R.V.S. Chaitanya, Associate professor, Dept. of Pharmacology

An industrial visit to GLOGEN Clinical Research Pvt. Ltd., Hyderabad, was organized for the students of Quality Assurance and Pharmacology specialization on the 25th of November 2024. The visit aimed to provide students with practical insights into the operations of a clinical research organization, emphasizing the application of theoretical knowledge to real-world scenarios.

INTRODUCTION

GLOGEN Clinical Research Pvt. Ltd. is a globally recognized Clinical Research Organization (CRO) committed to advancing healthcare through its robust clinical research capabilities. By integrating drug safety and regulatory advisory services, GLOGEN provides comprehensive support to its clients, ensuring their clinical initiatives achieve success. The organization's primary objective is to craft effective strategies and deliver impactful solutions, establishing itself as a reliable partner in the clinical research domain.

Dedicated to accelerating product launches through clinical development, GLOGEN combines scientific expertise with a client-centric approach. The company actively collaborates with clients to enhance healthcare management and bring innovative therapies to market.

Core Services

GLOGEN offers a broad range of services tailored to meet the diverse needs of the pharmaceutical and biotechnology sectors, including:

- Bioavailability/Bioequivalence (BA/BE) Studies
- Pharmacokinetic (PK) Bioanalysis
- Biostatistics and Data Management
- Comprehensive Clinical Trial Services

State-of-the-Art Facilities

GLOGEN is equipped with cutting-edge infrastructure designed to uphold the highest standards of clinical research:

- A 100-bed facility to accommodate large-scale clinical trials.
- A dedicated 5-bedded ICU for managing adverse events (AEs) with advanced life-support systems.
- A fully equipped on-site pharmacy with controlled access.
- Advanced AB-Sciex API 4000 LC MS/MS systems for high-precision bioanalytical studies.

- Automated temperature monitoring systems for freezers and refrigerators, ensuring sample integrity.
- Facilities for volunteer registration and screening, supporting smooth trial execution.
- A dedicated archival facility for secure storage of essential trial documentation.

THE VISIT:

The visit began with a warm and cordial welcome by Dr. Rambabu, setting a positive tone for the event. This was followed by an introductory session delivered by Mr. Sridhar Reddy, the Head of Clinical at GLOGEN Clinical Research Pvt. Ltd., who provided an insightful and comprehensive overview of the company's operations and contributions to the field of clinical research.

Session by Mr. Sridhar Reddy:

Mr. Sridhar Reddy's session was pivotal in educating the attendees on key aspects of clinical research, with a focus on GLOGEN's role in advancing medical science. He began by introducing **GLOGEN Clinical Research Pvt. Ltd.**, a company known for its state-of-the-art infrastructure and global contributions to clinical research. He emphasized the company's commitment to delivering high-quality research that aligns with international standards, offering a broad spectrum of clinical services for drug development and trials.

Key Topics Covered:

1. Company Overview:

- Mr. Reddy highlighted GLOGEN's capabilities in clinical trials, underscoring its cutting-edge facilities that facilitate the execution of complex clinical research projects.
- The company's contributions were showcased, detailing its impact on improving healthcare outcomes globally, from drug development to regulatory approval.

2. Clinical Trials Protocols:

- He provided an extensive breakdown of the procedures involved in clinical trials, which are critical for evaluating the safety and efficacy of new drugs. He elaborated on the **different phases** of clinical trials, from preclinical to Phase I-IV trials, explaining their significance in gathering data for regulatory approval.
- He also touched upon the importance of clinical trial design, recruitment strategies, and data collection methods in ensuring trial integrity.

3. Regulatory Submissions:

- Mr. Reddy gave a detailed explanation of regulatory submissions required for drug approval. He delved into the processes for **Abbreviated New Drug Application (ANDA)**, **New Drug Application (NDA)**, and **Investigational New Drug Application (INDA)**, outlining the procedural steps involved and their importance in the drug approval process.
- This segment emphasized the intricate regulatory landscape that clinical researchers must navigate to bring new treatments to market.

4. **Generic Drug Studies:**

- The presentation highlighted the significance of **bioequivalence** and **therapeutic equivalence** in the development of generic drugs. Mr. Reddy discussed how these studies ensure that generic drugs are as effective and safe as their brand-name counterparts, making healthcare more accessible and affordable.
- He also covered how generic drug studies play a critical role in reducing healthcare costs while maintaining high treatment standards.

5. **Clinical Approvals:**

- Mr. Reddy concluded his session by explaining the regulatory and ethical requirements for clinical research, which are essential to ensure the safety of participants and the validity of research outcomes. He discussed the importance of adhering to **Good Clinical Practice (GCP)** guidelines and regulatory frameworks.

Session by Mr. Ramanuja Reddy:

After Mr. Sridhar Reddy's presentation, the session was handed over to **Mr. Ramanuja Reddy**, Head of QA and Bioanalytical at GLOGEN. He delivered a detailed lecture on **Quality Assurance (QA)** and **Bioanalysis**, covering critical aspects of maintaining high standards in clinical research.

Key Topics Covered:

1. **Role of Quality Assurance (QA):**

- Mr. Ramanuja Reddy emphasized the importance of **Quality Assurance (QA)** in clinical research. He explained how QA ensures the accuracy, reliability, and integrity of research data and clinical outcomes, which are crucial for the credibility of clinical trials.

- He also outlined how QA processes help maintain compliance with industry standards and regulatory requirements, which ultimately ensures the safety and efficacy of new drugs.

2. **Extraction Methods:**

- The session included a technical discussion on various **molecule extraction methods** used in clinical research, particularly in bioanalysis. These methods are essential for isolating and purifying specific compounds from biological samples, which is critical for analyzing the pharmacokinetics of drugs.
- Mr. Ramanuja Reddy detailed several advanced techniques employed to ensure high extraction efficiency and purity, which are vital for obtaining accurate research results.

3. **Analytical Techniques:**

- The discussion then moved to **analytical techniques** used in clinical research, with a focus on **LC-MS (Liquid Chromatography-Mass Spectrometry)** and **HPLC (High-Performance Liquid Chromatography)**. Both of these techniques are integral to bioanalysis and drug testing.
 - **LC-MS** is a powerful tool for identifying and quantifying molecules in complex samples, offering sensitivity and specificity.
 - **HPLC** was discussed as a widely used technique for separating, identifying, and quantifying compounds, particularly useful in pharmacokinetic studies to measure drug concentrations in biological matrices.
- Mr. Reddy also discussed how these methods are employed to study the absorption, distribution, metabolism, and excretion (ADME) of drugs, which is essential for understanding their therapeutic potential.

The sessions provided attendees with valuable insights into the clinical research landscape, the processes behind drug approval, and the technical methods used in bioanalysis. The presentations highlighted the importance of rigorous standards and cutting-edge technologies in ensuring the safety and effectiveness of new treatments. GLOGEN's commitment to maintaining high-quality research standards was clearly evident throughout the discussions.

The site visit, a significant part of the industrial tour to GLOGEN Clinical Research Pvt. Ltd., provided students with hands-on exposure to the functioning and infrastructure of a clinical research organization. Guided by Mr. Sridhar Reddy and Mr. Ramanuja Reddy, the tour

covered various departments integral to clinical trials, Bio-analysis, and quality assurance. Below is a detailed breakdown of the areas visited:

1. Clinical Operations Section

This segment of the tour introduced students to the initial and crucial stages of clinical trials and volunteer management.

Registration Area:

The students observed the systematic process for volunteer registration, emphasizing compliance with ethical and regulatory guidelines. Key aspects included maintaining data confidentiality, ensuring informed consent, and verifying eligibility criteria for volunteers.

Screening of Volunteers:

Students learned about medical evaluations conducted to assess volunteer suitability for participation in clinical trials. Procedures such as physical examinations, laboratory tests, and medical history reviews were demonstrated.

Clinical Pharmacology Departments:

This section showcased how clinical pharmacology principles are applied to trial design and execution. The students observed setups for dose administration and monitoring.

Four-Bedded ICU:

A state-of-the-art ICU facility designed to manage emergencies during trials was introduced. Students were briefed on the equipment and protocols used to ensure volunteer safety, including continuous monitoring systems.

100-Bedded Wards:

Students visited the well-equipped wards where volunteers stay during trials. The wards were designed to provide a comfortable and controlled environment, crucial for generating reliable clinical data.

Recreation hall for Volunteers:

The students were shown the dining area where standardized meals are provided to volunteers, ensuring dietary control essential for clinical studies.

Sample Collection Room:

The students observed the procedures for collecting blood and other biological samples, including the importance of aseptic techniques and proper labelling.

Nursing Rooms:

The nursing staff demonstrated their role in assisting with sample collection, monitoring volunteers, and administering trial medications.

2. Bioanalytical Department

This phase of the tour emphasized the pivotal role of Bio-analysis in evaluating drug performance.

BA/BE Studies:

The bioanalytical team explained the significance of Bioavailability (BA) and Bioequivalence (BE) studies in drug development, particularly for generic drugs.

Advanced Analytical Instruments:

Students were introduced to cutting-edge instruments used in bioanalytical testing:

- LC-MS/MS (Liquid Chromatography-Mass Spectrometry): Demonstrated as a tool for quantifying drug concentration in biological samples with high accuracy and sensitivity.
- HPLC (High-Performance Liquid Chromatography): Highlighted for its role in separating, identifying, and quantifying components in a mixture.
- Storage Facilities:
 - The group inspected specialized deep freezers maintaining temperatures of -70°C and -20°C , used to store biological samples under stable conditions.

Humidity Chambers:

The students were shown chambers used to study the stability of drugs under controlled temperature and humidity conditions.

Laminar Air Flow:

This section focused on maintaining sterile environments for handling samples to prevent contamination, a critical requirement in Bioanalysis.

Nitrogen Generator:

An explanation was provided about the use of nitrogen generators in creating inert environments for sample analysis and storage.

3. Pharmacokinetics and Biostatistics Department

Students explored the departments responsible for analysing and interpreting clinical trial data.

Pharmacokinetics:

This area focused on studying the absorption, distribution, metabolism, and excretion (ADME) of drugs. Students learned how pharmacokinetic data is critical for determining dosing regimens.

Biostatistics:

Experts demonstrated how statistical methods are applied to evaluate trial outcomes, ensuring accuracy and reliability in clinical findings.

4. Archives

The visit concluded with a tour of the Archives, where essential documents and data related to clinical trials are securely stored. Students were briefed on the importance of maintaining records for audits, regulatory submissions, and research continuity.

Interactive Insights during the Visit

The faculty members, Dr. Anuradha Bhai and Dr. KRVS Chaitanya, expressed their gratitude to the hosts for their exceptional efforts in delivering a detailed, interactive, and insightful experience. They appreciated the meticulous planning and execution of the visit, which provided students with a comprehensive understanding of clinical research processes.

The industrial visit to GLOGEN Clinical Research Pvt. Ltd. proved to be an invaluable learning experience for the students. It bridged the gap between academic learning and practical application, providing exposure to cutting-edge technologies and methodologies in the field of clinical research.

The students returned with a greater appreciation of the role of clinical research in healthcare innovation, equipped with knowledge that will contribute significantly to their professional growth.

Throughout the site visit, students had the opportunity to engage in discussions with the staff. Queries about practical challenges, regulatory compliance, and technological advancements in clinical research were addressed, enriching their understanding of the field.

This immersive exposure to real-world clinical research operations significantly enhanced the students' academic knowledge and inspired them to explore new dimensions in Quality Assurance and Pharmacology

REPORT ON

The Orientation Program for B.Pharmacy and Pharm.D Students

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA (SNVPMV)

Tarnaka, Secunderabad

Date: 22nd November 2024

The orientation program for the B.Pharmacy and Pharm.D students of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya was conducted on 22nd November 2024. The event aimed to introduce the students to the institution's values, vision, and academic framework while inspiring them to embark on their educational journey with purpose and dedication. The program featured a series of insightful addresses by esteemed dignitaries and engaging activities to familiarize students with their chosen fields.

Event presided by:

- Chief Guest: Mr. Francis Xavier, Global Pharma Marketing Expert.
- Dr. B. Prabha Shankar, Chairman, SNVPMV, MD & CEO, LEADS Pharma Pvt.Ltd. Hyderabad
- Sri B. Hanumanth Rao, Hon. Secretary, SNVPMV
- Smt. Sandhya Depala, Hon. Treasurer, SNVPMV
- Sri Chandrajeet Singh, Governing Body Member, SNVPMV
- Dr. A.V. Srikanth, Governing Body Member, SNVPMV
- Mr. V. Pradyumna, Governing Body Member, SNVPMV
- Dr. N. Srinivas, Director, SNVPMV
- Dr. T. Mamatha, Principal, SNVPMV

Inviting of Dignitaries onto the Dais

The event commenced with the welcoming of the dignitaries to the dais. The esteemed guests included Dr. T. Mamatha (Principal, SNVPMV), Dr. N. Srinivas (Director, SNVPMV), Mr. V. Pradyumna (Governing Body Member), Dr. A.V. Srikanth (Governing Body Member), Mr. Francis Xavier (Chief Guest), Sri Chandrajeet Singh (Governing Body Member), Smt. Sandhya Depala (Hon. Treasurer), Sri B. Hanumanth Rao (Hon. Secretary), and Dr. B. Prabha Shankar (Chairman, SNVPMV).

Lighting of the Lamp and Prayer Song

The program began with the ceremonial lighting of the lamp, symbolizing the dispelling of ignorance and the enlightenment that education brings. A soulful prayer song followed, invoking blessings for the students' success and the institution's continued growth.

Thought sharing by esteemed Dignitaries

Welcome Address by Dr. T. Mamatha, Principal, SNVPMV

Dr. Mamatha welcomed the gathering with warmth and enthusiasm. In her speech, she highlighted the institution's legacy and its commitment to fostering excellence in pharmacy education, she emphasized the support of exhibition society, explained curricular and extracurricular including NPW, Outreach programmes like UBA, MoUs, IPA-SF, NPTEL courses, TASK with SNVPMV, Mentoring system, counselling system followed by diagnostic evaluation. She emphasized the importance of discipline, curiosity, and ethical practices in building a successful career in pharmacy. She encouraged students to leverage the state-of-the-art facilities and expert faculty to achieve their academic and professional goals.

Address by Dr. N. Srinivas, Director, SNVPMV

Dr. Srinivas introduced the students to the institution's mission of producing skilled and compassionate healthcare professionals. He spoke about the evolving role of pharmacists in healthcare, emphasizing their responsibility in patient care and medication safety. He also discussed how SNVPMV's comprehensive curriculum is designed to prepare students for the challenges and opportunities in the pharmaceutical industry. Also emphasized the team of SNVPMV which included professor, associate professor and assistant professor with strong management and supporting staff.

Address by Mr. V. Pradyumna, Governing Body Member, SNVPMV

Mr. Pradyumna's address focused on the qualities that students must cultivate to excel in their academic and professional lives. He stressed the importance of adaptability, critical thinking, and innovation in today's competitive world. He also encouraged students to stay updated with the latest advancements in pharmacy and to strive for excellence in everything they do.

Address by Dr. A.V. Srikanth, Governing Body Member, SNVPMV

Dr. Srikanth inspired the students with his insights into the transformative power of education. He emphasized the role of pharmacists in bridging the gap between medicine and patient care. Sharing anecdotes from his professional journey, he motivated students to pursue research and innovation while maintaining a commitment to ethical practices.

Address by Mr. Francis Xavier, Chief Guest

The chief guest, Mr. Francis Xavier, a Global Pharma Marketing Expert, addressed the audience during the orientation program, sharing valuable insights with the newly admitted students. He began by emphasizing the importance of self-assessment through **SWOT analysis** (Strengths, Weaknesses, Opportunities, and Threats). He encouraged students to identify their strengths and weaknesses early in their careers and use this understanding to capitalize on opportunities while addressing challenges.

Mr. Xavier highlighted the pivotal role of medical representatives in the pharmaceutical industry, describing them as the backbone of pharmaceutical marketing. He explained how their work ensures that medical products reach healthcare professionals effectively, contributing significantly to global healthcare.

Discussing career prospects, he pointed out that certain countries offer lucrative opportunities for pharmacists, with the Switzerland being one of the best-paying countries for pharmacy professionals. He motivated students to aim high and consider global opportunities while excelling in their chosen field.

Mr. Xavier also shared an inspiring anecdote about his involvement in training 900 mentally handicapped children, illustrating the power of dedication and compassion in making a difference. He encouraged students to approach every challenge with determination and a problem-solving mindset, as these skills are vital for both personal and professional growth.

In conclusion, Mr. Xavier urged the students to utilize their time at SNVPMV to develop their skills, broaden their horizons, and prepare themselves for a fulfilling and impactful career in pharmacy. His words left a lasting impression on the audience, inspiring them to strive for excellence.

Address by Sri Chandrajeet Singh, Governing Body Member, SNVPMV

Sri Chandrajeet Singh highlighted the importance of holistic education that combines academic rigor with personal growth. He encouraged students to engage actively in extracurricular activities to develop leadership and teamwork skills. His speech also touched upon the vast opportunities available in the pharmaceutical sector and the importance of staying committed to their goals.

Address by Smt. Sandhya Depala, Hon. Treasurer, SNVPMV

Smt. Depala's address focused on the importance of resource management and financial discipline in students' academic and professional journeys. She encouraged students to make

the most of the opportunities and facilities provided by the institution and assured them of the administration's continuous support in their endeavors.

Address by Sri B. Hanumanth Rao, Hon. Secretary, SNVPMV

Sri Hanumanth Rao delivered an inspiring speech that celebrated the legacy and values of SNVPMV. He emphasized the institution's dedication to shaping well-rounded professionals and urged students to embody the values of discipline, empathy, and perseverance in their lives and parents to motivate the students to use the facilities well and also mentoring system to keep track of his daughter.

Address by Dr. B. Prabha Shankar, Chairman, SNVPMV

Dr. B. Prabha Shankar, the Chairman of SNVPMV, addressed the gathering during the orientation program and extended a warm welcome to all the guests, faculty members, and students. He expressed his privilege in introducing the students to the Sarojini Naidu Vanita Pharmacy Maha Vidyalaya family.

Dr. Shankar began by highlighting the legacy of the Exhibition Society, the parent institution of SNVPMV, which has been a pioneer in educational excellence for over a century. He mentioned that SNVPMV carries forward this legacy by emphasizing holistic development and ensuring that students achieve their full potential. He stressed the institution's commitment to student welfare and skill development, stating that SNVPMV focuses on equipping students with both academic knowledge and practical abilities. He explained how the institution prioritizes stress-free management and problem-solving skills, which are essential for overcoming academic and professional challenges with confidence.

Dr. Shankar spoke with pride about SNVPMV's remarkable achievements. He mentioned the establishment of 35 MoUs with industries and academic institutions, which facilitate guest lectures, industrial visits, and research collaborations. He pointed out that the faculty includes many Ph.D. holders and professionals who actively contribute to patents, publications, and funded research projects, ensuring high-quality education for students. He also shared that SNVPMV supports a vibrant campus life, accommodating over 750 hostelers, and emphasized the institution's focus on both academic rigor and extracurricular development. Furthermore, he noted that students have opportunities to participate in workshops, seminars, and guest lectures by industry experts to enhance their learning experience.

In conclusion, Dr. Shankar reminded students that they were now part of an institution dedicated to nurturing excellence. He encouraged them to make the most of the available resources, embrace opportunities, and strive to innovate in their respective fields. He expressed confidence that their journey at SNVPMV would be enriching, fulfilling, and transformative.

Pharmacist Oath and Departmental Introductions

Dr. B. Haarika, Professor and HOD of Pharmaceutics, delivered the Pharmacist Oath, symbolizing the students' commitment to ethical and professional practices. This was

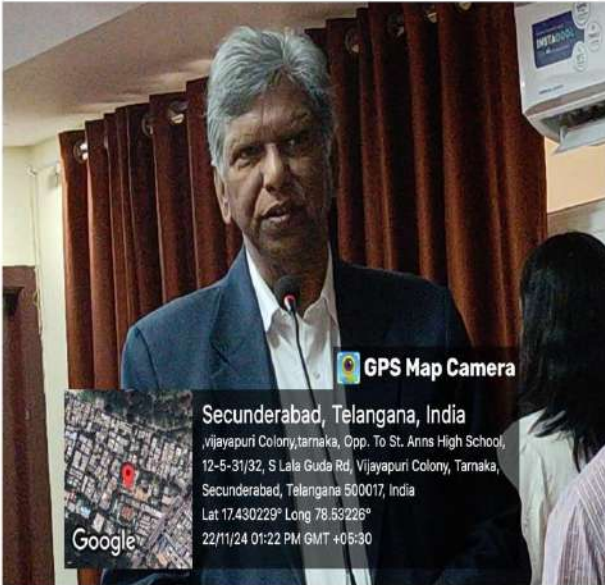

followed by a comprehensive introduction of pharmaceuticals, pharmacology, pharmaceutical analysis, Pharmacognosy, Regulatory affairs, Quality assurance and pharmaceutical chemistry by their respective Heads, giving students an overview of their academic journey.

Post lunch: the programme is followed by Mrs. S. Muni Sireesha, Examination In-Charge, elaborated on the rules and regulations of the courses, while Dr. B. Siva Jyothi, Associate Professor, outlined the course outcomes and program objectives.

College Lab Rounds

The day concluded with lab tours, allowing students to explore the institution's facilities and understand the practical aspects of their education.

The orientation program was a resounding success, offering students valuable insights into the institution's ethos and their future roles as healthcare professionals. The speeches delivered by the dignitaries were not only inspiring but also instilled a sense of purpose and responsibility among the students, marking a promising start to their academic journey, programmed witnessed the attendance of 28 Pharm D and 84 B.Pharmacy student accompanied by their parent, totally gathering of 322 was witnessed.
