

**SUMMARY REPORT & COURSE OUTCOMES OF  
PHARMA UPGRADE CERTIFICATION PROGRAM 2024  
(In association with Sarojini Naidu Vanitha Pharmacy  
Maha Vidyalaya)**

**Prologue**

Masters Pharma is a pioneer organization in the field of Pharmacy Education dedicated to the cause of quality coaching to shape the young minds to establish themselves in highly competitive academic and career world. The organization provides specialized courses designed by experts in the respective field, to model and expertise pharmacy professionals.

PHARMA UPGRADE, focusses on training pharmacy students and graduates in multidisciplinary arenas to acquire diverse skillset, wherein they have wider opportunities and choices across their Careers. In this regard, a 45-day basic certification programme was organized in PHARMACOVIGILANCE and CLINICAL DATA MANAGEMENT from 08<sup>th</sup> August, 2024 to 24<sup>th</sup> September, 2024.

**Course Objectives**

The main objective of the course was to provide the aspirants with fundamental concepts, insights, process and exposure to industrial implications of Pharmacovigilance and Clinical data management.

**Participants**

A total of 12 students have registered for the course. The participants included students from B. Pharmacy 3<sup>rd</sup> and 4<sup>th</sup> academic years who enthusiastically looked forward to enhance their technical skills. All the participants were assigned specific registration numbers (MPU 1001 – MPU 1012) and attendance and performance were recorded accordingly.

**Course Content and Outflow**

The course was designed to provide hands-on experience to the participants with the help of practical sessions, roleplays, discussions and assignments. The course covered various aspects of Pharmacovigilance and Clinical Data

Management. It also included the training session for communication skills, highlighting CV makeover and interview readiness.

#### Assessment & Evaluation

### **Assessment & Evaluation**

Continuous Internal Evaluation (CIE) method was adopted for regularly monitoring the learning abilities of the participants. Assignments and assessments were also conducted after the completion of respective modules. The final evaluation was made through the Grand test. All the participants gave their best performance all through the course and successfully qualified the certification program.

### **Course Outcomes**

After the completion of course the students were able to -

- o Understand the basic concepts of PV & CDM
- o Gain knowledge on Hands - on training process
- o Develop communicative skills and interactive behaviour
- o Make up CV and be interview ready
- o Fulfil requirements of Academic Internship

### **Certificate presentation**

Certificates of course completion were awarded to the qualified students (for two courses PV & CDM) on the occasion of World Pharmacist Day celebrations on 25<sup>th</sup> September, 2024, conducted at Seminar Hall, Sarojini Naidu Vanitha Maha Vidyalaya. All the students were overjoyed to receive course certificates in presence of dignitaries Sri V.B. Kamalasan Reddy, IPS, Director General (DCA), Sri R.K. Agarwal, National President, BDMA, Dr. B. Prabha Shankar, President (IPA), Chairman (SNVPMV).

### **Concluding remarks**

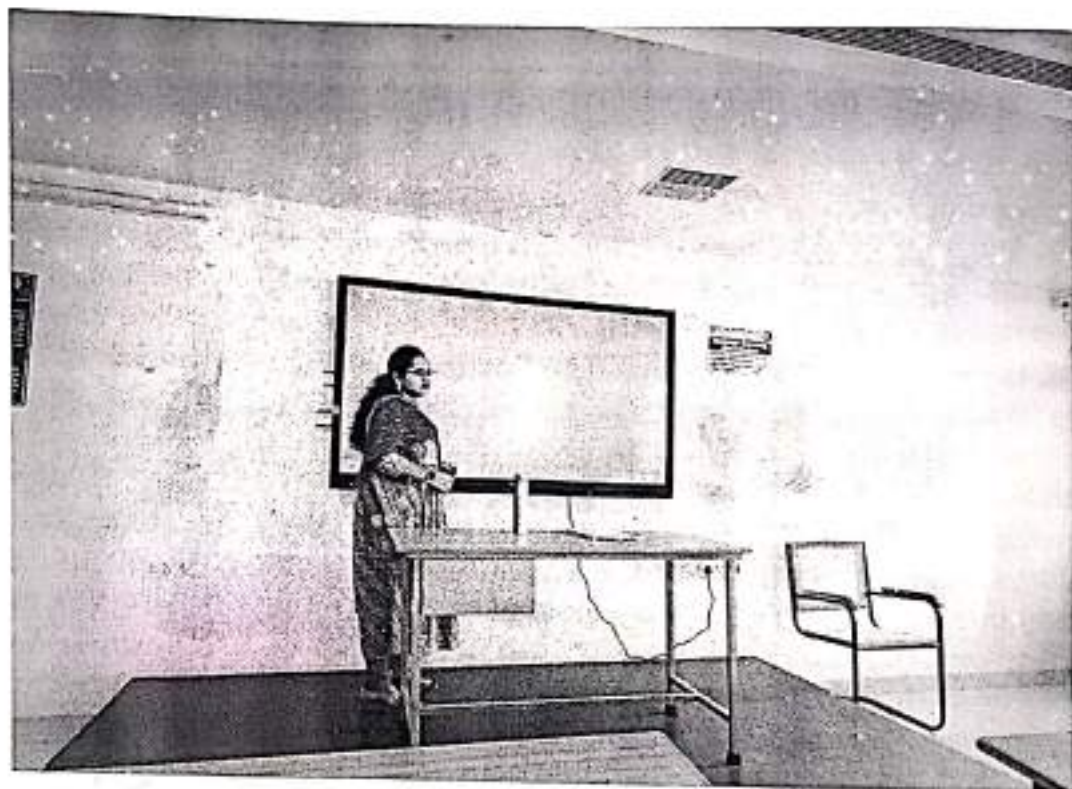

The 45-day certificate course in Pharmacovigilance and Clinical Data Management was a huge success. The course provided an opportunity for students to enhance their technical skills and gain practical knowledge. The organization is committed to conducting more such programs in the future to help students in their pursuit of knowledge and skill development. The organization would like to express immense gratitude to the Management, Sarojini Naidu Vanitha Maha Vidyalaya for this wonderful opportunity. Our greetings are due to Dr. B. Prabha Shankar, Chaiman, Dr. N. Srinivas, Director, Dr. Mamatha, Principal, Dr. K. Sirisha, Vice - Principal, Dr. K. Vinutha, Associate Professor and other administrative staff, SNVPMV for their continual support and co-ordination in successful conduct of the course. The participants also expressed their utmost satisfaction with the course and appreciated the efforts of the organization in conducting such a beneficial program.

### About Masters

Masters Pharma Solutions is a well-established organization in the field of Pharmacy Education borne out of a deep sense of the concern and is dedicated to providing quality training to shape the young minds to establish themselves in highly competitive academic and career world.

### Basic Medical Coding Certificate Program

This Course contains the fundamentals of medical coding and help them to establish themselves in the industry.

#### Course Contents

- Chapter - 01 Introduction to Medical Coding
- Chapter - 02 Anatomy, Physiology and Medical Terminology related to human physiological systems
- Chapter - 03 Introduction to International Classification of Diseases (ICD) and its History
- Chapter - 04 Evaluation and management (E/M) Coding.
- Chapter - 05 Introduction to The Current Procedural Terminology (CPT) Anesthesia Code range (00100-01999)  
General Surgical Procedures Code range (10004-10021)  
Radiology Procedures CPT Code range (70010- 79999)  
Pathology and Laboratory (80047-89398)

### Basic Pharmacovigilance Certificate Program

This course provides basic insights into Pharmacovigilance and acting to reduce the risks and increase the benefits of medicines.

#### Course Contents

- Chapter-1 Introduction to Pharmacovigilance
- Chapter-2 Fundamental Clinical Aspects of ADRs
- Chapter-3 Important ADRs and Risk driving ADRs of Important medicines

## PHARMA UPGRADE PROGRAM

- Chapter-4 Introduction to Individual Case Safety Reports (ICSR) management
- Chapter-5 Pharmacovigilance in clinical trials
- Chapter-6 Counterfeiting, Quality Defects and medication errors
- Chapter-7 Spontaneous ICSR Reporting Systems (SRS)
- Chapter-8 Signal Detection and Management
- Chapter-9 Post-Authorization Observational Studies and Clinical trials
- Chapter-10 Benefit-Risk Assessment
- Chapter-11 Pharmacovigilance and Risk Management Systems
- Chapter-12 Industry and Regulatory Authorities, Mandatory Procedures from Legislation
- Chapter-13 PV Organization and Public Health
- Chapter-14 Model Sources of case reports

### Communication Skill Training Sessions

These sessions intend to provide skill training on-

1. CV Makeover
2. How to prepare for interview??

#### Assessment & Evaluation

Continuous Internal Evaluation method for every two sessions shall be conducted in order to enhance the competencies and skills of the participants.

#### Certification & Placement Assistance

After successful completion of the program, all the participants will receive a certificate with grading according to their performance. Placement assistance will be provided subjecting to the skills of the participant
