REPORT ON EXHIBITION VISIT

Date & Time – 10th FEBRUARY, 2025, 3:00 PM

On February 10, 2025, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), a women's college sponsored by The Exhibition Society, organized an educational visit to 'NUMAISH', one of India's largest consumer exhibitions, located in Nampally, Hyderabad. The primary objective of this visit was to provide recreational and experiential learning opportunities to students from various programs, including fourth-year B.Pharm, fourth to sixth-year Pharm.D, and first-semester M.Pharm students specializing in Pharmaceutics, Analysis, Quality Assurance, Regulatory Affairs, and Pharmacology.

The delegation comprised approximately 203 participants: 145 students from the aforementioned programs, 26 teaching and non-teaching staff members, and 32-day scholars who joined directly at the exhibition grounds. Four buses departed from the SNVPMV campus in Tarnaka at 3:30 PM, transporting students and staff to the exhibition. Upon arrival at 4:30 PM, the group was cordially received by Sri B. Hanumantha Rao, Member of the Exhibition Society and Honorary Secretary of SNVPMV, along with other society members who facilitated timely arrangements.

The attendees commenced their visit with a train ride that provided an overview of the various stalls within the exhibition. Faculty members were assigned to monitor groups of approximately 20 students each to ensure safety protocols were maintained. Students engaged in several exhilarating rides, including the Giant Wheel, Columbus, Cup Saucer, Car Race, and Dare Ride. The management of SNVPMV generously provided complimentary access to these attractions, offering a thrilling experience for all participants.

Following the rides, refreshments were provided, along with tokens for ice creams and other items. Students also had the opportunity to shop for a diverse range of products representing not only Telangana but various parts of India. The evening culminated in a musical performance by renowned Tollywood playback singer Mrs. Sunitha, which the students thoroughly enjoyed, capturing many memorable photographs.
