### CIRCULAR

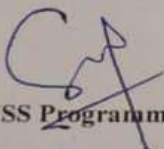

All the students are hereby informed that the NSS Unit of SNVPMV is organizing the **Bharat Environment Program – 2026**, as part of **Earth Week (April 22nd – 29th, 2026)**, in collaboration with **Research Heights Foundation** and **Environment Protection Training & Research Institute (EPTRI)**.

The program aims to promote environmental awareness and sustainable campus practices. The following activities are scheduled:

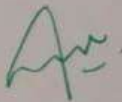

- **Sustainability Pledge – 23rd April 2026**
- **Plantation Drive – 28th April 2026**
- **Plastic-Free Campus Initiative – 28th April 2026**

All NSS volunteers and interested students are instructed to actively participate and contribute towards building a greener and cleaner campus.

Your active participation is highly appreciated.

### **Bharat Environment Program – 2026**

#### **A Bharat Sustainability Campus Mission**

**Organized by:** NSS Unit, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya Co-Ed (SNVPMV)

**In Association with:** Research Heights Foundation & Environment Protection Training & Research Institute (EPTRI)

**Occasion:** Earth Week (April 22nd – 29th, 2026)

### **1. Introduction**

Environmental sustainability has become a global priority in recent years, emphasizing the need for collective responsibility towards protecting natural resources and maintaining ecological balance. In alignment with this vision, the NSS Unit of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV) actively organized and participated in the **Bharat Environment Program – 2026** during the celebration of **Earth Week (April 22nd to 29th, 2026)**.

This program, conducted in collaboration with Research Heights Foundation and the Environment Protection Training & Research Institute (EPTRI), aimed to sensitize students about environmental issues and encourage them to adopt sustainable practices in their daily lives. The initiative also served as a platform for students to engage in meaningful activities that contribute to environmental conservation and community well-being.

### **2. Theme of the Program**

The program was conducted under the theme:

**“A Bharat Sustainability Campus Mission 2026”**

The theme focused on key environmental aspects such as:

- Saving the Earth
- Reducing waste generation
- Conserving water resources
- Promoting tree plantation

---

- Building a sustainable future

These focus areas guided all activities conducted during the program.

### 3. Objectives

The primary objectives of the Bharat Environment Program – 2026 were:

- To create awareness among students about environmental protection and sustainability
- To promote eco-friendly habits and responsible behavior
- To reduce the use of plastics and encourage sustainable alternatives
- To increase green cover within the campus through plantation activities
- To instill a sense of social and environmental responsibility among youth

### 4. Activities Conducted

#### A. Sustainability Pledge

- **Date:** 23rd April 2026

The program commenced with a **Sustainability Pledge**, where students and faculty members collectively took an oath to protect the environment and adopt eco-friendly practices. The pledge emphasized the importance of minimizing waste, conserving natural resources, avoiding single-use plastics, and contributing to environmental preservation.

This activity created a strong sense of commitment among participants and encouraged them to incorporate sustainability into their daily routines.

#### B. Plantation Drive & Plastic-Free Campus Initiative

- **Date:** 28th April 2026

As part of the Earth Week celebrations, two major activities were conducted on the same day to maximize impact.

### **Plantation Drive**

The NSS volunteers actively participated in planting saplings within the college premises. The plantation drive aimed to enhance the green cover of the campus and promote awareness about the role of trees in maintaining ecological balance.

Students were educated about the environmental benefits of trees, including air purification, carbon sequestration, and temperature regulation. The activity also emphasized the importance of nurturing and maintaining plants to ensure long-term environmental benefits.

### **Plastic-Free Campus Initiative**

In parallel with the plantation activity, a **Plastic-Free Campus Initiative** was carried out to address the growing concern of plastic pollution. Awareness sessions were conducted to educate students about the harmful effects of plastic on the environment, wildlife, and human health.

Students were encouraged to adopt sustainable alternatives such as reusable bags, bottles, and containers. The NSS volunteers actively promoted the concept of reducing, reusing, and recycling materials.

The initiative marked a significant step towards transforming the campus into a cleaner and more sustainable environment by discouraging the use of single-use plastics.

## **5. Organizers and Coordination**

The successful execution of the program was made possible under the guidance and leadership of:

- **Mr. Suresh**, NSS Programme Officer
- **Mr. Sandeep**, Assistant Professor & NSS Panel Member
- **Dr. Rohini Reddy**, Associate Professor and NSS Panel Member
- **Dr. Shanthi Priya**, Associate Professor and NSS Panel Member

Their efforts in planning, organizing, and motivating students ensured smooth conduct and active participation throughout the program.

### **6. Student Participation**

The program witnessed enthusiastic participation from **48 NSS volunteers**, who actively contributed to all activities. Key student participants included:

- Ms. Kanya
- Ms. Vaishnavi
- Ms. Komal
- Ms. Loretta
- Ms. Gowthami
- Along with other NSS student volunteers

The active involvement of students reflected their commitment towards environmental conservation and community service.

### **7. Outcomes and Impact**

The Bharat Environment Program – 2026 yielded several positive outcomes, including:

- Enhanced awareness about environmental sustainability among students
- Increased understanding of the harmful effects of plastic pollution
- Promotion of eco-friendly habits and practices
- Improvement in campus greenery through plantation
- Strengthening of social responsibility and teamwork among students

The program also encouraged students to take initiative in maintaining a clean and green environment beyond the campus.

## 8. Conclusion

The Bharat Environment Program – 2026, organized during Earth Week, was a highly successful initiative that effectively combined awareness and action. The activities conducted under the program not only educated students about environmental issues but also motivated them to actively contribute towards sustainable development.

The NSS Unit of SNVPMV continues to play a vital role in shaping responsible citizens who are committed to protecting the environment. Such initiatives serve as a foundation for building a greener, cleaner, and more sustainable future for society.
