## VISION

Our institution envisions excellent pharma education, research and innovation in core and frontier areas of pharmacy, to develop competitive, professional and socially responsible women and provide adequate human resources for local, National and International needs complying with statutory and regulatory norms.

## MISSION

1. To impart quality education, training, and skills in the field of pharmacy for providing trained manpower to the industry and healthcare sector in tune with the statutory and regulatory requirements.
2. To engage in innovative research and collaborative partnerships with industry, healthcare providers, and regulatory agencies in addressing current challenges and advances in pharmaceutical science and practice.
3. To provide quality pharmacy education and inculcate timeless values of caliber, competence, confidence and conscience among graduating students.
4. To develop managerial and entrepreneurship skills among the students in drug discoveries, drug delivery systems, retail pharmacy and support health care systems.
5. To promote synergy with the pharma industry, community pharmacy, academic and research institutions of National importance and healthcare industry to meet the expectations of various stakeholders.
6. To progress towards an egalitarian society through the emancipation of women with the acquisition of knowledge and empowerment

## DIRECTOR'S MESSAGE

It's a matter of high responsibility and challenge to be the Director of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), an institute of high repute in India. The beautiful design of the college building & infrastructure, is symbolic of the unique and innovative spirit of our institution.

We have no intention of resting on our laurels, a strategic plan is being charted out to make our institution as a "Model Pharmacy Institution". This commitment of our sponsoring society "Exhibition Society" coupled with the vision of our Management members, helps us strive to meet new challenges in education and research.

In short, we aim at "a pharmacy institution like no other," and I am confident that, with these strategic plans, our reputation as a leader in pharmacy education and research will continue to grow.

With Best Regards,

**Dr. Nimmagadda Srinivas**

## PRINCIPAL'S MESSAGE

It is with immense pride and satisfaction that SNVPMV presents its third quarterly Newsletter.

Our College has made significant strides in all aspects of academic pursuits, extracurricular activities, and capacity-building initiatives for both students and faculty. We are particularly proud of our successful collaborations with multiple pharmaceutical companies, which have expanded the placement opportunities for our final-year students.

As we welcome to our B. Pharmacy and Pharm. D & M. Pharmacy- First year students, we are confident that they possess the intellectual acumen and determination to achieve their aspirations. We wish them all the best in their future endeavours.

This Newsletter serves as a valuable platform to showcase the diverse activities undertaken by our departments and to foster writing skills among our students and faculty. I commend the Editorial Board for their exceptional work in producing this publication in such a timely manner.

**Dr. T. Mamatha**
