The unboxing event generated considerable enthusiasm among the students and school authorities as the beneficiaries were able to see the resources that would support their educational, digital and skill-development needs.

8. COMPUTER AND PRINTER FOR DIGITAL LITERACY

As part of the UBA initiative, a **computer system along with a printer** was provided to support digital literacy.

The objective was to provide students with basic exposure to computer technology and create an opportunity for them to develop foundational digital skills.

The equipment is expected to support activities such as:

- Basic computer learning
- Typing practice
- Digital information access
- Educational activities
- Document preparation
- Printing
- Basic digital communication
- Future digital-literacy programmes

The provision of a computer and printer was considered an important intervention in reducing the digital gap and introducing students to technology in a structured educational environment.

9. TAILORING MACHINE FOR VOCATIONAL SKILL DEVELOPMENT

A **tailoring machine** was also provided under the KSY initiative as a resource for vocational and skill development.

The objective of this intervention was to introduce students and beneficiaries to practical skill development and create awareness regarding potential livelihood-oriented opportunities.

The tailoring machine can support future training in:

- Basic stitching
- Tailoring skills
- Garment-related activities
- Practical vocational training
- Skill development
- Potential self-employment opportunities

The initiative particularly emphasized the importance of equipping girls with practical skills that may contribute to confidence, independence and future livelihood opportunities.

10. HEALTH KITS FOR GIRLS

Health kits were also provided as part of the Kishori Shakti Yojana initiative.

The health kits included:

- Iron supplements
- Folic acid supplements
- Basic health-support materials
- Basic personal needs for girls

The distribution was intended to complement the health-awareness sessions conducted during the programme.

The UBA team emphasized that health education and access to basic health-support resources should go together to create meaningful awareness and encourage healthy practices.

The students were provided with appropriate information regarding the importance of nutrition, iron and folic acid and general health and hygiene.

11. FORMAL INAUGURATION OF THE RESOURCES

The computer, printer, tailoring machine and health kits were formally inaugurated and presented during the stage programme.

The inauguration was conducted in the presence of the school authorities, UBA Faculty Coordinators, supporting staff, teachers and students.

The ceremonial unboxing and inauguration created a sense of participation and ownership among the school community.

The event was received with great enthusiasm and appreciation by the students and teachers.

12. LUNCH BREAK

Following the inaugural programme and resource presentation, a lunch break was provided for the participants, students, teachers, volunteers and UBA team.

The break also provided an opportunity for informal interaction among the UBA team, school authorities and students.

Following lunch, the programme resumed with the educational and demonstration sessions planned for the afternoon.

13. STUDENT DEMONSTRATIONS AND AWARENESS SEMINARS

The post-lunch session focused on **student-led demonstrations, seminars and awareness sessions.**

The students and volunteers were organized systematically, and the educational sessions were conducted in classrooms.

The objective was to ensure that the awareness programme was interactive and directly accessible to the students.

The student presenters used simple explanations, visual material and interactive communication to make the sessions understandable and engaging.

14. FIVE-TOPIC CLASSROOM AWARENESS SESSIONS

The students were divided into groups and visited the classrooms one after another to conduct awareness sessions.

The programme covered **five major topics**, addressing important aspects of health, education, hygiene and empowerment.

The sessions were conducted sequentially so that the students could participate without overcrowding and could interact effectively with the presenters.

The classroom-based approach helped create a more comfortable environment for students to ask questions, participate in discussions and clarify their doubts.

The major areas covered included:

Topic 1 – Nutrition and Health

The students were educated about balanced nutrition, healthy food choices and the importance of adequate nutrients for growth and development.

Topic 2 – Iron and Folic Acid

The session focused on the importance of iron and folic acid, nutritional deficiency awareness and the importance of appropriate supplementation and dietary practices.

Topic 3 – Health and Personal Hygiene

The students were educated about personal hygiene, cleanliness, sanitation, hand hygiene and healthy daily practices.

Topic 4 – Life Skills and Education

The session highlighted communication, confidence, decision-making, problem-solving and other life skills important for personal development.

Topic 5 – Women Empowerment and Skill Development

The students were encouraged to understand the importance of education, skill development, confidence, self-reliance and future livelihood opportunities.

The UBA coordinators provided basic training to the students regarding:

- Computer operation
- Keyboard and mouse
- Basic system functions
- Opening and using applications
- Basic typing
- Printing
- Safe handling of equipment & Educational use of computers

The demonstration gave students their first-hand opportunity to interact with the newly installed equipment.

The students showed considerable curiosity and enthusiasm while learning the basic operations.

17. TAILORING MACHINE DEMONSTRATION

Alongside the digital-literacy activity, the tailoring machine was also introduced to the beneficiaries.

The basic operation and utility of the machine were explained.

The students and beneficiaries were introduced to the possibilities of developing tailoring as a vocational skill.

The session emphasized that skill development can provide practical benefits and may become a foundation for future self-employment and livelihood opportunities.

8. ADDRESS BY MR. SURESH

Mr. Suresh, UBA Faculty Coordinator, subsequently addressed the gathering.

He spoke about the implementation of the UBA–KSY programme and the importance of student participation in community-oriented activities.

He emphasized that the purpose of the programme was not restricted to conducting awareness sessions but also to create meaningful interaction between the UBA team and the beneficiaries.

He encouraged the students to:

- Participate actively
- Ask questions
- Develop confidence
- Gain knowledge
- Make use of the resources provided
- Share useful awareness with their families and community

His address reinforced the message that **education and awareness can become powerful tools for personal and community development.**

9. ADDRESS BY MR. SANDEEP

Mr. Sandeep, Supporting Staff, also addressed the gathering.

He spoke about the contribution of SNVPMV towards community-oriented programmes and the role of higher educational institutions in extending their knowledge and resources to society.

He appreciated the cooperation extended by the school authorities, teachers and students throughout the two-day programme.

He also encouraged the students to utilize the opportunities provided through the UBA initiative and to remain actively engaged in their education and personal development.

10. STUDENT PRESENTATIONS

Following the speeches by the dignitaries and UBA team, the programme proceeded with the **student presentations**.

Students from SNVPMV presented various awareness topics to the students of Sri Gnana Saraswathi Vidya Mandir.

The presentations were designed to communicate important information in a simple, understandable and student-friendly manner.

The student presenters interacted directly with the school students and explained the selected topics using presentations, posters and interactive communication.

This provided the school students with an opportunity to learn from their peers and interact directly with students from a higher educational institution.

Student Presentations

11. AWARENESS AND EDUCATIONAL COMPONENT

The student presentations formed an important educational component of the Day-2 programme.

The presentations reinforced the major themes of the UBA–KSY initiative, particularly those related to:

- Health awareness
- Nutrition
- Iron and folic acid

- Personal hygiene
- Adolescent health
- Life skills
- Education
- Women's empowerment
- Healthy lifestyle practices

The students were encouraged to participate actively during the sessions and clarify their doubts.

The interactive nature of the presentations helped make the sessions engaging and accessible.

12. INTERACTION BETWEEN SNVPMV STUDENTS AND SCHOOL STUDENTS

One of the important features of the Day-2 programme was the direct interaction between the **SNVPMV student volunteers and the students of Sri Gnana Saraswathi Vidya Mandir.**

The interaction provided a platform for students to communicate openly and share knowledge.

The SNVPMV students acted as peer educators during the presentations, explaining the topics in a simple and relatable manner.

This peer-to-peer approach helped create a comfortable learning environment and encouraged the school students to participate more actively.

Health Kits Distribution to students

13. DISTRIBUTION OF KITS TO STUDENTS

Following the presentations and awareness sessions, the programme proceeded with the **distribution of kits to the students**.

The kits were distributed in the presence of the school authorities, delegates, UBA Faculty Coordinators, teachers and students.

The distribution represented one of the major practical components of the Kishori Shakti Yojana initiative.

The beneficiaries received the kits with enthusiasm and appreciation.

The activity also provided an opportunity for the UBA team and school authorities to interact directly with the beneficiaries.

14. SIGNIFICANCE OF THE KIT DISTRIBUTION

The distribution was not treated merely as a material-support activity.

It was accompanied by the awareness generated through the presentations and interactions conducted during the programme.

The students were encouraged to understand the importance of the resources provided and to utilize them appropriately.

The initiative reflected the broader UBA philosophy of combining:

Awareness + Education + Resource Support + Empowerment

The practical support provided to the students complemented the educational and awareness activities conducted during the two-day programme.

15. PARTICIPATION OF SCHOOL AUTHORITIES AND TEACHERS

The school authorities and teachers played a significant role in facilitating the Day-2 activities.

Their support included:

- Coordinating students
- Facilitating the programme
- Supporting the speakers
- Encouraging student participation
- Assisting during kit distribution
- Coordinating the student presentations
- Maintaining a positive and disciplined environment

The continued cooperation of the school administration helped ensure the smooth completion of the programme.

16. APPRECIATION OF THE UBA INITIATIVE

During the concluding interactions, appreciation was expressed for the efforts undertaken by the UBA team and SNVPMV.

The school authorities acknowledged the initiative as a meaningful effort towards supporting students through awareness, education and practical resources.

The programme also demonstrated the value of collaboration between higher educational institutions and schools in addressing community needs.

17. CONCLUDING SESSION

Following the completion of the speeches, student presentations and kit distribution, the Day-2 programme moved towards its concluding stage.

22. FINAL IMPACT OF THE TWO-DAY PROGRAMME

The two-day UBA–KSY intervention at Pedda Golconda created a meaningful platform for interaction between **SNVPMV and the local school community**.

The programme successfully focused on:

The successful conclusion of Day 2 demonstrated the commitment of the SNVPMV UBA team towards translating the principles of **Unnat Bharat Abhiyan into practical community-level action**. The programme concluded with a strong sense of accomplishment, appreciation and pride among the organizers, school authorities, teachers and participating students.

The UBA Village Visit to Pedda Golconda was successfully conducted with active participation from students, faculty, school authorities, and the local community. The programme effectively created awareness on health, nutrition, hygiene, women empowerment, and digital literacy while promoting meaningful community engagement. The visit also strengthened the students' sense of social responsibility and demonstrated the practical impact of UBA initiatives in improving community well-being. Overall, the programme was productive, interactive, and successful in achieving its objectives.

Beyond Education: A Journey of Service and Gratitude

The successful completion of our **Unnat Bharat Abhiyan (UBA) Kishori Shakthi Yojana Programme at Pedda Golconda** has been a truly meaningful and memorable experience for all of us. The overwhelming appreciation, encouragement, and affection received from the faculty and students of both participating schools have touched us deeply. Their warm response has given our entire team immense satisfaction and has strengthened our commitment to continue serving the community through meaningful and impactful initiatives.

We extend our sincere gratitude to **Upper Primary School, Pedda Golconda**, and express our special appreciation to **Smt. A.C. Lavanya, Head Mistress**, for her wholehearted cooperation, encouragement, and support throughout the programme. Her willingness to facilitate the activities and her positive encouragement towards our students played an important role in making the visit successful.

We also express our heartfelt gratitude to **Sri Gnana Saraswathi Vidya Mandir, Pedda Golconda**, and especially to **Sri. K. Niranjana, Correspondent**, for his valuable support, warm hospitality, and constant cooperation. His encouragement and support provided an excellent platform for our faculty and students to interact with the school community and successfully implement the planned UBA activities.

The enthusiastic participation of the **faculty and students of both schools** made the programme truly special. Their active involvement in the awareness sessions, student interactions, demonstrations, presentations, and other activities created an atmosphere of learning, sharing, and mutual inspiration. The appreciation received from them is a cherished recognition for our entire team.

Our Deepest Gratitude to the Management

We place on record our profound gratitude to our esteemed management for their vision, encouragement, and unwavering support in enabling us to implement this community-oriented programme.

Our sincere and respectful thanks to:

Dr. B. Prabhaskar, Chairman,

for his visionary leadership and continuous encouragement towards educational and socially responsible initiatives.

Sri. B. Hanumanth Rao, Hon. Secretary,

for his valuable administrative support and constant encouragement in facilitating programmes that connect our institution with society.

Smt. Sandhya Deepala, Hon. Treasurer,

for her valuable support and contribution towards creating the necessary foundation for successfully implementing this initiative.

Dr.T.Mamatha,Principal,

for her inspiring leadership, guidance, encouragement, and complete support throughout the programme. Her trust in our team and encouragement to engage students in meaningful community activities played a vital role in transforming this initiative into a successful and impactful programme.

A Very Special Note of Gratitude

A very special and heartfelt thanks to **Dr. Ramesh Sir, Associate Professor, NIRDPR**, for his valuable guidance, encouragement, and support. His association with the programme added significant academic and practical value to our efforts. His insights encouraged us to look beyond conducting a routine outreach activity and focus on **meaningful community engagement, experiential learning, empowerment, and sustainable impact.**

We sincerely acknowledge his contribution and guidance, which has motivated our faculty and students to approach community development with greater responsibility and purpose.

To Our Faculty, Students and Volunteers

Our heartfelt appreciation also goes to every **faculty member, student, volunteer, and coordinator** who contributed to the successful execution of the programme.

The dedication shown by our students from preparation and presentations to interaction with school children and implementation of various activities demonstrated the true spirit of **service learning**. They not only shared their knowledge but also gained valuable real-world experience by understanding the needs, aspirations, and challenges of the community.

The appreciation received from both schools is therefore a moment of pride for the entire **SNVPMV family**.

Beyond a Programme – A Meaningful Connection

This UBA initiative has reinforced a simple but powerful belief:

Education becomes more meaningful when knowledge is shared, communities are empowered, and learning is translated into service.

The success of this programme was not the achievement of an individual or a single team. It was the result of the collective support of our **management, principal, faculty, students, volunteers, school authorities, teachers, students, and community partners.**

The appreciation received from both schools has become a source of motivation for us to continue undertaking initiatives that create genuine and sustainable social impact.

Once again, we extend our deepest gratitude to:

Smt. A.C. Lavanya, Head Mistress, Upper Primary School, Pedda Golconda

Sri. K. Niranjan, Correspondent, Sri Gnana Saraswathi Vidya Mandir, Pedda Golconda

Dr. B. Prabha Shankar, Chairman, SNVPMV

Sri. B. Hanumanth Rao, Hon. Secretary, SNVPMV

Smt. Sandhya Deepala, Hon. Treasurer, SNVPMV

Dr. T. Mamatha, Principal, SNVPMV

Dr. Ramesh Sir, Associate Professor, NIRDPR

and every faculty member, student, volunteer, and supporter who contributed to this memorable initiative.

Your appreciation is our encouragement.

Your support is our strength.

The smiles and learning shared with the community are our greatest reward.

With renewed enthusiasm and commitment, we look forward to continuing our journey under **Unnat Bharat Abhiyan**, strengthening the bond between our institution and the community, and creating many more meaningful opportunities for **learning, service, empowerment, and social transformation.**

Together, we learn. Together, we serve. Together, we create an impact.
