## **REPORT ON ONE-DAY SEMINAR**

### **Opportunities in Medical Field for Pharmacy Students and Need for Skills Upgradation**

Date: 9th January, 2026

Venue: Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed), Tarnaka.

Organized by: Career Guidance Cell, SNVPMV

## **INTRODUCTION**

A one-day seminar on “Opportunities in Medical Field for Pharmacy Students and Need for Skills Upgradation” was conducted on 9th January at Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed). The seminar was organized by the Career Guidance Cell (SNVPMV) with the objective of guiding pharmacy students towards emerging career opportunities and improving their professional readiness through skill development.

The event was graced by Dr. N. Srinivas, Director, SNVPMV, along with faculty members. The Director welcomed the resource persons and extended an eco-friendly greeting, following which he addressed the gathering and emphasized the importance of exploring diverse career opportunities and upgrading skills through platforms such as NPTEL and other certification-based courses to meet industry requirements. The session was led by Ms. Snigdha and her colleague Mr. Srinivas, resource persons from NT Nextenti. Around 50 students, including B.Pharm final-year and M.Pharm students from all branches, actively attended the seminar.

## **PROGRAM OVERVIEW**

The seminar focused on creating awareness among pharmacy students about the wide range of career opportunities available in the medical and healthcare sector. The resource persons from NT Nextenti explained the scope of pharmacy graduates in areas such as clinical research, regulatory affairs, pharmacovigilance, medical coding, and allied healthcare **services**. They shared insights into current industry trends and the growing demand for skilled professionals in these fields.

The speakers highlighted the importance of skill upgradation, certification-based learning, and practical exposure to meet industry expectations. Students were encouraged to develop industry-oriented skills, communication abilities, and technical knowledge in addition to their academic curriculum to enhance employability.

A key highlight of the program was the introduction of the Nextenti mobile application. Students were guided to download the app during the session, and Ms. Snigdha demonstrated how to use the app effectively. The app was explained as a career guidance and learning platform that provides information on medical and healthcare-related career paths, skill-based courses, and professional development opportunities. The demonstration helped students understand how the app can be used for career planning, continuous learning, and skill enhancement.

The session was interactive, and students actively participated by clarifying their doubts related to career options and future growth. Overall, the program provided valuable guidance and practical knowledge to help students prepare for the changing demands of the medical field.

## **IMPACT**

The seminar created a significant impact on pharmacy students by broadening their understanding of emerging career opportunities in the medical and healthcare sectors beyond conventional roles. The detailed discussion on fields such as clinical research, regulatory affairs, pharmacovigilance, medical coding, and allied healthcare services helped students gain clarity about industry expectations.

The introduction and live demonstration of the Nextenti platform further enhanced awareness of technology-driven career guidance and skill development tools. As a result, students were motivated to focus on continuous skill upgradation, certification-based learning, and practical exposure, thereby aligning their academic knowledge with current industry requirements and improving their overall professional readiness.

## **OUTCOME**

The outcome of the seminar was highly positive, as students gained practical insights into career planning and employability enhancement. The session successfully familiarized participants

Overall, the seminar achieved its objective of guiding pharmacy students towards diversified career paths and reinforcing the importance of lifelong learning, ultimately contributing to better preparedness for future professional challenges.

## **CONCLUSION**

The seminar was very informative and motivating, helping students understand different career opportunities in the medical field and the importance of continuous skill upgradation. The guidance given by the speakers and the demonstration of the Nextenti app made the session useful and practical for students. The seminar encouraged students to focus on improving their skills for a successful professional future. The program concluded with a vote of thanks delivered by the Director, Dr. N. Srinivas, appreciating the efforts of the organizers, speakers, and faculty members.
