REPORT ON BHARAT ENVIRONMENT PROGRAM 2026

SUSTAINABLE CAMPUS IMPACT SUMMIT & AWARDS 2026

Organized By

Research Heights Foundation (RHF)

In Association with: **Environment Protection Training and Research Institute (EPTRI)**

Date: 01 June 2026

Venue: Global Peace Auditorium, Shanti Sarovar, Gachibowli, Hyderabad

Institution: *Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed), Tarnaka, Secunderabad*

1. Introduction

The **Bharat Environment Program (BEP) 2026** is a national-level sustainability initiative launched by the Research Heights Foundation (RHF) in association with EPTRI under the theme "**A Bharat Sustainability Campus Mission 2026.**" The program aimed to promote environmental awareness, sustainable campus practices, and active participation of educational institutions in achieving the **United Nations Sustainable Development Goals (SDGs)**.

As part of **Earth Week (22nd–29th April 2026)**, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya actively participated in various environmental initiatives through its NSS Unit and student volunteers.

2. Activities Conducted by SNVPMV During Earth Week

The institution successfully organized the following activities:

- **Sustainability Pledge**

Students and faculty members pledged to adopt environmentally responsible practices and contribute towards sustainable development.

- **Plastic-Free Awareness Campaign**

(Sponsored by the Exhibition Society)

UGC AUTONOMOUS INSTITUTION

Affiliated to Osmania University, Approved by PCI-New Delhi

NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

Awareness activities were conducted to educate students and the public about the harmful effects of plastic pollution and the importance of reducing single-use plastics.

● **Plantation Drive**

Tree saplings were planted within and around the campus to promote greenery, biodiversity, and environmental conservation.

These activities demonstrated the institution's commitment towards environmental sustainability and community engagement.

3. Objectives of the Summit

The Sustainable Campus Impact Summit & Awards 2026 was organized with the following objectives:

- Promote environmental awareness among students and educators.
 - Encourage sustainable campus practices.
 - Foster collaborations between educational institutions, policymakers, and environmental organizations.
 - Align institutional initiatives with SDGs and ESG principles.
 - Recognize institutions contributing significantly to sustainability efforts.
-

4. Highlights of the Expert Sessions

4.1 Address by Dr. Nagendra K.

Founder & Chairman, Research Heights Foundation

Dr. Nagendra K. welcomed the participants and explained the vision behind the Bharat Environment Program 2026. He emphasized the role of educational institutions in creating environmentally conscious citizens and highlighted the importance of youth participation in sustainability initiatives.

Key Takeaways

- Importance of sustainability in higher education.
- Need for collective environmental responsibility.

(Sponsored by the Exhibition Society)

UGC AUTONOMOUS INSTITUTION

Affiliated to Osmania University, Approved by PCI-New Delhi

NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

- Role of students in creating a sustainable future.
-

4.2 Address by Dr. G. Satheesh Reddy

Former Chairman, DRDO

Dr. Satheesh Reddy delivered an insightful session on sustainability, innovation, and national development. He discussed India's progress towards Sustainable Development Goals and the role of technology in environmental protection.

Key Highlights

- Integration of technology with sustainable development.
 - Contributions of the Kakatiya and Chola civilizations to water management.
 - Importance of scientific innovation for environmental conservation.
 - Role of research and development in nation-building.
-

4.3 Address by Dr. Jayaprakash Narayan

Founder, Lok Satta Party & Democratic Reforms Advocate

Dr. Jayaprakash Narayan spoke about democratic governance, responsible resource utilization and environmental sustainability.

Key Highlights

- Growing concerns regarding excessive water consumption.
 - Need for efficient management of natural resources.
 - Environmental impact of increasing private vehicle usage.
 - Importance of citizen participation in sustainable development.
 - Sustainable urban planning for future generations.
-

4.4 Address by Prof. V. Balakista Reddy

Chairman, Telangana Council of Higher Education (TGCHE)

(Sponsored by the Exhibition Society)

UGC AUTONOMOUS INSTITUTION

Affiliated to Osmania University, Approved by PCI-New Delhi

NBA Accredited B. Pharmacy Course, Accredited A+ grade by NAAC

Prof. Balakista Reddy appreciated the sustainability efforts of educational institutions and encouraged students to actively participate in environmental conservation and nation-building activities.

4.5 Session by Prof. S. Satyanarayana

Former Chairman, AICTE

Prof. Satyanarayana emphasized the significance of Sustainable Development Goals and the responsibility of higher education institutions in creating environmentally responsible citizens.

Key Highlights

- Importance of SDGs in higher education.
 - Institutional role in sustainable development.
 - Encouraging innovation and community participation.
-

5. Award and Recognition

A major highlight of the summit was the recognition of institutions that actively participated in the Bharat Environment Program 2026.

Based on the sustainability initiatives conducted during Earth Week, institutions were awarded under the categories of:

- Platinum Sustainable Campus Partner
- Gold Sustainable Campus Partner
- Silver Sustainable Campus Partner

Achievement of SNVPMV

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed) was proudly awarded the **Gold Sustainable Campus Partner Award** for its outstanding commitment towards:

- ✓ Environmental Awareness
- ✓ Sustainability Practices

- ✓ Student Engagement
 - ✓ Community Participation
 - ✓ Green Campus Development
-

6. Impact of the Program

The program created a significant positive impact on students, faculty members, and the institution as a whole.

Major Impacts

- Increased environmental awareness among students and staff.
 - Enhanced understanding of Sustainable Development Goals (SDGs).
 - Encouraged eco-friendly habits and responsible citizenship.
 - Strengthened student participation in environmental activities.
 - Promoted sustainable campus culture and green initiatives.
 - Inspired institutions to adopt long-term sustainability practices.
-

7. Outcomes of the Program

The following outcomes were achieved through participation in the Bharat Environment Program 2026:

Educational Outcomes

- Improved knowledge of environmental conservation and sustainability.
- Greater awareness of climate change and resource management.

Institutional Outcomes

- Recognition as a **Gold Sustainable Campus Partner**.
- Strengthened commitment towards green campus initiatives.
- Enhanced institutional reputation in sustainability efforts.

Student Outcomes

- Development of leadership and teamwork skills.
 - Increased participation in community service and environmental programs.
 - Motivation to adopt sustainable lifestyles.
-

8. Conclusion

The **Bharat Environment Program 2026 – Sustainable Campus Impact Summit & Awards 2026** served as an excellent platform for learning, collaboration, and recognition in the field of environmental sustainability. The expert sessions provided valuable insights into resource conservation, technological innovation, democratic governance, and sustainable development.

The **Gold Sustainable Campus Partner Award** received by Sarojini Naidu Vanita Pharmacy Maha Vidyalaya stands as a testament to the institution's dedication towards environmental stewardship and community engagement. The event inspired students and faculty to continue working towards a greener, cleaner, and more sustainable Bharat.
