REPORT ON INDUSTRY VISIT – SYNCHRONY

Company Visited: Synchrony

Date: Saturday, 2nd August 2025

Participants: 42 Students of B.Pharmacy 3rd Year and 3 Faculty Members|

Conducted by: Training and Skill Knowledge (TASK) – Telangana Academy for Skill and Knowledge

Location: Synchrony, HITEC City Hyderabad

As part of the academic and professional development initiatives, TASK in association with Sarojini Naidu Vanita Pharmacy Maha Vidyalaya organized an **Industry Visit to Synchrony**, a 2nd global leader in consumer financial services. The visit was conducted on **Saturday, 2nd August 2025**, and was attended by **42 students of the B.Pharmacy 3rd Year** along with **3 Faculty Members**. The objective of this visit was to provide students with **practical insights into workplace environments, corporate culture**, and the **day-to-day operations** of a modern, innovative company.

The day began with inauguration, followed by an **Industry Floor Walk** at **9:40 AM**, where students were given a **guided tour of the company premises**. What made the experience unique was that each floor of the building housed a different department, and each was thoughtfully designed with **distinct interior themes**. The decor and atmosphere reflected the nature of the department it housed — from vibrant, creative settings to calm, focused spaces. This thoughtful architectural and interior design gave students a glimpse into how **workspace aesthetics** and **environmental psychology** play a crucial role in productivity and employee well-being. Every floor had its own **vibe**, showcasing Synchrony's commitment to creating a **diverse, inclusive, and employee-friendly work culture**.

Following the tour, the students attended an **inspiring interactive session "Defining Success."** The session was delivered by a senior executive from Synchrony and was filled with **real-life experiences and motivational stories**. A key highlight of the session was the discussion around the **"Three Ball Concept"**, a meaningful analogy that emphasized the importance of balancing work, relationships, and personal integrity to achieve holistic success. The speaker connected well with the students by sharing practical wisdom, the

importance of perseverance, and how values drive long-term achievement in both personal and professional life.

After the session, the participants were treated to a **lunch break at 1:30 PM**, where they experienced **warm hospitality** and had the opportunity to **interact with Synchrony employees**. The environment was welcoming and encouraged open conversation, allowing students to clarify their doubts and learn from the professionals' journeys.

The visit concluded at **2:30 PM**. The Synchrony team ensured the visit was not just informative but also engaging and meaningful.

The visit to Synchrony successfully bridged the gap between classroom learning and corporate expectations, and will surely leave a lasting impression on the minds of the participants.
