## **REPORT ON**

### **A VISIT TO ALL INDIA INDUSTRIAL EXHIBITION NUMAISH – 2026**

#### **Introduction**

On 03/02/2026 Sarojini Naidu Vanita Pharmacy Maha Vidyalaya, M. Pharmacy I & II Year, of all department students along with Vice Principal madam, 06 faculty visited, 03 Non -Teaching and 03 Hostel Staff visited to ALL INDIA INDUSTRIAL EXHIBITION NUMAISH – 2026 Which was held in Nampally Exhibition grounds. We are really very impressed with it. It was a huge exhibition.

#### **In the Exhibition**

We entered the exhibition gates at 3:45 PM and were immediately greeted by rows of beautifully decorated food stalls and cloth stalls, each showcasing its state's unique culture. The vast space burst with magnificent bright colors and countless twinkling lights, growing even more enchanting as we ventured deeper. Every stall was adorned with vibrant chart paper, fabrics, and illuminations, clearly reflecting the participants' creativity and skill.

The exhibition featured distinct sections: one with food, toy, and cloth stalls; another highlighting Kashmiri products; and a third dedicated to amusements—all handmade with care. We savored treats from stalls offering tea, coffee, cold drinks, and snacks like chaat and pizza to refresh ourselves. Thrilling rides such as the giant wheel, cup and saucer, ranger, and Columbus added to the excitement. We spent about five hours there, mingling with crowds of women and children who roamed from corner to corner, admiring the stunning, shop-like uniqueness of every stall.

#### **About Exhibition**

As soon as we stepped into the science section, it hit us like stepping right into a fairyland— everything sparkled with wonder and excitement. Stalls had come from every corner of India, each one proudly repping a different state with their own vibe. We wandered through heaps of cool dome-shaped stalls that were all about showing off local cultures, tasty traditional foods, and fun displays. Then there were these other awesome stalls packed with all sorts of electronic gadgets, super cute robot toys that moved on their own, and stacks of mind-blowing science fiction books that made you want to dive right in.

#### **About Craft Section**

Then we entered into the section of Craft and Art. There were so many Artists and craftsmen from all over the states. They displayed so many things that catch our eyes. The potteries, handbags, textiles, shawls, handicrafts, paintings, hats, jewelry, handlooms, jute crafts were just some of them.

We realized that the craftsmen and artists must have spent months or years in preparing for this exhibition. What we all liked the best were the shawls and hand bags from Kashmir. It was really amazing to know that what a man can do with his two hands. The best stall we impressed was all the Kashmir stalls.

**Conclusion**

We are really happy as we got such a great opportunity to see the art and crafts from various states in this exhibition. We are glad as we got a chance to see the wonders that the people of our country have to offer to the world time to time. The exhibits were really good and polite. We saw so many different cultural aspects of all states of India. We enjoyed our visit to the exhibition very much and we accept that it was one of the best experiences.

**List of Faculty and Students Visited**

<b>SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA (Co-Ed.)</b>			
<b>(Sponsored by Exhibition Society), Tarnaka, Secunderabad</b>			
<b>S. No</b>	<b>Mentors</b>	<b>No of Students</b>	<b>Class</b>
1	Dr. S. Anuradha	13	M.Pharmacy Department of Pharmaceutical Quality Assurance
