The Program was introduced by the host - Dr.R.Prasanthi - Assistant Professor and Coordinator of the club related to the programs to be held for the day. First activity which was conducted was by showing the Reels made by our students and showing their talent which were appreciated by all students and faculty. Audience enjoyed a lot by watching the reels. There was active participation by the students through which their creative thinking and entertainment was conveyed by the club.

The Second activity which was conducted was picking up students randomly and assigning some simple tasks or any situation for them to perform like mimicry of any faculty or student, principal and student interaction etc and students were made to act accordingly. Our faculty members (Dr.R.Prasanthi & Dr. Ch.Shanthi Priya, Mrs.A.Azmeera Jyothi) enlightened event by sharing the beautiful thoughts.

Outcome:

Skill Development: Students gained practical experience and honed their skills in visual storytelling through different mediums like reels, short films, and potentially photography (though the document doesn't explicitly detail photography activities).

Creativity and Innovation: The activities encouraged students to think creatively, explore their artistic expression, and come up with innovative ideas for their projects and performances.

Confidence Building: Active participation in the events, especially the impromptu acting tasks, likely helped students build confidence and overcome inhibitions.

Lastly we would like to conclude by saying that photography/reels/shortfilm/skit club always aims at conducting activities with an approach to involve the audience. 91 students took part in the club activity. This shows a lot of students are interested and enjoyed being part of it.
