ORGANISING

FREE CANCER SCREENING CAMP

Detect early. Live fully.

Why screening is important:

- Cancer is easier to treat when detected at an early stage.
- There is a higher chance of complete recovery.
- It leads to an improved quality of life.
- It's a smart step to protect your health in advance!

Who should definitely attend?

- Women over 30 years of age
- Individuals who use tobacco or consume alcohol
- Those with a family history of cancer
- Anyone experiencing suspicious symptoms in the body

Services Offered:

- Physician consultations
- PAP smear, Breast Examination, Mammography
- Ultrasound (Neck, Abdomen, Pelvis, Sono-Mammography)
- Digital Chest X-ray
- Oral Examination

(All tests conducted based on doctor's recommendation)

Spouse of Teaching & Non Teaching - Staff are also allowed

Report on

Free Cancer Screening Camp

(Detect early, Live fully)

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed.)

(Sponsored by Exhibition society)

In association with

Basavatarakam Indo-American Cancer Hospital and Research Institute,

On 28th January 2026

Introduction

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed.), in association with **Basavatarakam Indo-American Cancer Hospital and Research Institute**, successfully organized a **Free Cancer Screening Camp** on **28th January 2026** at the college premises, Vijayapuri Colony, Tarnaka, Secunderabad. The program was conducted with the objective of creating awareness on cancer prevention, promoting early detection, and providing free screening services to eligible beneficiaries. The event reflected the institution's commitment towards community health outreach and preventive healthcare.

Objectives of the Program

- To create awareness about different types of cancers, their risk factors, and preventive measures
- To emphasize the importance of early detection and regular screening
- To provide free cancer screening facilities for men and women
- To encourage healthy lifestyle practices among staff and participants
- To commemorate breast cancer awareness through student participation

Program Structure

The event was systematically organized into **three major phases**:

Phase I: Cancer Awareness Programme

The program was graced by **Smt Sandhya Depala Hony.Treasurer**, program was commenced with a welcome address by Dr. T. Mamatha, Principal, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya. In her address, she highlighted the importance of early cancer screening and appreciated the collaboration with Basavatarakam Indo-American Cancer Hospital.

NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

This was followed by an introduction to the program by Dr. N. Srinivas, Director, who briefed the audience about the objectives of the camp, the importance of preventive oncology, and the role of educational institutions in community health initiatives.

The **awareness session was delivered by Dr. P. Renuka, DMO**, Basavatarakam Indo-American Cancer Hospital and Research Institute. Her session focused on:

- Basic understanding of cancer and abnormal cell growth
- Rising incidence of cancer among young adults
- Common cancers such as breast, cervical, oral, lung, colorectal, and cervical cancer
- Risk factors including tobacco use, alcohol consumption, poor diet, obesity, lack of exercise, HPV infection, and family history
- Importance of lifestyle modification and regular screening
- Warning signs of cancer and myth-versus-fact clarifications

The session was highly informative and interactive, creating strong awareness among the participants.

The inauguration vote of thanks was proposed by Dr. B. Haarika, Vice-Principal, who expressed gratitude to the medical team, management, faculty, students, and organizers for their active support and participation.

Phase II: Free Cancer Screening Program

Following the awareness session, the **free cancer screening services** were initiated under the supervision of qualified medical professionals from Basavatarakam Indo-American Cancer Hospital.

Screening Details

- Physical examinations were conducted prior to screening
- Screening was carried out for both men and women
- Tests were conducted strictly based on doctor's recommendations

Screening Services Provided

- Physician consultation
- Pap smear test
- Breast examination

SAROJINI NAIDU VANITA PHARMACY MAHA VIDYALAYA (Co.Ed.)

NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

- Mammography and Sono-mammography
- Ultrasound examinations (Neck, Abdomen, Pelvis)
- Digital Chest X-ray
- Oral cavity examination

The camp benefited teaching staff, non-teaching staff, and their spouses. The presence of trained doctors, radiologists, nurses, technicians, and supporting staff ensured smooth and systematic screening.

Phase III: Breast Cancer Awareness Ribbon Formation

As a symbolic and impactful conclusion to the event, students actively participated in a pink ribbon formation to commemorate Breast Cancer Awareness. Students wore pink caps and pink attire, forming a ribbon symbolizing hope, awareness, and solidarity against breast cancer. This visual activity reinforced the message of early detection and collective responsibility towards women's health.

Participation and Support

The program witnessed enthusiastic participation from:

- Teaching and non-teaching staff and their spouses
- Medical professionals from Basavatarakam Indo-American Cancer Hospital
- Faculty members and students of the institution

The event was conducted by the Department of Pharmacology and Department of Pharm.D, with support from the college management and organizing committee.

Outcome of the Program

- Enhanced awareness about cancer prevention and early detection
- Successful screening of eligible participants
- Improved understanding of lifestyle-related cancer risks
- Active student involvement in health advocacy
- Strengthened institutional collaboration with a reputed cancer care hospital

Conclusion

The Free Cancer Screening Camp was successfully conducted with meaningful impact on awareness, prevention, and early detection of cancer. The program served as a valuable health initiative benefiting the institutional community and reinforced the importance of regular screening and healthy lifestyle practices. The event stands as a significant contribution towards social responsibility and preventive healthcare.

Impact Analysis

The Free Cancer Screening Camp had a **significant academic, social, and health-related impact** on the institutional community and participants.

1. Health Awareness Impact

The cancer awareness session improved participants' understanding of common cancers, their risk factors, early warning signs, and preventive measures. Myths related to cancer were clarified, and the importance of regular screening and lifestyle modification was strongly reinforced.

2. Early Detection and Preventive Care

Free screening facilities enabled early identification of potential health issues among participants. Timely medical consultations, diagnostic tests, and referrals contributed to preventive healthcare and reduced the risk of late-stage cancer detection.

3. Behavioural and Lifestyle Impact

The program motivated participants to avoid tobacco and alcohol, adopt healthy dietary habits, engage in regular physical activity, and prioritize periodic health check-ups. The session encouraged long-term positive health behavior changes.

4. Student Learning and Social Responsibility

Student participation in organizing activities and the breast cancer ribbon formation enhanced their awareness of public health issues and instilled a sense of social responsibility. The event provided experiential learning beyond classroom education.

5. Community and Institutional Impact

The collaboration with Basavatarakam Indo-American Cancer Hospital strengthened institutional–healthcare partnerships. The program enhanced the institution's outreach activities and demonstrated commitment to community welfare and preventive healthcare.

6. Women's Health Advocacy Impact
