CIRCULAR

Subject: "World Blood Donor Day 2025: Give Blood, Give Hope: Together We Save Lives"

Organized by: Department of Pharm. D

In collaboration with: Red Cross Society, NSS & IPA-SF

Dear Staff/Students,

We are glad to inform you that **World Blood Donor Day** will be observed on **14th June 2025**. To mark this occasion, our college is organizing the following events:

1. Awareness Rally

Date: 9th June 2025

Time: 10:30 a.m. to 12:30 p.m.

Route: SNVPMV main gate to Tarnaka metro station

Message: Join our Awareness Rally & Become a Life Saver!

2. Blood Donation Camp

Date: 10th June 2025

Time: 10:00 a.m. to 4:00 p.m.

Venue: SNVPMV Auditorium

Theme: Give blood, give hope: together we save lives

All students and staff are encouraged to actively participate and contribute to this noble cause. Your involvement can help save lives and spread awareness about the importance of voluntary blood donation.

Let us come together to support this life-saving mission.

The Inspector of Police,
Lalaguda Police Station,
Lalaguda-500017

Subject: Request for Permission to Conduct an Awareness Rally for World Blood Donor Day 2025.

Respected Sir / Madam,

We are writing to seek your kind permission to the college for organizing and conducting a peaceful public awareness rally in observance of **World Blood Donor Day, June 14, 2025**, in collaboration with the Indian Red Cross Society, NSS, and IPA-SF. The rally will be followed by an in-house blood donation camp at the SNVPMV Auditorium on **Tuesday, June 10, 2025 (10:00 AM to 4:00 PM)**.

Object: Spread awareness about the importance of voluntary blood donation among the general public.

Details of the Proposed Rally:

Event Name: World Blood Donor Day Awareness Rally 2025

Date: Monday, June 9, 2025

Time: 10:30 AM to 12:30 PM

Participants: Approximately 200 to 300 students and faculty members

Mode: On foot, with placards, banners, and slogans

Rally Route: The rally route will start from the main gate of SNVPMV, proceed to the main road of Habsiguda, then continue to Mettuguda, followed by Osmania University, and finally conclude at Lalaguda and Tarnaka.

We assure you that the rally will be conducted in a disciplined and peaceful manner, strictly adhering to all traffic rules and regulations. Our volunteers will be deployed to ensure that there is no obstruction to public movement or disruption to daily activities. We will fully cooperate with the police authorities to ensure the smooth and safe conduct of the event.

We kindly request your approval and necessary police assistance for crowd and traffic management during the rally to ensure the safety of all participants and the general public.

Thank you for your time and consideration. We look forward to your positive response.

Sincerely,

(Dr. T. Mamatha)

Report on Blood Donation Awareness Rally and Mega Blood Donation Camp

Date: 9th June 2025

Venue: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Sponsored by the Exhibition Society) Affiliated to Osmania University, Approved by PCI-New Delhi, NBA accredited B. Pharmacy course, Vijayapuri Colony, Secunderabad, Telangana, India.

Date of Report: June 10, 2025: AWARENESS RALLY FOR BLOOD DONATION

Event Overview: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya successfully organized a two-day event focused on blood donation awareness and collection on June 9th and 10th, 2025, in observance of Blood Donor Day. The initiative aimed to educate the public about the critical importance of blood donation and to collect voluntary blood units for a noble cause.

The Indispensable Role of Blood Donation:

Blood is a lifeline that cannot be manufactured. It is a vital component in saving lives and supporting countless medical treatments. The continuous need for blood arises from various situations:

- **Emergency Situations:** Victims of accidents, trauma, natural disasters, and mass casualty events often require immediate and significant blood transfusions to survive.
- **Surgical Procedures:** Many major surgeries, organ transplants, and childbirth procedures involve substantial blood loss, necessitating readily available blood supplies.
- **Chronic Illnesses:** Patients battling chronic conditions like sickle cell anemia, thalassemia, hemophilia, and severe anemia rely on regular blood transfusions for their ongoing health and well-being.
- **Cancer Treatment:** Cancer patients often need blood and platelet transfusions during chemotherapy and radiation therapies to manage side effects and maintain their quality of life.
- **Short Shelf Life:** Blood components have a limited shelf life (e.g., red blood cells for up to 42 days, platelets for only 5 days), underscoring the constant need for fresh donations.

A single blood donation has the potential to save up to three lives, as it can be separated into various components (red blood cells, plasma, and platelets) that are used to treat different medical conditions.

Day 1: Blood Donor Day Awareness Rally (June 9, 2025)

A vibrant rally was conducted on June 9, 2025, to create public awareness about blood donation. The rally saw enthusiastic participation from:

- **Director:** Dr. N. Srinivas
- **Principal:** Dr. T. Mamatha
- **Vice Principal:** Dr. B. Haarika
- **Faculty:** 30 members
- **Non-Teaching Faculty:** 10 members
- **Students:** 100 participants

The rally traversed through Vijayapuri Colony, Secunderabad, disseminating crucial information regarding the significance of regular blood donation and dispelling common myths. The participants actively engaged with the public, emphasizing the life-saving impact of blood donation.

Day 2: Mega Blood Donation Camp (June 10, 2025)

A Mega Blood Donation Camp was organized on June 10, 2025, within the college premises. The camp witnessed an overwhelming response and a remarkable turnout of donors.

- **Blood Units Collected:** Approximately 100 units of blood were successfully collected.
- **Donors:** The donors included teaching faculty, non-teaching faculty, students, and a significant number of enthusiastic outsiders who participated voluntarily.
- **Hospitality & Refreshments:** The college ensured excellent hospitality for all donors and volunteers. Various committees worked diligently to provide ample refreshments, ensuring a comfortable and positive donation experience.

Benefits for Blood Donors:

Beyond the immense satisfaction of saving lives, blood donation offers several health benefits for the donors themselves:

- **Free Health Screening:** Before donation, donors undergo a mini-physical, including checks for blood pressure, pulse, temperature, and hemoglobin levels. This can help identify potential health issues they might be unaware of.
- **Improved Cardiovascular Health:** Regular blood donation helps reduce excess iron levels in the body, which can be linked to a lower risk of heart attacks and improved cardiovascular health.
- **Stimulates Blood Cell Production:** The body works to replenish the donated blood, stimulating the production of new red blood cells and maintaining a healthy blood system.

- **Psychological Well-being:** The act of giving blood is a selfless act of compassion that provides a profound sense of fulfillment, purpose, and emotional well-being. Knowing one has contributed to saving a life can reduce stress and foster a sense of belonging.
- **Iron Regulation:** For individuals with conditions like hemochromatosis (iron overload), blood donation can be a therapeutic way to regulate iron levels.

Dignitaries and Guests Present: The event was graced by the presence of distinguished guests who motivated and encouraged the donors:

- **Chief Guest:** Sri Jai Naidu, Management Consultant and Career Guidance Coach, Pune
- **Chief Guest:** Dr. K. Pichi Reddy, Director of Red Cross Society
- **Chief Guest:** Dr. Usha Rani, Head for Operations in SNVPMV

Conclusion: The two-day event was a resounding success, effectively achieving its objectives of raising awareness and collecting a substantial amount of blood. The active participation of the college administration, faculty, staff, students, and external guests, coupled with the exemplary organization by various committees, contributed significantly to the positive outcome. The collected blood units will undoubtedly contribute to saving lives and serving the community, reiterating the vital importance of every single blood donation and the invaluable contribution of every donor.

సరోజినీ నాయుడు వనిత ఫార్మసీ మహా విద్యాలయలో రక్తదాన శిబిరం
మానవత్వాన్ని చాటుకున్న ఫ్యాకల్టీ, విద్యార్థులు..
