### Visit to Eugia Pharma Research Center

#### Introduction

An industrial and academic interaction visit was conducted to the Eugia Pharma Research Center by the faculty members of SNVPMV to discuss collaborative activities, industrial exposure, internships, research opportunities, faculty development programs, and future academic partnerships.

#### Faculty Members Visited

The following faculty members participated in the visit:

- Dr. T. Mamatha – Principal, SNVPMV
- Dr. T. Venu – Head of the Department of Pharmacology
- Dr. B. Chandrasekhar – Head of the Department of Pharmaceutics
- Mrs. J. Sunayana – Assistant Professor, Department of Pharmaceutical Analysis

#### Interaction Session

The faculty team interacted with Dr. Dinesh Shenoy, President- R & D, Eugia Pharma Research Center at Pashamailaram from 2 PM to 4.30 PM. During the meeting, discussions were held regarding student training programs, internships, faculty development, industrial exposure, and future academic collaborations.

#### Key Discussions and Outcomes

##### 1. Internship and Project Trainee Opportunities

The organization agreed to provide both paid and unpaid internship opportunities to the students of SNVPMV

##### Unpaid Internship / Project Trainee Program

- Unpaid internships will be offered as a six-month project trainee program for rolling students of both B.Pharm and M.Pharm courses.
- Students will work under the guidance of faculty members from both SNVPMV and Eugia Pharma Research Center.
- The project title and required chemicals will be provided by the company.
- Students will be allowed to use the generated project data for thesis writing and research publications.

##### Paid Internship Program

Paid internships will be offered for degree-awarded students:

## UGC AUTONOMOUS INSTITUTION

Affiliated to Osmania University, Approved by PCI-New Delhi  
NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

- B.Pharm graduates will receive a stipend of ₹12,000 per month.
- M.Pharm graduates will receive a stipend of ₹14,000 per month.

The internships will be available in the following departments:

- Formulation R&D
- Analytical R& D
- Quality Assurance (QA)
- Quality Control (QC)

## 2. Future Placement Opportunities

Dr Dinesh Shenoy assured that students from SNVPMV would be considered for future placement opportunities in the organization.

## 3. Faculty Training Program

The organization offered faculty training programs for a duration of one month to bridge the gap between academics and industry exposure.

- Faculty members can undergo training in Formulation R&D, Analytical R&D, or Quality Assurance departments.
- Faculty undergoing training must follow the company working hours from 8:00 AM to 5:00 PM.
- At the end of the training program, evaluation will be conducted based on the learning objectives achieved.

## 4. Introduction to Research and HR Teams

During the interaction, with Dr.Dinesh Shenoy, President- R&D, Eugia Pharma Research Center introduced:

- Mrs. Sandeep, Scientist in Formulation R&D and former student of Dr. T. Mamatha
- Mr. Girija Prasad Parto, Associate Vice President of Formulation R&D and junior of Dr. Chandrasekhar Reddy
- Head of Analytical R&D
- HR team members

He also instructed Mr. Parto, who specializes in liposomes, and Mrs. Sandeep, who is an expert in bio studies, to visit SNVPMV as guest faculty members and share their industrial knowledge with the students.

## 5. Industry Work Culture and Facilities

The organization explained the company work culture and employee facilities:

## UGC AUTONOMOUS INSTITUTION

Affiliated to Osmania University, Approved by PCI-New Delhi  
NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

- Working hours: 8:00 AM to 5:00 PM
- Five-day working schedule
- Saturday and Sunday are week-offs
- Free transportation facilities are available for employees, trainees, and faculty members
- Company bus facilities are available from Uppal and Alwal
- Trainee faculty members and students can avail lunch in the company canteen at a subsidized cost of ₹45

### 6. API Sample Support

The organization agreed to provide API samples based on requests and subject to availability in Eugia Pharma and Aurobindo Pharma. It was informed that the purpose of utilization of the API samples should be clearly mentioned in the official request letter.

### 7. Presentation of College Achievements

The faculty members presented the college profile, souvenir, and Silver Jubilee Celebrations profile to the management of the research center to showcase the academic achievements, institutional growth, and activities of SNVPMV.

### 8. Memorandum of Understanding (MoU)

Both parties mutually agreed to proceed with the Memorandum of Understanding (MoU). All the requests mentioned in the official letter were approved. The organization informed that the MoU process may take some additional time for official completion and formal formalities.

### Summary:

The visit to the Eugia Pharma Research Center was highly informative and productive. The interaction created valuable opportunities for student internships, industrial training, faculty development, research collaborations, guest lectures, placement support, and future academic partnerships between SNVPMV and the organization. The visit also strengthened the relationship between academia and industry, which will benefit both students and faculty members in enhancing their practical and research-oriented skills.

Subject: Request for Internship and Placement opportunities – Reg.

Respected Sir,

Greetings from Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed.), Vijayapuri colony, Tarnaka, Hyderabad.

Sarojini Naidu Vanitha Pharmacy Maha Vidyalaya was established in 1997 by the 87-year-old Exhibition Society and is recognized for academic excellence in Pharmaceutical Sciences. Our commitment to quality is reflected in our NAAC 'A+' Grade, our UGC Autonomous Status, and our NBA-accredited B. Pharm. Program. We take pride in grooming students who are technically proficient and industry-ready.

Our Institution offers a wide range of pharmacy programs including B. Pharm, M. Pharm with specializations in Pharmacology, Pharmaceutics, Pharmaceutical Analysis, Quality Assurance, and Regulatory Affairs, along with Pharm. D and Pharm. D (Post Baccalaureate) programs with the aim of providing quality education, research exposure to pharmaceutical professionals.

We sincerely request Eugia Pharma Pvt Ltd. to extend support by providing internship, project, and placement opportunities for our students, thereby enabling them to gain valuable industrial exposure and practical experience.

We also express our interest in establishing a mutually beneficial Memorandum of Understanding (MoU) with Eugia Pharma Pvt Ltd. to strengthen academic-industry collaboration. In addition, we would be grateful if experts from your organization could deliver scientific lectures, expert talks, and interactive sessions for our students and faculty members, which would significantly enhance our professional knowledge and help bridge the gap between academia and industry.

We shall be highly grateful for your positive consideration and support in this regard. We look forward to collaborating with Eugia Pharma Pvt Ltd. for the benefit and professional development of our students.

Thanking you.

*Approved*

Yours sincerely,

(Dr. T. Mamatha)  
Principal
