UGC Autonomous Institution**

1. The Chairperson, Dr. T. Mamatha, while chairing the meeting, has welcomed the members who are physically present and also those who attended online. The Chairperson highlighted the significance of the first Academic Council meeting under autonomous status and emphasized the institution's mission for strengthening academic quality, curriculum flexibility, and outcome-based education through autonomy. It was also emphatically stated that the institution exercises autonomy with accountability.

2. The Academic Council deliberated on the resolutions of the 1<sup>st</sup> BoS meeting placed before it, and the following decisions were taken:

Introduction of AI & Python Programming for Pharmacy for three programmes.

a. The Council approved the introduction of an Artificial Intelligence and Python Programming for Pharmacy.

For B. Pharm by integrating with BP205T&BP210P Computer Applications in Pharmacy.

For Pharm D by integrating with 1.6 Remedial Mathematics

without repetition of the topics and without any alteration in the credits. It was resolved that the course title and syllabus shall be reviewed in a befitting manner and well-suited.

For M. Pharmacy it will be introduced as an additional course with 2 credit points

b. Professional Communication Skills subject decided to be introduced in the later years

3. The Council approved the almanac with 90 working days per semester and 180 working days per yearly programme.

4. The council approved the draft rules and regulations for examinations which are as per PCI norms and GB resolutions. The council approved conducting an improvement examination for the benefit of students with the following modifications. The Council resolved that question papers must strictly adhere to Bloom's Taxonomy, ensuring:

i. 60% weightage from BL1, BL2, and BL3

ii. 40% weightage from BL4 and BL5

5. The Academic Council approved the proposal to revise and redraft the institution's Vision and Mission statements in the light of the grant of institutional autonomy and conversion to co-education.

6. The council decided to introduce a foreign language in later years of the programmes.
7. The council recommended to conduct FDP for the mathematics faculty, one faculty member from each department and any other interested faculty on the topic of AI & Python programming in Pharmacy.
8. The Chairperson summarized the key decisions taken during the meeting and appreciated the valuable inputs provided by all members. The Member Secretary proposed a formal vote of thanks, expressing gratitude to the Chairperson, Academic Council members, external experts, and invitees for their active participation and guidance.

The meeting concluded with thanks to the Chair and members.
