CIRCULAR

Sub: Inauguration of Formulations R&D (Incubation & Skill Development Centre)

This is to inform all faculty members and students of Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed.) for the inauguration of the **Formulations R&D (Incubation & Skill Development Centre)**, sponsored by **Sirona Life Sciences Pvt. Ltd.**, presided by **Dr. B. Prabha Shankar, Chairman, SNVPMV & CMD, Leads Pharma Pvt. Ltd.**, in the presence of **Sri Sandeep Gokaraju, Managing Director, Sirona Life Sciences Pvt. Ltd.**, as the Chief Guest, along with distinguished Guests of Honour.

Event Details:

- **Date:** 12 October 2026
- **Time:** 10:30 AM
- **Venue:** Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (Co-Ed.), Hyderabad

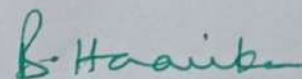

Objectives of the Event:

1. To establish a dedicated centre for pharmaceutical formulation research and development.
2. To provide hands-on training and enhance practical skills in formulation development.
3. To strengthen industry-academia collaboration and promote industry-oriented research.

Expected Outcomes:

1. Enhanced technical skills and research capabilities among students and researchers.
2. Increased opportunities for industry-oriented research and innovative formulation development.

All faculty members and students are requested to take note of the event and participate actively in this initiative to promote research excellence, innovation, and skill development.

(Dr. B. Haarika)

Inauguration of the Formulation Research and Development, Incubation and Skill Development Center

Date: 12 October 2026

Time: 10:30 AM

Venue: Formulation R&D Lab and Auditorium, Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), Hyderabad

1. Introduction

Sarojini Naidu Vanita Pharmacy Maha Vidyalaya (SNVPMV), Hyderabad, inaugurated the Formulation Research and Development, Incubation and Skill Development Center on 12 October 2026 at the Formulation R&D Lab and Auditorium. The initiative aims to strengthen industry-academia collaboration, promote innovation and entrepreneurship, and provide students with practical exposure to formulation development and pharmaceutical industry practices.

The inauguration marked an important step towards bridging the gap between theoretical knowledge and industrial applications by creating opportunities for experiential learning, research, skill development and the translation of innovative ideas into practical solutions.

2. Objective of the Program

The objective of the program is to establish a dedicated platform for advancing pharmaceutical innovation, fostering entrepreneurship, and bridging the gap between academia and industry. By integrating state-of-the-art formulation research facilities with incubation support and hands-on skill development, the center aims to empower students and researchers to turn creative ideas into viable pharmaceutical products while equipping them with industry-ready technical skills.

3. Dignitaries Present

The programme was graced by the following distinguished dignitaries:

1. Dr. B. Prabha Shankar – Chairman, SNVPMV and CMD, Leads Pharma Pvt. Ltd.

2. Sri.Sandeep Gokaraju – Managing Director, Sirona Life Sciences Pvt. Ltd.
3. Dr. A. V. Srikanth – Former Vice Chairman, SNVPMV.
4. Sri S. Laxminarasimham – Executive Director, Pharmsol.
5. Sri Ramakrishnan – CEO, Sreeven.
6. Sri S. B. M. P. Halakatti – COO, Sreeven.
7. Sri B. Hanumantha Rao – Honorary Secretary, SNVPMV.
8. Dr. B. Haarika – Principal, SNVPMV.

3. Proceedings of the Programme

The center was officially declared open with the traditional ribbon cutting performed jointly by **Dr. B. Prabha Shankar** (Chairman, SNVPMV & CMD, Leads Pharma Pvt. Ltd.) and **Sri Sandeep Gokaraju** (Managing Director, Sirona Life Sciences Pvt. Ltd.). Auspicious Pooja proceedings were conducted inside the newly established Formulation R&D Lab to invoke blessings for the success and fruitful functioning of the research center.

6. Vote of Thanks and Conclusion

The programme concluded with the vote of thanks delivered by Sri B. Hanumantha Rao, Honorary Secretary, SNVPMV, who expressed gratitude to the dignitaries, institutional leadership, faculty members, staff and students for their participation and support.

The inauguration of the Formulation Research and Development, Incubation and Skill Development Center represents a significant initiative by SNVPMV towards strengthening practical pharmaceutical education, industry engagement and innovation. The centre is expected to serve as a valuable platform for nurturing skilled professionals, encouraging research and fostering meaningful industry–academia partnerships.

The event concluded on a positive note, reaffirming the institution's commitment to academic excellence, skill development and the preparation of future-ready pharmaceutical professionals.

6. Objectives and Significance of the Centre

The inauguration of the centre reflects SNVPMV's commitment to developing industry-ready graduates and promoting applied pharmaceutical research. The centre is intended to support the following objectives:

1. Formulation research and development: Encourage practical learning and the development of pharmaceutical formulations.
2. Industry-academia collaboration: Establish stronger connections between academic programmes and pharmaceutical industries.
3. Skill development: Provide opportunities for students to develop technical, analytical and professional competencies.
4. Incubation and innovation: Encourage students to explore innovative ideas and develop solutions to real-world pharmaceutical challenges.
5. Entrepreneurship promotion: Create an environment that encourages innovation, product development and entrepreneurial thinking.

7. Expected Outcomes and Impact

The centre is expected to contribute to the institution's academic and research ecosystem by providing a platform for practical training, collaborative projects and innovation-oriented learning. It may also facilitate industry interactions, formulation-based research activities, student projects and the development of professional competencies aligned with pharmaceutical industry requirements.

Through sustained collaboration with industry experts, the initiative aims to enhance student employability, promote research-based learning and encourage the development of innovative pharmaceutical solutions.
